They responded nobly and adopted thirteen of the dogs. Only Pritichard was retained, and he remained his master's close companion so long as he lived.

Once Dumas was nearly persuaded to part with him. He had gone to call upon Louis Napoleon, afterwards em-peror of France, but at that time a prisoner in the fortress of Hard, and had taken Pritichard with him. The bored and weary prisoner took a great fancy to the dog, and begged to be allowed to keep him; Dumas had not the heart to refuse, and the matter progressed to the point where it was only necessary to procure the consent of the governor of the fortress. But Pritichard felt that something was wrong; he knew two men were talking about him and he did not like the rather officious attentions of the stranger or the look of regret and farewell in his master's eyes. He pressed close to Dumas; up went his nose in the air, and the prison walls responded to lamentable howl upon howl. Get Your Sonora Now And Save Money

Again as usual, Lindsay's is the first among the very few firms notifying the public in advance of a coming increase in Phonograph prices. Some firms would sell as few instruments as possible just previous to an advance in prices; but not Lindsay's. It has always been its policy to give its patrons the opportunity to buy before the increase.

Space is lacking to publish the full price lists, but the one illustration given herewith is typical. Come and select your Sonora at once. For a small cash payment we will hold it for future delivery at the present price. Full list of Sonoras on hand.
