

WONDER WHAT W. J. B. THINKS ABOUT

DO YOU KNOW I'VE NEVER GOT OVER THE IDEA THAT WASHINGTON D.C. IS A WONDERFUL CITY TO LIVE IN

THERE'S SOMETHING ABOUT THE DEAR QUAIN OLD CITY THAT HAS ALWAYS APPEALED TO ME

ONCE UPON A TIME I HAD MY THINGS ALL PACKED READY TO MOVE THERE BUT CERTAIN MATTERS CAME UP THAT COMPELLED ME TO CHANGE MY MIND

I PUT THE IDEA OUT OF MY MIND FOR A LONG TIME BUT HERE LATELY I'VE GOT THE NOTION AGAIN THAT AFTER ALL WASHINGTON IS A WONDERFUL PLACE OF RESIDENCE

— OF COURSE I DON'T BELIEVE I SHOULD LIVE THERE THE REST OF MY LIFE BUT SAY ABOUT FOUR YEARS ANYWAY

— YOU KNOW I DID LIVE THERE A WHILE BUT I DIDN'T CARE FOR THE TYPE OF HOUSE I LIVED IN, NOR THE LOCATION

— I'M FOND OF A HOUSE PAINTED WHITE WITH BIG WHITE PILLARS NOT FAR FROM THE MONUMENT OR THE TREASURY BUILDING

— OH WELL IT MAY BE JUST ONE OF MY WHIMS — THEY DO CALL ME WHIMSICAL YOU KNOW BUT — WE SHALL SEE — WE SHALL SEE!

In the passing away of Robert Anglin the church had lost one of its oldest members. Mr. Brown said that it was with great sorrow that he had to announce the sudden death of Capt. Miss Eva Sheets, who has been located in Kingston for some months past has returned to town to accept a position as stenographer in the office of the Farmer and Bullock Co.

During the past week there has been quite a number of real estate transfers in this section. Aaron Dano has disposed of his farm at the western limit of the town to E. J. McGill Defeats Varsity.
In Montreal on Saturday night, the McGill hockey team defeated Varsity in the second game of the senior intercollegiate series by a score of 3 to 1. The result of the game was a great surprise, as many of the local followers thought that Varsity would put it over the McGill team. When one considers that Queen's beat McGill to the same score in Montreal it speaks well for the local team.

VETERANS STILL INSIST

THAT CITY BUILDINGS APPOINTMENT BE RE-OPENED.
Point Out to the City Council That It Promised the Preference to Returned Men.

The joint advisory committee of the Army and Navy Veterans and Great War Veterans' Association of Kingston, held a meeting on Saturday evening to discuss further the filling of various local appointments and other matters of interest to veterans. Comrade J. W. Connor, G. W.V.A., occupied the chair.

The first item of business was the discussion of the appointment of a clerk in the city engineer's office. It was pointed out during the discussion that in May of last year a resolution was passed by the City Council providing that in filling all civic positions in the future preference be given to returned soldiers, and in making this appointment the council had acted contrary to that resolution.

It was also considered unfair to the veterans who were qualified for the position, that a young lady should be taken out of a lucrative position, which she still holds, and placed in the city's employ. The following resolution was passed:

"That steps be taken to have the appointment of clerk in the city engineer's office re-opened, and that the attention of council be drawn to the resolution passed last year providing that in filling all civic positions the preference should be given to returned soldiers, and that we request a hearing from the city council for the purpose of pressing our claims."

Further information was handed in regarding the appointments of medical officer and matron at the penitentiary. A letter from the chairman of the civil service commission was read in which it was stated that the appointment as temporary matron was made without the knowledge and authority of the commission. A strong demand will be made for the fullest possible investigation of all the facts.

In regard to the delay in making good the appointment of Comrade Bourdeau as issuer of motor licenses in Kingston, the commandant of the Army and Navy Veterans was authorized to secure copies of all the correspondence on this appointment from the departmental files in Toronto, so that it can be ascertained who are responsible for the delay.

The committee appointed to make arrangements for the assault-arms reported that Major-General V. A. S. Williams had graciously given permission to use the armories for this event on March 2nd. Special talent from Toronto and Ottawa is being arranged for, and several splendid items are being prepared by local boxers and wrestlers.

ONLY REPLY POSSIBLE IS "NO" SAYS ROWELL
U. S. The Only Nation to Object to Canada Having a Voice.

(Canadian Press Despatch.)
Ottawa, Feb. 2.—Dealing with the question of the voting power of the British dominions in the League of Nations in an address before the Canadian Building and Construction Industries Association here, Hon. N. W. Rowell said that no other nation disputed Canada's right to a voice in the League of Nations except the United States. He did not believe that the people of the United States would put themselves in the position of being first to object. Referring to the trouble over the treaty in the United States, he said:

"Stripped of all its diplomatic verbiage, the question which we face is, shall the dominions be denied distinctive voting rights in the league in order that one of the many objections urged by some United States senators be removed? To that question there is only one reply possible, and that is a dignified but unequivocal no."
