Few Visit Cape.

On account of the stringent vaccination regulations imposed by the United States government but few pleasure parties from Kingston have visited Cape Vincent this winter.

Recovering From Appendicitis.

Alma Trotter, daughter of C. W. Trotter, Johnson street, who recently underwent a serious operation for appendicitis, is reported to be doing splendidly. Her brother, who resides in Brandon, Man., is seriously ill with smallpox.

Want County Members.

W. K. Macneon, acting secretary of the Board of Trade, is sending circulars to all the Reeves of the townships in Frontenac county, as well as to other prominent county residents, inviting them to become members of the Board of Trade.

H. B. Trotter Home.

H. B. Trotter, son of Mrs. Trotter, Division street, who for the past few years has been residing in Saskatoon, returned to the city on Thursday and will remain for some time. On the way from the west he visited his sister, Mrs. (Dr.) J. Harvey, Sudbury.

Asked to Repeat It.

The concert by the children of Sydenham Street Methodist Bible school was so much appreciated by all who had the opportunity to attend that Mrs. Eaton and Mrs. W. M. Campbell, who were in charge, have been asked to repeat the cantata next week.

Change in Weather.

The change in the weather on Friday morning was greatly appreciated by the citizens. The cold weather during the past few weeks was certainly a great boon for the coal dealers. There were so many orders for coal that dealers had difficulty in delivering.

About the Weather.

The weather prophets have always held that the last three days of the month form a forecast for the weather of the next month. If this be true, February will be a month of low temperatures, for the last three days of January were the coldest of the season.

Lucky Kingston Barber.

Many amusing incidents took place at the hockey game in Belleville on Wednesday evening. A local barber walked up and down the ice carrying a lantern under his arm. He was evidently looking for the Belleville money as the report goes that he gathered in about a hundred dollars of bets that the Belleville team would win the round.

Hard on Our Yankee Cousins.

Cape Vincent Eagle:—No longer can liquor be taken legally into hotels or restaurants to be used on the tables. Liquor cannot be moved even from a man's house to his cottage, or camp. No longer can it be shipped from one place to another, even if it remains the property of the same man and is for his use. Liquor can no longer be kept in a ware or storehouse. It must be kept in the owner's house.

Liquor Still Missing.

Licence Inspector William McCammon is still on the lookout for the ten cases of whiskey which were sent

to Wolfe Island, but which have not been seen or heard of since it left the express office in Kingston. The liquor, in all likelihood, has been consumed.

Bad Hockey Fans.

Belleville Ontario: One Chinese restaurant proprietor had such a sad experience with out-of-town hockey followers about six o'clock last night, in alleged non-payment for meals and the disappearance of two paintings that his restaurant was in darkness when the match finished, as he did not wish any happy returns of his former unruly customers.

Arrange For Race Meet.

The members of the Brockville Riding and Driving Club will hold a meeting on Saturday evening for the purpose of arranging dates for a race meet to be held on the river within a short time. The track, which runs westward from the International Metal Company's plant, has been scraped and put in excellent condition for the races.

Collecting Funds for Seminary.

The Standard church of America, of which Rev. R. C. Horner is bishop, is conducting a canvass in Eastern Ontario for the purpose of raising funds for the building and equipment of a seminary, to be later developed into a university. A site has already been purchased in Brockville. The ministers of this denomination have already subscribed \$10,000 to start the fund.

Broad Inspection.

Questions are being asked as to what steps have been taken by the inspector of bread to put the regulations as to weight, etc., into effect. At a recent meeting of the Trades and Labor Council the matter was discussed and it was decided to ask the city authorities responsible for the enforcement of the particular by-laws relating to the manufacture and sale of bread to see that they are put into effective operation.

An Alexandria Bay Incident.

That her husband was too attentive to Jane Ogilvie and another young woman at the Thousand Islands House, Alexandria Bay, last summer, was the charge made by Mrs. Rose Robitsek in a suit for separation against Gustav Robitsek in New York on Monday. She was awarded \$50 alimony weekly pending trial. In an affidavit a hotel clerk said he found the two women in a room with Robitsek, who told him, the clerk said, that the girls were good sports and had plenty of money.

Alas and Alack!

Belleville Intelligence: Kingston players not only won the group placing Belleville team hors de combat, but actually beat them on their own ice. This was the unexpected part of the programme. When our boys returned home from Kingston on Tuesday morning after the game in that city on Monday night with only three goals behind they felt as did their supporters, as happy and jubilant as if the score had been reversed. All felt confident that when the return game was played home the Belleville team would not only wipe out the lead the Kingston team had secured, but would have a comfortable margin. Alas how their hopes were shattered.

Burial of Capt. Van Dresser.

The funeral of Capt. Milton B. Van Dresser, who died Saturday in Rochester, Minn., was held Wednesday afternoon at two o'clock from the home of his daughter,

Mrs. Climo R. Wiltsie, in Crossman street, Alexandria Bay. Rev. O. E. Raymond of the Methodist Episcopal church officiating. Burial was made in the local cemetery. Captain Van Dresser was born in Alexandria Bay fifty-eight years ago and had always kept a home there. For the past nine years, however, he had also kept a home in Kingston. He was twice married, his second wife being Miss Mabel Norton of Alexandria Bay. Besides his wife, he is survived by his daughter, Miss Eleanor Norton and a stepson, H. Arrie Norton, both of the Bay.

At St. John's Masonic Lodge.

Right Worshipful Bro. Andrew Gray, M.P.P., District Deputy Grand Master of the 14th Masonic District, paid his official visit to the Ancient St. John's Lodge No. 3, A.F. & A.M., on Thursday evening. Very Worshipful Bro. P. H. Burke presided and received the D.D.G.M. The work was exemplified by the master and officers of the lodge in a manner that evoked expressions of appreciation on the part of Grand Lodge's representative. The work of the choir, under Bro. Angus Orr, was particularly good. At the conclusion of the work refreshments were served and some splendid addresses were given by Right Worshipful Bro. Gray and members of the sister lodges present. There was a very large attendance of brethren from the city and outside points. Bro. A. Roney was elected a governor of the Kingston General Hospital.

Portsmouth Contributes Well.

On Wednesday evening the ladies of the Portsmouth United church held a banquet in connection with the coming Forward Movement campaign. Over seventy guests were present and greatly enjoyed the addresses given by ex-Mayor J. M. Hughes, and delegates from the Des Moines Student Volunteer convention. After the speakers had finished subscriptions to the fund were asked for and the response was so hearty that even the most optimistic were surprised. In a very few minutes the objective had been reached and long before the gathering broke up, the amount subscribed was sufficient to put this church "over the top." Portsmouth United church is the first in this district to gain its objective and as the campaign proper does not commence until February 9th still greater things are hoped for. Among the first subscriptions received were one of \$100 from the Presbyterian Ladies' Aid Society, and another of \$125 from the Y.P.S.C.E.

Has Lost 100 Young Men.

The local information office of the department of Soldiers' Civil Re-establishment has on file 1,000 applications from returned soldiers for jobs. Of this number 300 are from Belleville, 250 from Kingston and the balance from other points in the vicinity of Kingston. Within the past two months Kingston has lost 100 young men who went to jobs in other places. There is no relaxation in efforts to locate the men in jobs, and the office works in conjunction with the government employment bureaus and the local committee administering the returned soldiers' unemployment fund, which was a great boon providing against absolute need in a great many cases, a condition that was due to general slackening in industrial activities everywhere, but which is expected to improve with the opening of spring, and the inauguration of an industrial programme by the City Council and the Board of Trade. Much good is expected to result by the active co-operation of these two bodies.

Here's the Secret of Facial Beauty

No Matter How Disfigured With Pimples, Blisters, Blackheads or Muddiness the Use of Stuart's Calcium Wafers Works Wonders.

You will be astonished to see the wonderful change that so often takes place in just a few days after using Stuart's Calcium Wafers. Pimples, blotches, liver spots, blackheads, muddy complexion and skin eruptions affect the skin because it is one of the natural outlets of the body to rid itself of impurities. If you supply it with the proper material it will convert these skin poisons into a harmless substance to pass off instead of forming ugly accumulations in the skin. These Wafers contain the best skin purifier known to science—Calcium Sulphide.

Get a 50-cent box today of Stuart's Calcium Wafers at any drug store.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

WHAT'S IN A NAME?

Rotten Row is Where the London Swells All Go.

"Rotten Row" is an ugly name, but it is that given to London's most fashionable driveway. The strange part of it is that this homely appellation misplaced as it obviously is, was born of one of the most beautiful phrases in the French language.

When the Normans populated England after the invasion of 1066, it followed that they gave French names to many locations and places, not alone in London, but throughout England. So they named the driveway through London parks "Rome Road" (Rote of the King) because it led to the imperial palace. Time passed and the Londoner had great difficulty in pronouncing this phrase, and "Route du Roi" degenerated to "Rotten Row."

Rotten Row is one of London's show places, leading to Buckingham Palace from Hyde Park Corner. It is the centre of interest from a special standpoint, as it is the favorite drive of fashion. On Sundays the church parade is a most brilliant spectacle.

The French influence in nomenclature in London is evident wherever one goes. Charing Cross, which the modern Londoner calls the "centre of the world," is an English corruption of a one time French name.

When Edward the Confessor was bringing the body of his queen from North England his retinue in their haste to Westminster Abbey deposited the bier at nightfall when they struck camp. At each resting place a cross was erected.

Throughout England there are now towns, villages and hamlets which bear the name of "cross." One can thus almost trace the course of the cortege. The last resting place they reached before they got to Westminster was "Chere Reine Cross" (Dear Queen Cross), now corrupted to "Charing Cross."

"Birdsage Walk" in St. James Park, is an interesting example. Popular belief generally is that in medieval days they used to hang bird cages with song birds in them from the boughs of trees that were the walk, so that folk rambling by could be delighted with the music of the feathered warblers. This is erroneous. "Birdsage Walk" is nothing more than a corruption of the French word "boisage," meaning grove. And Birdsage Walk is indeed a pleasant grove where lovers have been rambling since the Norman conquest.

ANOTHER EPIDEMIC OF THE SPANISH INFLUENZA

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with some serious after effects such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes:—"I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."
