Inflammatory Rheumatism Cured by B.B.B.
Rheumatism is a constitutional disease, caused by the uric acid in the blood. It manifests itself by pain and lameness attacking the muscles and joints of the body, which often swell and become hot and inflamed. Anyone who has suffered month after month, and perhaps year after year, with rheumatism, and who has tried remedy after remedy in the hope of relief, and without success, should not give up hope. Burdock Blood Bitters by invigorating the digestive organs and eliminating the uric acid from the system, will give prompt and permanent relief.

"SYRUP OF FIGS" IS LAXATIVE FOR CHILD
"Look at tongue! Remove poisons from stomach, liver and bowels."

One Good Result Expected.
"One result of the successful Forward Movement campaign, I believe will be to get the so-called Labor and Capital to see from one point of view along the line of brotherhood. This has been achieved by Legislative and Labor have given liberally," said Rev. G. I. Campbell, chief organizer of the Montreal Methodist conference.

Kingstonians at Riverside, Cal.
A letter has been received from William Jackson, stating that he expects to leave Riverside, Cal., about the 20th of February and should arrive in Kingston about the 1st of March. He is in splendid health and has enjoyed his holiday in California very much. He has been there for the greater part of the winter and ex-Mayor H. W. Newman is at present his guest.

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless laxative or physic for the little stomach, liver and bowels. Children love its delicious fruity taste. Full directions for child's dose on each bottle. Give it without fear.
Mother! You must say "California."

Happy Days at "Avoonmore."
On Monday evening, Feb. 16th, the girls of "The Avoonmore" residence entertained themselves at an antioxine dance. After a delicious chicken dinner, the "gentlemen" escorted their partners to the drawing-room where they were received by the patroness of the evening, the Dean of the Avoonmore. The programme consisted of fifteen numbers, moon-walks being prevalent. After the ninth number a dainty supper was served. The girls are thinking of making this an annual affair.

Druggist Says Ladies Are Using Recipe of Sage, Tea and Sulphur.
Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Dandruff Surely Destroys the Hair
Girls—if you want plenty of thick, beautiful, glossy, silky hair do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

Hold Thanksgiving Service.
The members of the Prescott Methodist Church entertained the resident clergymen and canvassers for the Forward Movement, and their ladies. The meeting took the form of a thanksgiving service, followed by a banquet. During the past week there were subscribed for the Forward Movement \$13,500, while the combined objective of the three churches was \$8,880.

Provision for Soldiers.
The bulletin of the council for services of the Church of England in Canada for February contains an article from the pen of Bishop Biewell, in which the latter deals in an interesting manner with Canada's provision for returned soldiers, and for the dependents of those who lost their lives in or as a result of the service in the Canadian expeditionary force. It has been compiled with a view to suggesting a line of action for the church in relation to the returned men.
