Ted Lewis Jazz Band Makes Its First Record

The feature of New York's Greenwich Village Follies and headliner at Keith's Palace Theatre, the Ted Lewis Jazz Band, plays "Blues (My Naughtie Sweetie Gave Me)." This frenzied fox-trot gives you an incredibly swift succession of resounding syncopated shocks. Coupled with "India," another fine fox-trot. A-2798-90c

Here is the latest: It's a real fox-trot and it is called "O", incidentally introducing "The Vamp." It's real good and you will enjoy this welcome change from the usual songs. This record has "Barking Dog" on the other side, another good jazz. Ask for A2844-90c.

Have You Got This New One Yet By Al Jolson? It's Some Soug Hit

"YOU AIN'T HEARD NOTHING YET"

and on the other side is another coming song hit by Billy Murray: "Come On and Play With Me." It has a Frenchy accent and you will like the way it is sung. Come in to-day and get it. You will never regret buying A2336 for 90 cents.

EDWARDS CUP HOCKEY GAME

AT WOLFE ISLAND ON SATURDAY AFTERNOON LAST.

Only One Period Was Played, and Wolfe Island Lead by Three Goals to One.

A Wolfe Island correspondent writes: All roads in the country led to Wolfe Island Saturday to see the final game between Verona and Wolfe Island for possession of Edwards challenge trophy, emblematic of the championship of Frontenac. Verona came with about one hundred loyal supporters, confident of being able to lift the cup. Many others came from Harrowsmith, Sydenham, Inderary, Sunbury, Glenburnie, Joyceville, Cataragui and Kingston. It is estimated that at least 800 fans were present, showing the interest taken in the game, and Frontenac may well be proud of the two teams for the brand of hockey they displayed. Both played a clean, fast game, and would surprise many city teams playing in the O.P.A.

Dr. Edwards, donor of the cup, was present, and before the game started came to the centre of the ice, accompanied by Referee George Van Horn, and made a neat speech, hoping that the better team would win. He faced the puck, and the game was off. In less than a minute Wolfe Island scored on a nice wing shot by Ryan, almost from the face off. Spoor went through for the second score, and for a time Williams was bombarded with shots. With Wolfe Island a man short, Verona scored from a scratch in front of goal, and shortly after Ryan scored again for Wolfe Island, and the period ended 3-1 for Wolfe Island, they having all the better of the play. They had their checks smothered all the time and had Verona on the defensive all through the period, carrying the play right to these nets.

H. H. Card and P. J. Ryan had an excellent sheet of ice, but just before the game started a light snow fell, making the puck hard to handle, and Verona refused to start the second period, although Wolfe Island were anxious to finish the game. The great majority of the spectators wanted to see the game completed, and were rather disappointed at the way the game ended, although no blame can be placed on the Wolfe Island team, which re-

mained on the ice, and were anxious to play to a finish, confident that they were able to defend the cup successfully. By their showing in the first period it impressed the crowd that they were the better team. It would be hard to pick a star on Wolfe Island team. In Ryan, Healy and R. Spoor they have a fast, tricky line, who play well together and know the game. R. Spoor is one of the nicest stick handlers playing the game. B. Spoor and H. Davis on the defence broke up Verona rushes or chased the men inside the corners, and cleared clean and fast. Ryan in goal did well what he was called upon to do, but did not have nearly the work Williams had in goal.

Wolfe Island has every reason to feel proud of her team, and much credit is due their manager, William Davis, and Secretary D. Cosgrove for the showing the boys made. All are island boys, and learned the game here. Ryan Bros., Spoor Bros., Crawford and Healy are all ex-pupils of Secretary Cosgrove, the village teacher, who has always taken an interest in clean sport, and who thinks athletics is so important to a child's health and trains the mind as well as any subject on the curriculum.

To Harry Card, "supreme roofer," belongs much credit. Harry always said, "Sure, we will win," and results showed he was right. Four of the present team, Spoor Bros., Ryan and H. Davis, were players on Wolfe Island team when they won the cup in 1915. The teams lined up as follows:—Goal, A. Ryan; R.D. B. Spoor; L.D., H. Davis; centre, R. Spoor; R.W., V. Ryan; L.W., Healy; subs, Crawford and O. Davis.

Verona—Goal, Michael Williams; L.D., E. Trousdale; R.D., J. Williams; centre, Martin; L.W., K. Trousdale; R.W., Davey; subs, Burnett and Craig.

Another Baseball Suit. Another baseball suit soon may be aired in court. It is reported that Heinie Zimmerman is about to resort to law to collect his share of the Giants' end of the last world's series. It will be remembered that the other Giant players voted not to award a portion of the spoils to the Great Zim, it being their contention that had Heinie taken proper care of himself at critical stages of the last campaign the club might have won the pennant. Heinie announced that he intended to appeal to the National commission to collect the amount he feels is his due, but it is now said, that, having caught the spirit of the times, he will go over the heads of the members of the commission and haul his teammates into court.

"Curly" Brown has retired from the active management of the Hamilton track. Frank Bruen replaces him. John ("Mugsy") McGraw, of New York baseball fame, will act as steward. Lew Edwards, of Australia, has signed to meet Mitchell at Milwaukee, Feb. 28th. Carpenter is willing to accept Fox's offer of \$250,000 to meet Dempsey.

U.S. BILLIARDISTS OUTLASSSED BY HOPPE

Realizing that the supremacy of Willie Hoppe over the other professional ball-line billiard players in the United States is so pronounced as to make future matches to arouse interest somewhat doubtful, a determined effort is to be made during the coming summer to persuade the best players of Europe to come over next winter, either to take part in the championship tournament, which would then assume the desired proportions of a world's titular affair, or to engage Hoppe in a series of matches.

Their failure to make a more favorable impression against Hoppe and the latter's indisputable mastery over the American veterans has caused despair of the development of promising opponents for him by the time the next tournament is held. For this reason it has been decided to invade Europe, asking cueists of France and Belgium to come to the United States. Edward Horemans of Belgium was showing great ability as a ball-line player, and his frequent runs of 200 and more have stamped him as one of the very few players who might have a chance against Hoppe.

Broadbent of Ottawa Hurt. The Ottawa hockey team will be without Gerard and Broadbent in all probability when they play Quebec in their National League fixture Wednesday night. Broadbent, as a result of the blow received from Bert Corbeau, is laid up at his home under the care of Dr. Lorne Graham, the club physician, while Gerard's wife is still dangerously ill. The Senators will start out with Denenny on the line in place of Broadbent and Boucher will replace Gerard on the defense. They will take no chances on losing to Quebec, as Toronto's win over the Bulldogs tied them with Ottawa for first place in the championship race. Broadbent was able to sit up to-day, and his forehead is healing, but his left eye is in bad condition, and he may be out of the game for a week or so.

World's Record for Lewis. According to advices received from England, where Ted Lewis is boxing, a new record was recently made for the English ring, when Lewis knocked out Frank Moody of Pontypridd in the lightning time of eight seconds at Manchester. Moody delivered only one punch—a left to the head—while a left to the face and a right to the jaw finished all Moody's fighting for the night. A large crowd of sportsmen from all parts of the country were present, many making the journey from London.

Canadian Boxing Finals. It is announced that the Ottawa Boxing Commission has been awarded the Canadian championship finals and that they will be held in April, probably at the Rideau rink. It will be a two-night tournament, and the winners will go into the Olympic finals.

Bad Breath IS CAUSED BY CATARRH

Canadians suffer more from Catarrh than from any other disease. On this account Catarrh is dangerous and should be checked at the outset. It isn't necessary to take internal medicine to cure Catarrh. There is a far better method.

Doctors now treat Catarrh by sending a purifying, healing vapor through the breathing organs. In this way the germs of Catarrh are destroyed.

The only successful vapor treatment is CATARRHOZONE, which the patient breathes through a special inhaler to the real seat of the trouble. The rich, piney essences of Catarrhones, heal and soothe all inflamed surfaces. They effectively treat the nose, throat, and lungs with a powerful antiseptic that destroys irritation at once.

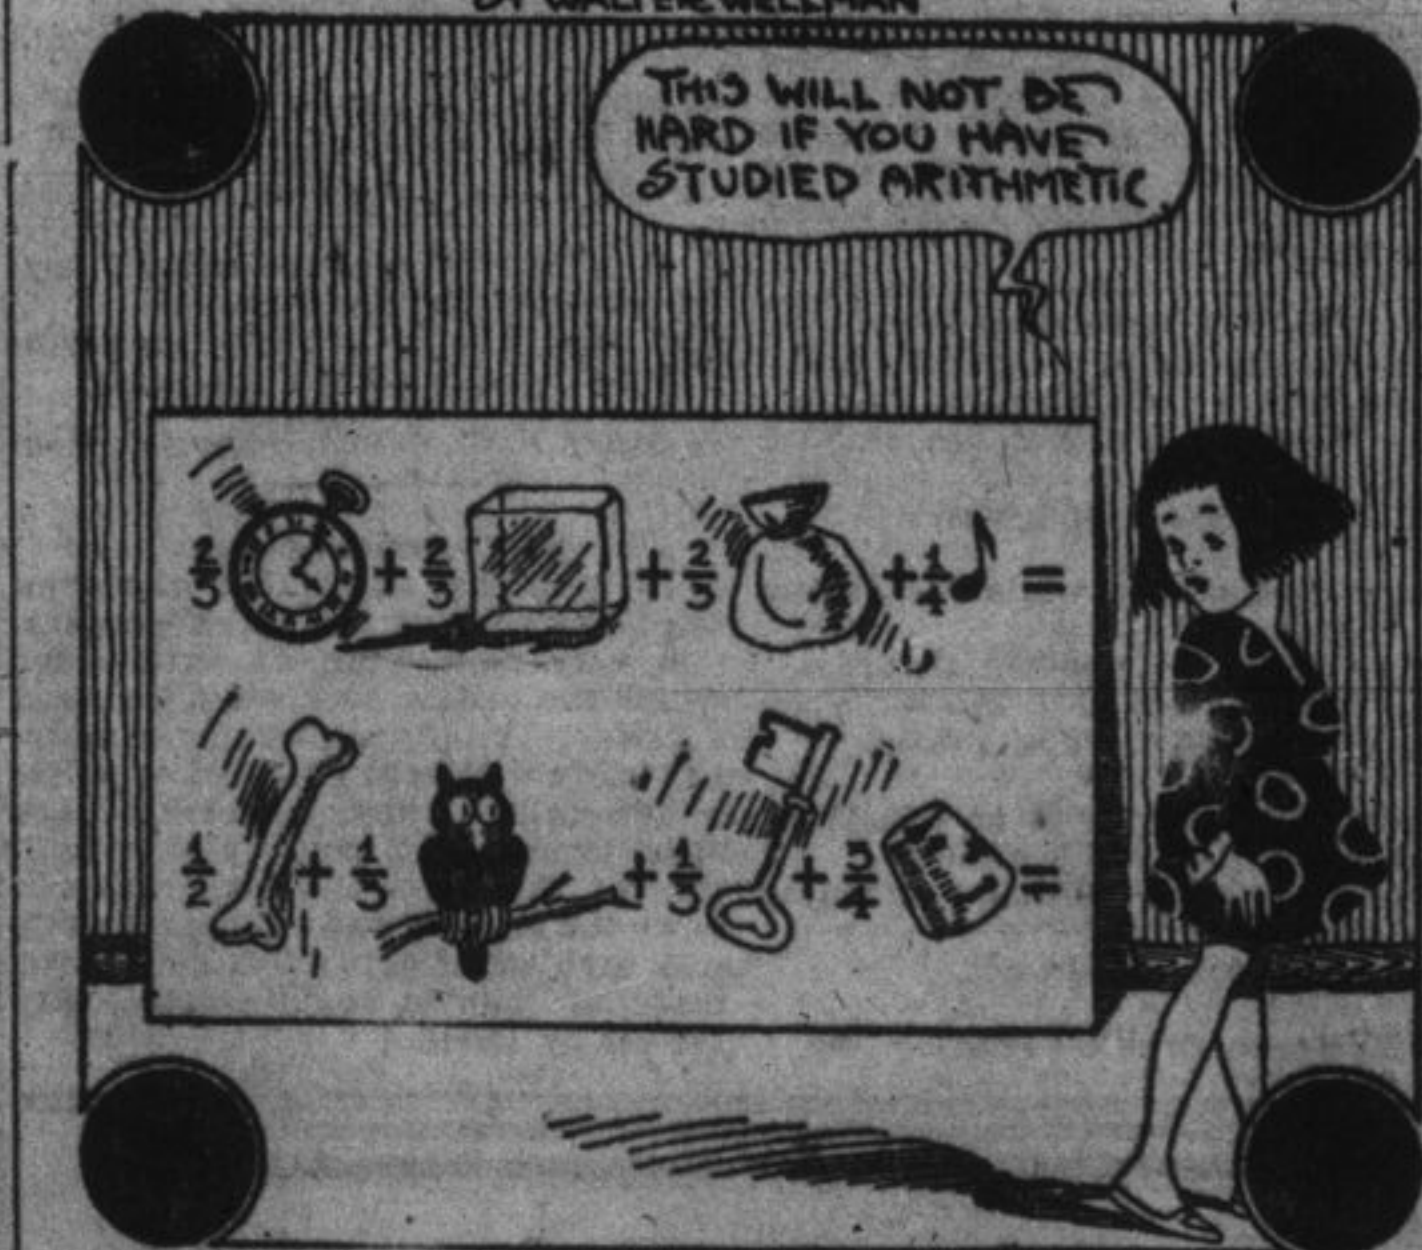

Catarrhones brings into the system the balmy air of the pine forest. It cures completely colds, coughs, catarrh, weak throat, and bronchitis.

Once tried, Catarrhones is always used. Nothing so pleasant, so simple, so quick to relieve, so absolutely sure to permanently cure. Accept no substitute. Large size lasts two months, and costs \$1.00; small size 50c; sample trial size 25c; at all dealers.

Select Medicine Carefully

Purgatives are dangerous. They rippe, cause burning pains and make the constipated condition worse. Physicians say the most ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut; they are exceedingly mild, composed only of health-giving vegetable extracts. Dr. Hamilton's Pills restore activity to the bowels, strengthen the stomach, and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c box yourself.
