SAGE TEA KEEPS YOUR HAIR DARK
When Mixed with Sulphur It Brings Back Its Beautiful Lustre At Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and locks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeath's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one strand at a time. By morning, the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

After a pleasant evening spent in social intercourse and games, Claude Vandervoort read an address, and Miss Grace Thompson made the presentation of a purse of money to Miss Cole, who replied feelingly, although taken completely by surprise. Methodist Conference Results.
The Methodist churches in the Montreal conference are in the happy position of having largely exceeded their objective before the end of the campaign. It is likely that it will be found, too, that, comparatively speaking, the Montreal conference has done actually better than the other conferences of the Methodist church in Canada. The total amount raised, when the final figures are in, will be near \$600,000, which will mean an excess of about \$100,000 over the objective aimed at.

The bride also, who had taken a course of training as a nurse, enlisted for overseas service and joined the Orpington Hospital Corps in 1915 returning home in April, 1919. After an elaborate lunch was served the happy couple left on the C.N.R. at one o'clock to spend their honeymoon at ToFond and points west. On their return home Mr. and Mrs. Whaley will begin housekeeping in the late residence of the bride's parents, where they will be pleased to receive with true hospitality, their friends of Tamworth and surrounding district.
