AT LAST THE LONG FELT WANT Pasteurized Ice Cream For Kingston For 1920

I take the opportunity of drawing your attention to the fact that I am building a new factory for the purpose of manufacturing Ice Cream in any quantity. This is the largest factory between Montreal and Toronto, devoted exclusively to the manufacturing of high-grade Ice Cream, and will be fully equipped with improved machinery, including Pasteurized Brine-Freezers and Sanitary Appliances of the latest type; also dry, cold storage for hardening goods prior to shipping, and a complete ice-making plant. With the opening of the Ice Cream season, April 1st, I will be prepared to supply your needs in either bulk or brick form, which will reach you in better condition than if shipped from Toronto or Ottawa, and at a great saving of expressage and ice. I have engaged the services of an experienced Ice Cream maker, and can promise both quality and prompt shipments. Call and inspect our new factory when visiting Kingston. Trusting I shall have the pleasure of supplying your demands during the coming season. GEORGE MASOUD, 228 PRINCESS STREET, KINGSTON.
