

### GAMBLING CASE IN POLICE COURT

(Continued from Page 1.)  
 William Boyd, called by Mr. Whiting, said he was an honorary member of the Army and Navy Veterans' Association, and paid his dues. He was playing poker at the Army and Navy rooms on the night of Feb. 21st from about eight o'clock till eleven. He paid \$5 to Weir for "chips." Weir had charge of the room.  
 "Was any part of your \$5 kept back by Weir?"  
 "Yes."  
 "Is that the custom?"  
 "Yes; they keep a quarter."  
 "What is it kept for?"  
 "For buying up cigars or anything you want from the canteen."  
 "And these are purchased from the canteen through Weir?"  
 "He goes down and gets them."  
 "How many were playing in the room that evening?"  
 "I think there were six in this one room."  
 Witness said the game was played in a small room.  
 "What was going on in some of the other rooms?" asked Mr. Rigney.  
 "They might have been playing euchre or checkers."

**Also in the Game.**  
 John Gallagher, who also took part in the card playing at the Army and Navy rooms on the night of Feb. 21st, gave evidence. He told of buying \$5 worth of "chips." Of this amount \$5 cents was taken out and used in buying refreshments.  
 Mr. Whiting wanted to know if the witness had been talking over the case with Sherman or some of the others who had been playing in the game.  
 "No, I have not," said the witness.  
 "Have you talked it over with any person?" asked Mr. Rigney.  
 "No, I have not," said the witness.  
 Questioned by Mr. Rigney, witness said that if a person lost \$5 worth of "chips" and desired to get more, the \$5 cents he paid for the first lot of chips covered the entire cost.  
 To Mr. Whiting, witness said that the ante was 25 cents and the limit \$1.  
 "So a man could stay in all night on \$2 worth of 'chips,'" remarked Mr. Whiting.  
 The evidence of Gallagher closed the case.  
 Mr. Rigney, in his argument, pointed out that the 25 cents collected from each player in the game was spent in refreshments. The place where the playing was engaged was used as a resort for members of the Army and Navy, and none but members were allowed to take part. The question was as to whether the person in charge of the game derived any gain. In this case it had been shown that there had been no benefit derived except from the sale of refreshments served by the Army and Navy canteen. This gain, which was very small, was shared by all the members of the association. The cards were purchased from a store on Princess street. The defence denied that the magistrate had announced that he would give his decision in the case on Friday.

**John Gallagher Fined \$400.**  
 In Police Court on Monday morning, Magistrate Farrell gave his decision in the second charge of selling liquor, which was lodged against John Gallagher.  
 The magistrate found Gallagher "guilty," and imposed a fine of \$400 and costs with the option of three months in jail. The other charge, that of having made a sale on Feb. 21st, was dismissed by the magistrate on Friday last.

The charge against James Delph, that of selling liquor, was on the magistrate's bill-of-fare on Monday morning. Delph was taken into custody as a result of the raid made in Kingston last week by provincial "spotters."  
 The accused denied the charge, and had Mr. Smith on hand to defend him. C. H. Webster was present for the prosecution.  
 Detective Coates swore that at 1.50 p.m. on Jan. 30th, he purchased a bottle of liquor from Delph in the stable of a nearby hotel. The detective said that he paid Delph \$7 for the liquor.  
 The taking of evidence in the Delph case occupied considerable time. The accused produced witnesses, who swore that the accused was engaged in killing a calf at the time it was alleged he had sold the bottle of liquor to the detective.  
 Mr. Smith, of Cunningham and Smith, appeared on behalf of Delph, and the case was eventually adjourned for a day in order to give the accused time to produce more witnesses.  
 The case against Barney Birmingham charged with selling liquor, was resumed at 2 o'clock on Monday afternoon.

**Another Fine Imposed.**  
 The case against Birmingham was concluded at 2.30 p.m. Magistrate Farrell returned a verdict of "guilty," and imposed a fine of \$600 and costs or three months.  
 All the liquor cases arising out of the work of the government "spotters" have now been disposed of with the exception of the charge against James Delph, and this will be resumed Tuesday morning. Five convictions have been registered, and the fines imposed total \$2,300.

The strike among the natives at Johannesburg, South Africa, which has been in progress for some time, seemingly is collapsing. Thousands of the workmen are returning to their jobs. There has been no disorder.  
 The C.P.R. have resumed business relations with Germany. Offices have been opened in Hamburg under charge of their former agent, Carl F. A. Flügge, and freight will be accepted where it offers.  
 The Soviet Government of Vladivostok has made a demand on Japan for the return of Gen. Razanoff, former governor-general of the Russian maritime provinces.  
 Frank Vickers, of Hamilton, identified the man found in the bay after the woman drowned herself there Friday, as having belonged to his wife.  
 Patrick R. Owens, the first and only reeve of Clisholm township, first elected in 1912, died of "flu" and pneumonia.

**K.C.I. Hockey.**  
 The championship games in the Lockett shield series are being played off with considerable enthusiasm. On Thursday evening I.L.C. and I.C. met in the first game of their finals for lower school championship. I.L.C. won by a score of 6 to 0, but as a handicap is put on I.C. they are not sure of the series.  
 On Friday night I.V.B. met H.I.B. in the first game for middle school honors. I.V.B. won by a score of 8 to 3. They also have to overcome a handicap.  
 It is expected that all the scheduled games will be finished this week.

**To Play In Ottawa.**  
 Toronto Mail and Empire: McGill Varsity will play a sudden-death game in Ottawa this week to decide the senior intercollegiate championship. The date has not been decided upon, as it is not yet known what dates are available at the Ottawa Arena. Varsity would have liked to have played home-and-home games, but the intercollegiate constitution says that in the event of a tie between Varsity and McGill a sudden-death game must be played at either Ottawa or Kingston.  
 Why is this game not played in Kingston? It is asked.

**Robbers Enter Toronto House - A Fight in the Dark Ensued.**

(Canadian Press Despatch)  
 Toronto, March 1.—Creeping into their room at two o'clock this morning, when the household were asleep, two robbers inflicted dangerous and terrible wounds on the faces, chests and throats of William Wahculak and William Tenluck. The wounded men were also robbed of \$150 cash, which was taken from under their pillows. The room from appearances was the scene of a horrible struggle. Both men were sleeping when attacked. Tenluck had planned to return to Europe, for which purpose he was reported to have \$2,000 on his person. The robbers made their attack before their victims were aware of their presence. Fighting in the dark the two men, by their furious defence, roused the rest of the household, but not before their assailants had made good their escape.

### GANANOQUE

(From Our Own Correspondent.)  
 March 1.—On Saturday evening at the Park rink a large crowd of hockey lovers assembled for the exhibition game between a picked team from the Inter-church League and the Joyceville team. The score stood 7 to 2 in favor of the town team.  
 Mr. and Mrs. Byers of this town are mourning the loss of their little son who passed away the latter part of the week after a short illness. Interment was made yesterday afternoon at the vault at Gananoque cemetery.  
 No. 2 Company Grace Church Boy Scouts had a thrilling experience on Thursday evening last, when after a trip to Lansdowne, where they won a hockey game 12 to 0 from the Lansdowne scout team, in the drive home at Acton's hill, a couple of miles east of the town, a breakage of the harness of the rear team rendered the horses unmanageable, the rear team running into the one ahead. Several of the lads received injury, but not of a serious nature. One sleigh was considerably broken and one horse quite badly cut.  
 At the lecture hall of Grace church on Friday evening at eight o'clock a very enjoyable meeting was held under the auspices of the good citizens committee of the Young People's Society of that church.  
 J. A. Jackson, Pine street, spent several days during the past week in Toronto on professional work.  
 Rev. W. S. Lennox, who will complete his fourth year in Grace church at the time conference meets in June, has received from the official board of that church an unanimous invitation for a fifth year as their pastor. Added to that is an increase in salary up to \$1,800 for the coming year.  
 George A. Smith, Garden street, spent several days during the past week in Toronto on business.  
 The local canvassers for the Soldiers' Memorial Fund started their canvass this morning. About \$4,000 is still required to make up the required amount.
