A happy christening took place in St. George's cathedral, Sunday afternoon, at four o'clock, when the infant daughter of Major and Mrs. E. H. Birkett, Cobalt, and granddaughter of Mr. and Mrs. J. H. Birkett, Bagot street, was made a member of the Anglican church and received the name of Katherine Elinor Hooper. This wee girl has the honor of being the first girl in the Birkett family for over a hundred years, so a number of friends gathered at the cathedral to take part in the rejoicing and witness the sacrament, which was administered by the Dean of Ontario, assisted by Lieut.-Col. the Rev. Alfred H. Creagan. The latter was chaplain of the Canadian Engineers, First Division, in which Major Birkett served for nearly five years and won great glory. During the impressive service, R. R. F. Harvey played softly on the organ, and at the close, in his sweet soprano voice, Master Peter Fair sang the baptismal hymn, to a very beautiful setting composed by Mrs. J. H. Birkett. Afterwards the proud grandparents entertained delightfully at tea, when all sorts of good wishes were showered upon wee Katherine, who also received many beautiful gifts and flowers.

On Saturday evening the officers of the R.C.H.A. entertained delightfully at Tete du Pont barracks in honor of the visiting members of the Montreal Tennis and Badminton Club. The R.C.H.A. band was in attendance and played for dancing, while bridge tables were provided for those wishing to enjoy a game. Towards midnight a delicious buffet supper was enjoyed. Among the guests were Col. and Mrs. J. Norman Stuart Leslie, Lieut.-Col. and Mrs. W. H. P. Elkins, Lieut.-Col. and Mrs. Francis Constantine, Lieut.-Col. and Mrs. E. W. Lawson, Capt. and Mrs. Howard Penhale, Mr. and Mrs. P. G. Campbell, Mrs. Charles Constantine, Miss Aileen Rogers, the Misses Kathleen and Edith Carruthers, Miss Phyllis Williams and the visiting members of the Montreal Badminton Club.

Mrs. Matthew Graham, Earl street, held her first reception since coming to Kingston on Thursday afternoon, when her pretty rooms were crowded with visitors anxious to welcome this young matron to the Limestone City. The drawing room, where Mrs. Graham received, was sweet with the scent of lovely flowers, roses and marigolds being artistically arranged, while a fire burned merrily in the grate. Mrs. Graham wore a very becoming frock of navy blue taffeta and georgette, a lovely corsage bouquet of pink sweet peas adding a very pretty touch. Mrs. T. W. Rowland and Mrs. Thomas Mills presided in the dining room, where a handsome Madeira cloth adorned the dining table, while golden daffodils in a cut-glass vase made a spring-like centre piece. Silver candlesticks, with yellow candles, cast their flickering lights upon the table. Mrs. Ross McRae and Miss Willa Dusty assisted in looking after the wants of the numerous callers.

General Victor Williams and Miss Phyllis Williams were the host and hostess of an enjoyable dinner party of twelve on Friday evening, in honor of their guest, Mrs. Frederick Stevens, of the Montreal Badminton Club. Mrs. J. B. Carruthers "Annandale" was also a dinner hostess on that evening, when some of the visiting members of the Montreal Badminton Club, were the guests of honor.

Several teas were given last week in honor of Mrs. McCardie and daughter, Hilda, of Melbourne, Australia, who were the guests of Mrs. T. A. Hanley, Wellington street. Mrs. McCardie was the wife of the late Dr. E. L. McCardie, an ex-graduate of Queen's University.

The curling tea on Tuesday was splendidly attended; five tables of bridge were in play and quite a few dropped in at the tea hour. The refreshments were served by Mrs. Dawson's rink.

To Absorb All Labor.
By an arrangement with the employers and the various labor unions, A. W. Stroud, the local secretary of the employment bureau, hopes to see all labor absorbed by April 1st. On this date the Government unemployment allowances cease and no applications for financial relief will be accepted and no shaghees will be issued afterward, and an order has been issued requiring the placing of posters in the offices of the bureaus announcing the fact so that all men may know of it.

Much sympathy is felt for Mr. and Mrs. Charles N. Brown, Fairfield East, in the loss of their eldest daughter, Lillie, who became the wife of Oscar Cole, Frankville, about one year ago. The deceased was stricken with influenza which ended in pneumonia. Death claimed her on February 28th.

Just One Piece In It

The SHARPLES BOWL is easy to clean and hard to hurt. It has no discs. It's a plain, strong tube—simply run a brush through it and it cleans. SHARPLES BOWLS in use 12 or 18 years are still in perfect balance, for there is nothing in them to get bent and throw them out of balance. Owing to its small diameter the SHARPLES BOWLS creates DOUBLE SKIMMING FORCE, because the milk is always making a sharp turn, thus the cream is extracted more thoroughly. This Bowl is also remarkably long, milk travels further, while the entire skimming force is working on it. But its greatest feature is that it will skim clean regardless how fast or slow you turn it.
