From a Child Was Constipated

According to the best medical authorities, fully three-fourths of the people of the civilized world suffer in some form from constiveness or irregular action of the bowels. There is no doubt that many distressing diseases are caused by constipation. It gives rise to sick and bilious headaches, jaundice, heartburn, floating specks before the eyes, catarrh of the stomach, biliousness and the painful, troublesome piles. Therefore, it is of supreme importance to health that the bowels be kept regular. Simple food, fruit, etc., should be used, and rich food and stimulants of all kinds avoided. This, with the use of Milburn's Lax-Liver Pills to regulate and establish healthy action of the bowels cannot fail to give permanent relief in the most obstinate cases.

Mrs. Letitia Wainman, Orillia, Ont., writes:—"From a child I was always very badly constipated, and I can well remember when quite young, my mother giving meenna tea nearly every morning, and I got to dread it. After taking Milburn's Lax-Liver Pills for a while I am not troubled with constipation any more."
 Milburn's Lax-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Movement fund has now reached \$720.

Acted Without Authority.
 At the Board of Education meeting a recommendation of the property committee was for a sink and other conveniences for the collegiate gymnasium. The cost was \$102.40. The accurate figuring led to enquiry, and it was found that the committee had had the work done without consulting the board. "We did it on the faith that the board would pay for it," was authorized and a warning issued that no committee should act without authority and presume on the good nature of the trustees.

Dairy School Examinations.
 The examinations for the Kingston Dairy School were concluded Thursday, and the examinations on the work of the year will be started on Wednesday next under L. A. Zufelt, superintendent of the school. The examination will be for the qualifications in the making of cheese, butter and the testing of milk. Certificates will be issued to all successful candidates. There was a good class during the past year, and the record of the prizes awarded to eastern Ontario at the Toronto, London and Ottawa exhibitions for cheese and butter is regarded by officials and dairymen as evidence of the valuable service rendered by the dairy school to agriculture in this part of the province.

 She's up and at Her Work Again
THAT'S WHY MRS. KARGUS RECOMMENDS DODD'S KIDNEY PILLS
 Lynedoch Lady States That She Was So Weak She Could Not Get Out of Bed Till She Found Relief in Dodd's Kidney Pills.
 Lynedoch, via Wolfe, Ont., March 12th.—(Special)—"I feel like telling everybody about what Dodd's Kidney Pills did for me." This is the joyful exclamation of Mrs. Frank Kargus, a well known and highly respected resident here. Mrs. Kargus gives splendid reasons why she is so enthusiastic over Dodd's Kidney Pills.
 "I don't know the cause of my trouble," she says, "but I know it dragged along for over a year. I had a bad pain in my back and I was so weak that I could not get out of bed. My heart troubled me very much and my sleep was broken and unrefreshing."
 "I was always tired and nervous and sometimes I was so bad I thought I could not live much longer. I tried two doctors and they did not do me much good so I tried Dodd's Kidney Pills."
 "They have done me a lot of good. I can do my housework again and I am getting along fine."
 Mrs. Kargus troubles are all symptoms of diseased kidneys. That's why she got such prompt relief. Ask your neighbors if Dodd's Kidney Pills do not relieve all kidney ills.
