The Allan Cup goes west. Falcons won the round by 11 to 5. The Falcons will sail on April 3rd to represent Canada at the Olympic games.

World of Sport

Baseball Briefs

BILLY MURRAY, veteran major league manager and scout, is acting as business manager of the Pirates on the Spring training trip this year. Several of the Pittsburgh recruits were recommended by Murray.

Georgia has been picked as the training ground of the Braves and Tigers and three minor league clubs, Toronto, Columbus and Indianapolis.

George Gibson will have a nifty outfield if Grimm makes good at first base for the Pirates. This will allow Whitted to do outfield duty with Carey and Southworth.

The Washington Club has scheduled twenty-eight exhibition games this Spring. The Senators will engage in eighteen with Cincinnati, one with Brooklyn, three with the Tampa Club and six with the Cuban Stars.

Pawhuska, Okla., showed its baseball enthusiasm when the opportunity arose for that city to get a franchise in the Western Association. The sum of \$10,000 was raised on the sale of 200 season tickets.

The twenty-three metre Shamrock is likely to be used in the America's Cup races this year instead of the Shamrock IV.

A Sickly Wife No Fit Mate For Any Man

GIRLS AND WOMEN SHOULD LOOK WELL TO THEIR HEALTH AND STRENGTH

Never before was physical health and vigor so highly esteemed and so eagerly sought for as to-day.

No man finds happiness in a sickly wife, and the woman who wishes to enjoy the pleasures of life should spare no effort to maintain perfect health.

Is your daughter growing up strong and ruddy? Has she strength to drink in greedily all the pleasures that youth so zealously seeks—or is she compelled to use the street car instead of enjoying the delightful exercise of walking—does she after the ball arise refreshed and vigorous, or is she exhausted, indifferent, and perhaps irritable?

When strength and vigor can be so easily maintained by Ferrozone, when the glow of health is so quickly brought to the cheeks and elasticity to the step, it is plainly a mother's duty to see that Ferrozone is on hand to assist her daughter back to health.

Upon the wake of Ferrozone quickly follows a stream of rich, nourishing blood which imparts that power and surplus energy so earnestly desired by those in ill-health.

Stop and think what this means for your daughter—certainly a great deal, and it can be accomplished by Ferrozone.

Every growing girl and young woman derives enormous benefit in many ways from this nutritive, vitalizing tonic.

It is specially suited for young women and is a guarantee of health and regularity as long as it is used.

Ferrozone is free from alcohol and perfectly safe to use. Prepared in the form of a chocolate-coated tablet and sold in five boxes or six for \$2.50, at all dealers.

JIM THORPE STILL KING OF GRIDIRON

Jim Thorpe's gridiron deeds and capabilities still are fresh in the mind of the football loving public.

An overwhelming respect for the redskin's prowess also exists among football players, especially those of midwest professional teams which got into action against Thorpe's Canton Tigers.

The season drew to a close without any eleven considering Thorpe's sporting proposition of a \$1,000 bet that he could make the required ten yards in four downs against any team in the world.

No college team would think of placing its prowess on so commercial a basis and no professional team seemed willing to take the chance.

Thorpe is 36 years old and has been an active athlete in all branches of sport for more than 15 years, yet the accounts of the games played by Canton prove him to be apparently as good as ever. Every game finds the peerless Indian doing the stunts that stamped him as the greatest of them all in the days of the Carlisle Indians.

The Indian has won more games by individual play than any other gridiron star. His single-handed defeats of Harvard, Army and Pittsburgh will never be forgotten. There is nothing he cannot do on a football field.

INTERPROVINCIAL RUGBY LEAGUE

At the annual meeting of the Inter-Provincial Rugby Union, held in Montreal, changes in the playing rules was the most important business transacted, and a copy of the amended rules of the intercollegiate will be gone through by the Inter-Provincial executive before a final decision is reached. The greatest change made in the college game is to the rules governing off-side play. Next season each club will be entitled to nominate three board officials, and at the next meeting in September these names will be given in by the clubs and the official appointed for each game when the schedule is arranged. The meeting was presided over by President William Ewing and the following were in attendance: George Church, of Ottawa; Harold Isbister and Wally Barron of Hamilton; F. Sullivan, of Argonauts; P. F. Roberts, Alf Johnson, E. S. Hamilton and Secretary, R. E. Melville, of Montreal.

Officers elected were: President, Robert Isbister; vice-president, George Church, Ottawa; second vice-president, Smirle Lawson, Argonauts.

WITH THE GOLFERS.

Word comes from Toronto that at last a determined effort is to be made to get a Municipal golf course started in that city. A committee has been appointed and facts and figures are being secured from the officials of the many Municipal links both in Canada and the States. When these are received and compiled, the powers that be will be approached and there can be little question of the result of the interview if Toronto civic officials are at all amenable to reason; both from an advertising and financial standpoint, the experience everywhere is that a Municipal golf course can be run without any loss to a community; in fact can be easily made to show a profit and that it attracts many visitors, besides making for the health and enjoyment of hundreds in the community unable to join an expensive private club, does not admit of an argument.

The members of the Brantford Golf and Country Club last week went out on a campaign, to raise \$50,000 on the \$25,000 which it is eventually intended to spend on the enlargement of the club house and course. The "drive" was engineered along "Victory Loan" ideas, captains being appointed of half a dozen teams, who reported at a luncheon every day. The results were most gratifying, the teams going well over "the top" in the \$30,000 objective. This golf campaign of the Telephone City is so far the most ambitious of the 1920 season, although many other clubs are arranging for big expeditions this year, including an expenditure of \$350,000 by a well known Montreal club on a new club house, which will be easily the most modern and up-to-date building of the kind in the Dominion. Members will vote on the project next month.

JACK JOHNSON ARRIVES AT MEXICAN BORDER

Jack Johnson, former heavyweight champion, arrived at Mexicali adjoining Calexico, California, but across the international line in Mexico, Tuesday. Johnson was accompanied by his wife, his nephew and his wife's maid. He came from Mexico City, and was carrying a passport purporting to have been issued by the United States embassy at Mexico City.

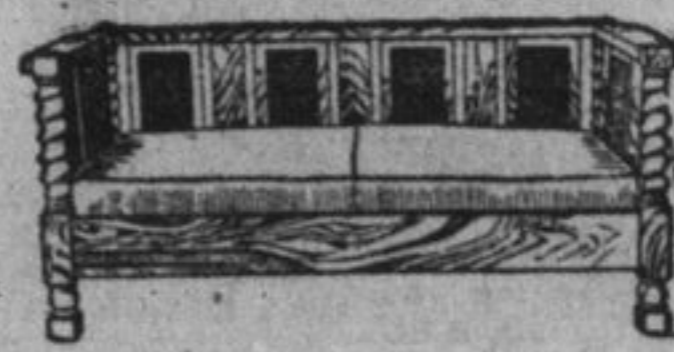

Johnson began negotiations to-day for a fight at Mexicali in the near future. He also signed an agreement to give an exhibition boxing match at Mexicali Sunday. Johnson said he expected to return to the United States and get squared with the federal authorities soon.

He said he would then take up his former occupation of boxing and would sign for a theatrical tour.

In Semi-Pro Baseball League. The Brockville Baseball Club, which this year expects to enter the semi-professional ranks, was organized at a large and enthusiastic meeting of fans. Among the officers elected was Hon. G. F. Graham, ex-minister of railways, who was first named on the board of management. Other officers are: President, George Ballance; vice-president, G. E. McGlade; secretary, W. T. Johnston; treasurer, J. C. McClean; manager, F. C. Vanliven.

There are seven head on the string of racehorses which the Prince of Wales will send to Canada this season. The horses will be raced on the western courses.
