QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

The members of the two auxiliaries in Stratford entertained at supper the first evening, and the members of the Stratford Presbytery the second.

The principal outside speakers were Mrs. L. Cobon of Sasalpur, India, and Rev. Colin Young, superintendent of missions in Saskatchewan, whom many Kingstonsians will remember as a champion athlete and football player in the good old days of Guy Curtis, "Jack" Mowat, Arthur Ross and others of his classmates. His college enthusiasm is still with him in his present work, which is chiefly connected with the Ukrainian and Ruthenian settlers. Among other interesting facts told about these people, was one quite new to most of the women, namely that 600 years ago the Ukrainians had the best schools and the best educational system to be found anywhere in Europe. It was only after they fell under the

DOMINION GOES BACK TO PEACE BASIS TONIGHT

OTTAWA, Dec. 31.—Tonight at midnight all orders-in-council passed and enforced by virtue of the War Measures Act become ineffective, some hundreds of orders being numbered in those which no longer will be law. Commenting on this, a member of the cabinet stated Tuesday that contrary to the interpretations of the rescinding orders-in-council, which had been published, the order-in-council relating to censorship is among those rescinded from Jan. 1.

URGE CONTINUANCE OF PRESS CENSORSHIP

TORONTO, Dec. 31.—The Methodist Ministerial Association has passed a resolution requesting the Dominion Government to consider carefully whether full press-war freedom of speech and press ought now to be restored. The association does not go so far as to endorse the view that one of the chief causes of the prevailing unrest is the restrictions upon freedom of speech and press.

Muscovite rule that their schools were suppressed and they were ground down under the heel of autocracy. For many generations they were the buffer state between the Tartar hordes of Asia and the more civilized races of Europe.

Mrs. A. D. McIntyre gave a very interesting account of her experiences in charge of a mission field in Southern Alberta. Miss Fraser, editor of the "Messenger," gave a fascinating address on the meeting of the Federation of Women's Mission Societies of North America, held in New York and New Haven to which she was one of the Canadian delegates. The Forward Movement was dealt with in a masterly manner by her.

An interesting innovation was the addresses of welcome given by the mayor on behalf of the City Council, and by Rev. Arthur Hale for the Ministerial Association, by request of these organizations.

There was an attendance of 457, exclusive of the Stratford members, the largest meeting in the history and one of the most successful for interest and enthusiasm. The officers were all re-elected and one new officer created, that of secretary for young women's auxiliaries, Miss Ida Makolmon of Hamilton being chosen for this office. The meeting adjourned to meet in Ottawa in April, 1921, on invitation of Mrs. Charles Thorburn, the president of the Ottawa Presbytery Society.

EXPECT AN ANNOUNCEMENT WITH REGARD TO SITTINGS OF SPECIAL COMMITTEE.

On Soldier's Re-establishment and Pensions—Prorogation of Parliament Not Likely Before June. (Canadian Press Despatch) Ottawa, April 3.—When the house resumes on Tuesday next it is expected to be only a matter of a few days until there is an announcement from the government in regard to the sittings of the special committee on soldiers' civil re-establishment and pensions. It is also intimated that before the committee begins work the government will likely announce that it has not changed its attitude towards cash gratuities but is as firmly opposed to them as ever.

Several returned members of parliament have already declared their opposition to the cash gratuity scheme and these say they have not altered their opinions. They are, in some cases, however, of opinion that pensions should be increased in some directions and also some professional men who are experiencing difficulty in returning to civil life after service overseas. There is talk of the budget speech being delayed until the premier's return, in which case with a budget debate of three or four weeks duration, there will be no prorogation before the end of May.
