SALE

Are you contemplating having an auction sale of your household goods this Spring? Bear in mind that no other method of selling ever devised by human ingenuity can compare with an efficiently conducted auction sale. In many cases an auction sale may represent the hard earned and treasured savings of a life time and therefore you can readily understand how important it is that such a sale should be handled only by a specialist in the profession. Are you having an auction sale of your property, your household goods or anything else?

I will be pleased to give you any information about it.

I will buy the contents of any house for cash.

ALLEN, The Auctioneer

Residence: 253 Brock St. Telephone 252 Over 50 years' experience in the Auction business.
