(From Our Own Correspondent.)
April 12.—The congregation of Grace Methodist church celebrated the eighty-fourth anniversary of the opening of that church yesterday. Rev. Prof. W. A. Gifford, M.A., Th.D. of the Wesleyan Theological College, Montreal, occupied the pulpit at both morning and evening services, and was assisted by the pastor, Rev. W. S.-Lennon and by Rev. William Henderson. The financial committee made a request for an offering of \$850, a sufficient amount to close the year, with all accounts paid, and as usual the congregation rose to the occasion and delivered the goods. The choir added materially to the enjoyment of the day with a fine programme of special music, including solos by Miss Gussie Dempster and Bennie Case at the morning service, and by Mrs. L. R. Stedman, Miss Sadie Meggs and Eldon Staebler in the evening. Another pleasing feature of the anniversary was that fol-lowing a precedent established seve-ral years ago, the congregation of St. Andrews, Presbyterian church, gave up their evening service to worship with the sister congregation. This filled the church to the overflow

THE VOICE OF THE PULPIT IT

NEW CURATE OF ST. GEORGE'S PREACHED SUNDAY EVENING

Rev. W. E. Kidd a Pleasing Speaker -Rev. A. Brown of New Brunswick Acting Pastor of Calvary Church.

Major the Rev. W. E. Kidd, M.C. late of the chaplain services C.E.F., who has been appointed curate at St. George's cathedral, preached his introductory sermon on Sunday even-ing. Mr. Kidd possesses a pleasing voice and is a forceful and earnest speaker. He created a very favorable impression. The theme chosen was most appro-

priate to the day and the occasion, showing the doctrine upon which the Christian church is founded, and the responsibility of being a minister of Christ. In a most eloquent sermon he proclaimed the gospel of the remission of sins and immoralty through faith in Christ's resurrection. He took for his text Acts II: 36-"There fore let all the house of Israel know assuredly that God hath made that same Jesus whom ye crucified, both Lord and Christ." The verse is taken from St. Peter's sermon on the day of Pentecost to the people of Jerusalem, in which he announced Christ's resurrection and the remission of sins through faith in Him. The speaker drew a vivid picture of the apostle on that great occasion, of his faith and burning zeal as he boldly proclaimed a risen Christ to the world for the first time in fulfillment of the divine command. It was here that he laid the foundation of the church, and his message comes to us today with the same power. The apostle had a deep sense of the responsibility of being a witness of Christ, and that same responsibility rests upon the church and ministry to-day. The speaker dwelt upon the efficacy of faith in Christ and the potency of His power in every contingency: "I am the resurrection and the life!" was the great message to all conditions of men; and to all who aimed steadfastly for the practical fulfillment of the highest ideals of life, and gave of their best, there was

At Calvary Church.

At the Sunday evening service in Calvary Congregational church. Rev. Adolphus Brown of New Brunswick, was the preacher. In a clear and simple way he told the story of the cross, and the glorious gospel of Jesus Christ pointing out that there is no heaven for the soul that will not believe in Him. All men need a saviour as we are all sinners in his sight, and the man who lives for God is the man who can stand erect and be not afraid. Riches and fame are not to be compared to a Christ that can save us from our sins. In his closing remarks Mr. Brown pointed out that if we would but do our part God would surely do His.
