LOSS OF APPETITE
Pimples and Other Eruptions—Mental and Physical Weakness.
They are all common at this time of year, and are all indications that the blood is wanting in the power to defend the body against infectious and contagious diseases, because they are all indications that it needs cleansing, enriching and vitalizing.
It is important to give them attention—it is in fact hazardous to neglect them.
Get Hood's Sarsaparilla today and begin taking it at once, regularly after eating and if convenient in a little hot water.
Remember, this medicine has given satisfaction to three generations, for the blood, stomach, liver and kidneys. It builds up the whole system. It makes food taste good.
For a gentle laxative or an active cathartic, take Hood's Pills. You will like them.

Coming to the Strand.
George Wilson has pleasure in announcing that he has secured the big Paramount Artcraft super-special "Everywoman" which will play the entire week of May 1st. Cards were found with the men, one of whom was from Merriekville and another from Perth, had been playing on a table covered with a horse blanket. The window of the place was also covered with a blanket.

Was Heavily Fined.
Julius Tvrustripe, of Waldron, Maine, travelling to Chicago, was taken off the train at Napanee and before the magistrate was charged with a breach of the O.T.A. It seems he purchased a bottle of port wine in Montreal, and was caught giving someone a drink on the train, in ignorance that he was thereby breaking the law of Ontario. There was no suggestion that he was offering liquor for sale, or doing anything he knew was wrong. Nevertheless the license inspector happened to catch him, and he was assessed \$200 and \$5 costs.

Married in Washington State.
A pretty wedding took place at St. Paul's Episcopal Church, Bremerton, Wash., April 14th, when Miss Hilda Spurway, Bremerton, formerly of Kingston, was united in marriage to William G.
