School Attendance.
In 1919, Ontario had, out of a total of 5,757 rural schools, five schools with an average attendance of one pupil, twelve schools with an average attendance of two, thirty-five schools with three, forty-six schools with four, seventy-nine schools with five, 479 schools with

WILL PRESERVE PICTURE
Of Man Who Asked \$5 a Bushel for Spuds.
Welland, April 28.—A unique snapshot ere long will find an honored place in the family album of a certain resident in these parts. The subject was not a willing sitter or stander. He was snaphotted only after being driven to bay at the end of an exciting chase in and about and over and under a maze of farm waggon parked about the market. "The man who had the nerve to ask five-dollars-per-bushel-for-potatoes," and the hunter who got him was an irate townsman, who, if he couldn't have his life, was at least determined to have his picture.
The townsman on his first attempt to buy potatoes was shocked to hear them quoted at \$4.50, and went farther, hoping to fare better. Thus it was that he came upon the "Five-dollar Man," and his indignation knew no bounds. "Robber (this was one of his mildest terms). I am going to get a camera and take your picture," he cried. "Men like you deserve to have their features bequeathed to posterity." He made good his threat, but the picture was filmed only after the farmer had been pursued and cornered.

Lively Lion Hunting.
Halmont, N.J., April 28.—Lion-hunting, a sport generally associated with the wilds of Africa, was in season for a week in this part of New Jersey when an animal that had escaped from a circus roamed through the country and terrorized the inhabitants. The roaring of the lion kept the citizens awake nights and many persons developed indoor habits of evenings. One man who came upon the lion near a meat market late at night was reported to have reformed permanently. Circus employees finally captured the lion thirty miles from this town, and carried him home in a "flivver."

The Homeliest Ever.
New York, April 28.—The title of the world's homeliest woman is claimed by Mrs. Mary A. Devan, of London, who has just arrived here to join an American circus. While distinctly proud of her facial assets, Mrs. Devan feels very peevish because she did not find out many years ago that a superlatively homely countenance has financial compensations. It was only last year that the judges at an English seaside resort "beauty show" proclaimed her the ugliest woman in England, at the same time awarding her first prize of \$5,000. Then Mrs. Devan began to capitalize her looks. She has two sons, two daughters and a husband who never makes personal remarks.

six and 1,400 schools with less than ten pupils.

Matches Set Clothes Afire.
Keitha Kathleen Garbutt, aged four, twin daughter of Mr. and Mrs. James R. Garbutt, Thurlow township, on Monday, succumbed to injuries received when three days ago she set her clothes on fire while playing with matches. The little one was severely burned about the body.

Met Distressing Accident.
Mrs. Annie Countryman, Redan street, met with a distressing accident on Thursday of last week, breaking her leg. It was at first thought to be but a sprain and not until Sunday was a doctor called to examine the injury, when it was discovered to be a fracture, necessitating her removal to the Hotel Dieu, where it was set. The patient is reported as doing nicely.

Paralytic Stroke Fatal.
Mrs. Dr. Mather, a well-known resident of Belleville, succumbed on Sunday to a paralytic stroke. Deceased was forty-six years of age, and was born in Castleton, a daughter of Samuel Purdy, at present residing at Coe Hill. Mrs. Mather was a member of the Presbyterian church, and always took much interest in congregational work. Her husband died four years ago.

W. H. Hicks Dead.
William Henry Hicks, late of Napanee, died on Monday in his 73rd year after a lingering illness at his son's residence, Arthur Percival Hicks, Toronto. The late Mr. Hicks, whose wife predeceased him eighteen years ago, is survived by his six children, seven grand children and one great-grandchild. He was a member of C.O.O.F., Royal Lodge, Napanee. Interment will take place at Napanee cemetery.

Calls Forth Criticism.
The proposal to merge the high school cadets corps with the militia regiments for the purpose of securing recruits is calling forth criticism from parents on the ground that it is an effort to put into force universal military training and introducing lads to associations calculated to divert their attention from their studies and by substituting military control for school control, weakening the position of school teachers.

Major Horsey Improves.
The condition of Major (Rev.) H. I. Horsey, knocked down in an automobile accident and injured by an automobile on Sunday, is greatly improved. The automobile which figured in the accident was driven by Redmond Code, barrister. Mr. Code did everything in his power to prevent the accident and afterwards conveyed Major Horsey to the hospital. Mr. Code is not the owner of the motor car, but was quite familiar with the driving of it.

Visit Delayed Again.
The Portsmouth delegates, appointed by the village council to proceed to Ottawa and lay certain matters before the Kingston member, Sir Henry Drayton, delayed their departure pending the reported visit of the member to Kingston. As he was prevented from coming on the occasion of the celebration of Lange-marche day, the delegates will go to the capital at an early date in order to support their representations on behalf of the village.

Crushed Under Tractor.
An accident occurred in which one of Stirling's most popular citizens, Joseph Phillips, nearly lost his life. He was giving instructions to a tractor, to whom he had sold a tractor, when in some way his coat caught in the wheel, pulling him off and throwing him under the machine, with the result that he had two ribs broken and sustained other injuries. While in a critical condition, he is resting comfortably, and hope is entertained for his recovery.

Generous Gift to Willowbank.
W. A. Peck, treasurer of Willowbank cemetery company, Gananoque,

during the past week received from T. C. Reid, New York a cheque for \$100, to be used in the maintenance of the cemetery grounds. Some time ago Mr. Reid offered to contribute \$500 as a permanent endowment if others interested in the upkeep of the property would contribute a like amount. His proposal meeting with no response from the lot owners, he has made the contribution mentioned.

No More Grants.
The Emergency fund for returned soldiers out of employment, issued from the Canadian Patriotic fund for the last four months, terminated on Saturday, and no more money will be issued.

The patriotic fund, it is understood, is as yet by no means exhausted, and the question will soon arise as to what will be its ultimate destination. Many favor retaining the balance of this fund intact in case relief similar to what was issued this winter may be needed during the winter of 1920-1921.

Renfrew Ladies' Curling Club Officers
The Ladies' Curling Club, of Renfrew, held its annual meeting on Saturday and elected officers as follows: Hon. pres., Miss Christine Barr; president, Miss K. Fitzmaurice; 1st vice, Mrs. McKillop; 2nd vice, Mrs. J. R. Easton; sec.-treas., Miss Eva Hynes. Tea was served and a very pleasant afternoon spent. Prizes, consisting of pretty cups and saucers, were presented to the winners of the rink competition, the winning rink being Mrs. W. E. Benry, Mrs. J. R. Easton, Miss Eva Hynes, and Miss H. M. Wright, skip.

Two Different Times.
When daylight saving goes into effect this week-end in Kingston, it will mean at the post office that the froth offices, such as the stamp office, general delivery, registry offices and others will observe the daylight saving time, while the postal clerks will remain on the old time, in order to be in line with the railways, they having decided not to observe daylight saving this year. The change in the time will also mean that the business men will not get their late afternoon delivery, as the stores will be closed at the time for this delivery. The usual morning and afternoon deliveries will be made.

A Millionaire's Gifts to Charity.
The name of Frederick G. Bourne is familiar as the owner of Dark Island, near Alexandria Bay. Mr. Bourne's death occurred a little over a year ago, at his home in New York, and having some holdings in Ontario, his will was recently admitted to probate in Brockville. His bequests to religious and charitable objects form an outstanding feature of his will, and are so generous, and in such striking contrast to those of other wealthy men, as to make interesting reading. Among other things his will reads:
"I give and bequeath to the Cathedral church of St. John the Divine in the city of New York, the sum of one hundred thousand dollars to help in building the Cathedral nave. This gift to be considered as an Easter offering."

21st Battalion Dance.
Several hundred ex-members of the 21st Battalion held the dance and card party held in the Vestian Studio, Ottawa, on Monday. The event was decidedly enjoyable, being the first attempt of the Ottawa club of this popular battalion to hold such an event. While dancing was enjoyed to the lively music of the Ionian Quintette in the large room those who wished played cards. Dainty refreshments were served during the evening. The committee in charge of the arrangements for the dance were Major T. F. Elmit, Sergt. E. Franklin, Sergt.-Major L. L. Verdon and C. S. Morris. Gen. St. Pierre Duchesne, one time O.C. of the battalion, sent his regrets over being unable to attend. Other officers present were Col. Donald Hector McLean, Major A. W. Black, and Major R. J. Davidson.

Canadian Pacific Railway traffic earnings from April 14th to 21st follow: 1920, \$3,824,000; 1919, \$3,027,000; increase, \$557,000.

Doesn't hurt a bit! Sore corns lift right off with fingers.
Magic!

Costs few cents! Drop a little Frezzone on that touchy corn, instantly that corn stops hurting, then you lift it right out with the fingers.
Why wait? Your druggist sells a tiny bottle of Frezzone for a few cents, sufficient to rid your foot of every hard corn, soft corn, or corn between the toes, and calluses, without soreness or irritation. Frezzone is the much talked of discovery of the Cincinnati genius.
