NEW OFFICERS OF G.W.V.A.

COMRADE J. W. CONNOR WAS CHOSEN AS PRESIDENT.

And Asked For the Support of All the Members—Need For Greater Unity and Harmony.

The regular meeting of the G. W. V. A. was held on Friday evening. Pending election of officers, Comrade Connor presided.

The need for greater unity and harmony between this organization and other veteran societies was strongly emphasized. One outcome of this was the rescinding of an old by-law regarding executive positions.

Members of this branch are eligible for executive duties regardless of any office they may hold in other organizations. The important item of the evening was the election of officers, which resulted as follows:

President—Comrade J. W. Connor; first vice-president, Comrade W. Bowker; second vice-president, Comrade C. Hicks; honorary treasurer, Comrade Bould; executive committee, Comrades H. L. Bedford, E. A. Elliott and J. Hussey.

The newly-elected president did not mince matters any when he demanded full support and service of all members. He appointed the following convenors of committees:

Sick committee, Comrade Hussey; entertainment committee, Comrade Bowker; membership committee, Comrade Hicks; house committee, Comrade Bould.

Plans are under way for the brightening of meetings, and it is to be hoped that next Friday night will see a bumper attendance.

**Mystery Play at the Grand.**

"The Revelations of a Wife," the new mystery play, was presented at the Grand, Friday, matinee and evening, by the Unity Play Company, and fascinated the audience from beginning to end. The theme is the domestic tragedy of a candidate for the United States senate, precipitated near the close of an election campaign by an enemy, who turns out to be the confidential secretary of the candidate. By means of insinuations in the press against the virtue of his beautiful wife, a situation develops that brings the whole plot to a climax in which the villain is discovered. Godfrey Matthew as Grant Sterling, the lawyer candidate, and Dorothy Pembroke, his wife, play the leading roles. Georgia Burdell as Kitty Constance, Albert West as Paul Hollowell, the villain, and Bennett R. Finn, the butler, were perfect, while the parts of the elderly maiden ladies were taken in characteristic fashion by Jean McAlpin and Edna Williams. It will be an excellent play.
