AUSTRALIAN ATHLETES ON WAY TO ANTWERP

The British Football Association has made a preliminary choice of thirty-eight players from whom the association's amateur team for the Olympic games will be selected. Australian athletes say that some Australian Olympic representatives will leave on Monday and the New Zealand party early in June. The Australians include Miss Lily Beaurepaire, Kirkland, Herald, Say and Stedman, swimmers; Halpin and King, cyclists; Hewitt, Marathon man; Baynes, sculling; Hunt and Parker, athletes.

Where the Old Guard Reigns.

The younger school has not succeeded in breaking up the reign of the Old Guard in the American Baseball League. This has been largely due to the prevalence of Ty Cobb. The Old Guard leadership here embraces Ty Cobb, Joe Jackson, Eddie Collins and Tris Speaker, with Bob Veach in between the two schools.

Real Sportsmanship.

The boxing contest between Joe Lynch, of New York, and Pat Moore of Memphis, which was to have been held at Jersey City on Monday has been postponed one week. The boxers agreed to this arrangement after Lynch failed to make the stipulated weight of 118 pounds at 3 o'clock Monday afternoon.

After Baseball Gamblers.

Another effort is being made to rid major league baseball in Boston of open gambling. Secretary Lawrence Graver, of the Boston Americans, announced that the betting crowd which gathers in the first base bleachers will be cleaned out, and open wagering stopped. Six men were in court on Monday on charges of gambling, having been arrested at Saturday's game.

English Cricket Club to Tour America

Advices from New York state that a team representing the Incegrito Cricket Club, of England, whose membership is restricted to university graduates, will make a short tour of the American continent in September. One game will be played at the Staten Island Cricket Club ground, and there is a possibility that

SMALL BOY ROUTS 20 CHESS EXPERTS

Twenty greybeards sitting in a square played chess Sunday in Paris against a very small boy of eight years, and he beat the field. Among the sages were some of the best players in France, and at least one whose boast it is that he played a "draw" with Capablanca, the chess champion of the world. But all their reputation availed them nothing against the frail Polish child, Samuel Rzeschewski, who with pale, thoughtful face moved quietly from one board to another, reducing their most skilful plans and wiles to nothing, and checkmating them when they least expected it.

Ontario King's Plate.

Horsemen who have been keeping in touch with the trials at the Woodbine, Toronto, state that Harry Gidding's Primo is the most likely looking entry in the famous King's Plate event to be run there again this year. Primo is a three-year-old chestnut colt and was bred by Plaudmore out of My Honey. In a trial, with his stablemate Bencher, he went over the mile and a quarter route and beat Bencher by three lengths. His time for the half mile was .49 2-5; for three-quarters, 1:16; for the mile, 1:44, and for the full distance 2:11 2-5. The Seagram stables have the next best choice in a three-year old by Gallantiae called Crown of Gold.

Yosemite Wants Lajoie.

Negotiations with Napoleon Lajoie, former star major league second baseman, to manage and play first base were opened Monday by President Ernest C. Landgraf of the Syracuse International League Baseball Club. Lajoie is said to be considering the offer.

OLYMPIC SWIMMING TRIALS IN JULY

The Canadian Olympic swimming trials will take place on July 2 and 3 at the Montreal Swimming Club, St. Helen's Island. The programme, which has been announced, consists of eight events for men and two for ladies. These events also represent the Canadian amateur swimming championships for 1926. Gold, silver and bronze medals will be given to the winners of first, second and third places respectively. The western trials will take place at Winnipeg on June 26, and they will include all competitors west of Winnipeg. The winners of these trials will then come to Montreal and compete in the finals. Both Toronto and Ottawa are expected to send entries.
