CITY MUST PASS BY-LAW

TO REQUIRE THE PASTEURIZING
OF ALL MILK.

Before the Milk Producers' Association Will Aid in Establishing a Central Milk Depot.

There is no prospect of the establishment of a central milk depot and pasteurizing plant in Kingston this season, and possibly not for some time to come. When interviewed on Friday, J. L. F. Sproule, president of the Milk Producers' Association of Frontenac, stated that the committee appointed to investigate and report upon the proposal of members of the Kingston Board of Health had not been able to make a recommendation. The reasons for this were that Kingston had not a sufficient population to warrant the establishment of such a plant, and that no by-laws to prevent independent milk dealers from opening routes for the sale in competition with the association. If such a law were in force, the question might be one for serious consideration.

There were other aspects of the case, too, that made it impossible to undertake it at the present time. The farmers of Frontenac are engaged in supporting several co-operative enterprises, and until they have been able to make these pay and find success in the co-operative system, they do not feel that they should undertake further large financial obligations. They are now running a co-operative store on Market street, have a livestock dealers' sales association for the marketing of horses, cattle, sheep and hogs. It is possible, however, that in the near future, if given the support of the city, a complete dairy plant might be established to the profit of the farmers and the benefit of the citizens.

COLORS OF 21ST BATTALION

TO BE PRESENTED TO PRINCESS
OF WALES OWN

The Ceremony Is To Take Place on the 3rd of June at the Cricket Field.

On the morning of the 3rd of June an event of importance will take place on the cricket field when, at 10.15 o'clock, the colors of the 21st Battalion, C.E.F., will be officially received by the Princess of Wales' Own Regiment. This will be a unique ceremony, in that probably the first occasion on which colors of an Expeditionary Force unit have been handed over for custody to the unit which represents it in the active militia.

There are three parallel cases in this military district, the re-organization of which have been affected during the tenure of command of Major-General V. A. S. Williams, C.M.G., Three of the service units of the Eastern Ontario Regiment are to be perpetuated in Ottawa, Peterborough and Kingston battalions. The "Royal Second" (1st Canadian Division) is perpetuated in the active battalion of the Peterborough Rangers (the old 57th); in the active battalion of the Princess of Wales' Own Regiment, (the old 14th); the 21st Battalion of the 2nd Canadian Division is perpetuated, while the traditions of the 38th Battalion (4th Canadian Division) are perpetuated in the active battalion of the Ottawa Regiment (Duke of Cornwall's Own). Prior to the recent re-organization, the Ottawa and Kingston regiments were rifle units, but, in order to fittingly represent the two overseas battalions of infantry, they have been changed into infantry.

On the king's birthday the escort for the colors will be composed of ex-officers, N.C.O.'s, and men of the 21st who are not at present members of the local regiment. This personnel will also include members of the Battalion clubs of Toronto, Ottawa, and Peterborough as well as some from other outside places. A parade of the local unit will receive the colors.

Following the ceremony on the cricket field and the return of the parade to the armories, the members of the local battalion and all ex-members of the 21st Battalion (resident and visiting), will be served with refreshments. It is desirable that the event will be over shortly after the noon hour in order to allow those who attend to take free for the attractions in the afternoon.

From a recent report, it is probable that the handing over of the 38th Battalion colors to the Ottawa Regiment will take place during the month of June.

The next parade of the P.W.O.R. will be on Tuesday evening, when the escort for the 21st colors will also parade.

The W.M.S. of Cataragui.
The Woman's Missionary Society of Cataragui has done very satisfactory work during the past year. It has thirty-two members, seven of whom are life members. The society mourns the loss of one member through death, namely, Mrs. John Ward. The sum of \$203.25 was sent to the branch treasurer, which is an increase of \$21.25 over last year. In addition to this, it raised \$40 for the school at Radway Centre. The officers for the ensuing year are: President, Mrs. B. Kish; 1st vice-president, Mrs. J. Cooke; 2nd vice-president, Mrs. J. Gibson; recording secretary, Mrs. E. Cooke; corresponding secretary, Mrs. P. Ward; Strangers' secretary, Mrs. J. Gibson; treasurer, Mrs. Kelly; organist, Mrs. W. Cooke; superintendent of systematic giving, Mrs. Kelly.

SPLENDID RACES
ARE BILLED FOR
KING'S BIRTHDAY

On Thursday, June 3rd, the Driving and Matinee Club will hold its first races of the year, and possibly four of the best race events of the season will be pulled off. There will be the 2.30 trot and pace and the three-year-old and under colt race, both open events, along with the named class for senior and junior club horses. The same opening the St. Lawrence Amateur Baseball League in Kingston is also a feature event, and is attracting a good deal of interest. The programme is a banner one, and will be full of real live sport for all.

Some of the local horses receiving final preparation were Laura Pointer, Penalty, Lady Goldie, Decena, Bernard McKinney, Alvarado Queen, Victor Forbes, Exaltum, Lady Tombo, Goldie, Brino Baron, Judge Murphy, Jr., and a number of unnamed colts.

CAPT. A. E. BAKER
ROWS, THOUGH BLIND

The Toronto Star says: There is at least one form of athletics in which soldiers blinded in the war can participate, and that is rowing. A score of Argonaut oarsmen were more than astounded on Sunday when Capt. E. A. Baker, an officer who lost his sight while serving with the Canadian corps, was guided to the stroke seat of a four and stroked the crew for a short row. Capt. Baker learned to row on the Thames at St. Dunstan Institute for Blinded Soldiers, England, and is now Government representative at the Department of Soldiers' Civil Re-establishment, Ottawa, but is expected to become connected with Pearson Hall. Capt. Baker merely took his seat in the boat, waited until the other three men had turned the boat, and then commenced the stroke, showing aptness. It was the most remarkable sight witnessed in rowing circles for many, many years.

IMPORTANT SALE
OF PAINTINGS
AND ETCHINGS

I have the honour of offering for IMMEDIATE Sale the following OIL PAINTINGS and ETCHINGS, at a special reduction of 25 per cent., thus affording an exceptional opportunity to secure a choice work of Art at a low figure.

"SYBIL," after GIAN FRANCESCO BARBERI, surnamed GUERCINO DA CENTO (A.D. 1590), from the original in the Tribune of the Uffizi, Florence. Handsomely framed, and in excellent condition, beautifully mellowed by age. Size 4 ft. by 4 ft. 10 in. From the collection of a well-known, deceased, titled gentleman.

"MODESTY and VANITY" after LEONARDO DA VINCI (A. D. 1452) from the original in the Scliarra Palace, Rome, painted by M. Minghini, Rome. In fine condition, original frame. Size 3 ft. 2 in. by 3 ft. 3 in. From the same collection as the above. A large seal, said to be the official seal of the Scliarra Gallery was attached to the back of the painting, and is in my possession.

"THE RANDOM SHOT" after SIR EDWIN LANDSEER, R.A. (one of this great artist's most pathetic subjects). The original was purchased for over ten thousand dollars, by a resident of Bury, Lancashire, and presented to the City Art Gallery. By special permission of the Corporation, and in view of the fact that I was returning to Canada, I was granted special permission to make this copy, which is virtually the same size as the original. I believe it to be the only authentic copy on this continent. Massively framed in French swept design, with full gold burnish. Size 5 ft. by 3 ft. 7 in.

"PETAWAWA" from Headquarters, showing Gun Range, and head of Lake Aluminé, with Laurentian Range in distance, painted by myself, on the spot. Fine old massive frame, regilt. Size 4 ft. 5 in. by 3 ft. 6 in.

Fine portrait of "KASOE," Hungarian patriot, painted by C. KINSKI. In excellent condition, and massively framed. Size 4 ft. 4 in. by 3 ft. 6 in.

A few choice Copper Plate Etchings and Mezzotints of the best period, ranging from A.D. 1775 to 1830, by Gauguin, Massard, Joubert, Dawe, Durer, Morghen, Doulle, Bartolozzi, Jukes and others.

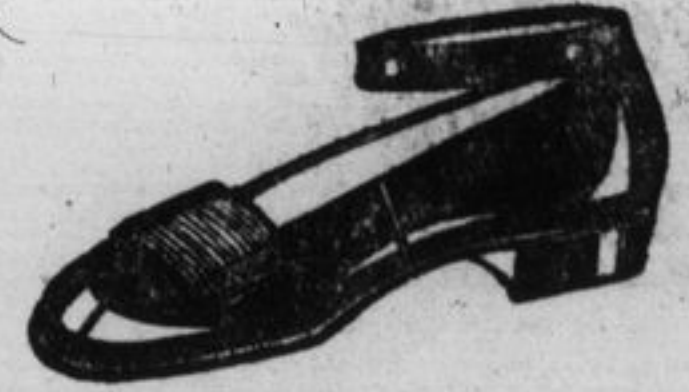

Now on view at my Studio (over Dr. Spark's Dental Rooms). J. LOXTON RAWSON, Artist and Restorer. 159 WELLINGTON STREET, KINGSTON, ONT. P.S.—Specialist in the restoration of Oil Paintings and Engravings.

TO SPEND \$85,000,000

IN BUILDING OPERATIONS IN
THE CANADIAN WEST.

Fifty New Bank Branches, Twenty-five Churches and Ten Hospitals and Hotels Are Among the Buildings to be Erected.

(Canadian Press Despatch) Winnipeg, May 29.—The 1920 building programme in Western Canada, for which it is estimated \$85,000,000 will be spent, includes the building of 50 new branch banks, 25 churches, 60 public garages, 10 hospitals, hotels and institutions, 10 mills and factories, 3 packing plants, 8 power development schemes, Canadian Pacific Railway docks and station, technical school at Calgary, universities at Saskatoon and Edmonton, 10 new ships at Vancouver and Victoria, and an irrigation scheme at Sumas Lake, B.C., which has already been commenced, and which will reclaim a vast acreage of land, costing \$2,000,000. These figures were given out by A. R. Whittemore, manager of the MacLean Daily Reports, Ltd., Toronto, on his return from a two months' tour of the west.

Speaking of building trade conditions, Mr. Whittemore declared that there is not much likelihood of prices in the trade coming down this year. He has figures to show that in the case of fifteen basic building materials the prices have advanced 108 per cent. since 1914.

Manitoba's programme is well under way, and it is expected that 800 houses, 40 schools and 10 warehouses, involving an expenditure of \$25,000,000, will be erected. In Winnipeg and environs 600 houses and 14 schools, costing approximately \$4,500,000, will be erected, it is expected.
