Completely Relieved by this Grand Fruit Medicine, "FRUIT-A-TIVES"

MR. ALFRED SUBOISSEAU

482 St. Catherine St. E., Montreal. "For three years, I was a terrible sufferer from Indigestion, constant Head-aches and Constipation. I took various medicines for the trouble but nothing seemed to do me any good.

Then, a friend advised me to try Fruit otioes'. Now I am free of Indigestion and Headaches, the Constipation is cured, and I have gained considerable weight; and my general health is fine.

"Fruit-stives' is a grand medicine and I cannot say enough in its favor." ALFRED DUBOISSEAU.

"Fruit-a-tives" are made from fruit ulces and valuable tonics - and are pleasant to take, their action being gentle and mild, yet always most

Tungsten Light Bulbe

GRANT M. HYDE "Why did you exchange all our electric light bulbs for these new ones with the little glass sticks in them, Daddy?

"Because they give more light and use less current. The new bulbs have a different filament, or wire. Both these new tungstens and through it and is heated white hot as a result. The white hot wird makes the light.

"The filament is placed in a glass

& CARBON LIGHT, & TUNGSTEN,

3 ARC LIGHT the open air, the white hot wire horns and get a job. would burn up almost instantly. But She was a skilled in an air-tight glass bulb from which all the air has been sucked-in wacuum, as they say—it will glow al-most indefinitely because there is no oxygen to make it burn.

The first incandescent electric then he would exclaim: light which can be called successful whose lament is a delicate strand of carbon. In 1906 a new tungstere bulb was brought out with a filement of tungsten metal. It is bes incandescence and it does not throw have got a Job at \$20 a week!" off so much carbon to smoke the bulb, but the filament is so delicate eagerly. that it has to be hung over an arbor made of a glass stick and small wire

"But are lights seem to work all right without glass bulbs?" They are based on a different principle. An arc light consists of two sticks of carbon with electric current jumping from one to the other. A tremendous light is made by particles of carbon which the current tears from the sticks and heats white hot as they pass acrosu

off. Sure enough, just as Cherry Cricket had said, there was a brand-new green suit under it. Baby Grasshopper was so tickled over his new suit that he spent the biggest part of the morning enter-taining the ant children with his

The Officers Were Elected at the

SYDENHAM WOMEN'S INSTITUTE.

funny hop while Tiny Ant did up

Sydenham, June 4.—The annual meeting of the Women's Institute was held last Wednesday in the township hall. The election of officers resulted as follows: President, Mrs. Strett; secretary-treasurer, Mrs. D. Lake; vice-president, Mrs. H. Boyce. After the business, moving pictures were shown by Mr. Sirett, district agricultural representative. The first film was on the production of salt, the second a dramatic presentation of Dickers' "Martin Chuzzlewit." During the intervals, excellent musical numbers were provided.

Word was received last week by Mrs. John McGowsn of the death.

Inactive, your whole health suffers. Your bowels become constipated, your tengue is coated aches, your tengue is coated, before the death bad, specks float before the perfect balance of yolks and whites and the large number of each. This combination of Purina Peeds makes the maximum number of complete eggs, spotted complexion, etc.

Help the liver to resume its proper function by removing the bile that is circulating in the blood and poisoning the system.

Mrs. E. Bainbridge, 30 Maple Ave., Amherst, N.S., writtes:—"I take pleasure in writing you of the good I received by using Milburn's Laza-Liver Pills for headaches. I was so bad I had to go to bed, and could
