VETERANS HELD "AT HOME" INCIDENTS OF THE DAY

FOR THOSE WHO TOOK PART IN "FI-FI" AT GRAND

A Jolly Time was Spent in G.W.V.A. Rooms on Tuesday Night—Old Time Games Were Played.

As a fitting climax to the staging of "FI-FI" on Friday and Saturday of last week at the Grand the veterans held an "At Home" on Monday evening, in their club rooms, for the various members of the cast including fairies, letter blocks, paper dolls, china dolls, bridesmaids, clowns, jumping jacks and Noah's Ark animals. Hardly a member of the entire cast of two hundred performers was absent and the Vet's assembly hall was crowded with the fun makers.

W. Bowker, vice-president of the association, who had Tack Hammer in the cast, handled the programme, in his usual able manner, leading the dancing and singing. Real old-fashioned games, like Puss in the Corner, and London Bridge, were played and old and young were merry. Music for dancing was furnished by the young ladies, and the bandmaster of the G.W.V.A. band, songs were rendered by Comrades Nicol and Murphy, from the Mowat Sanatorium with Prof. Hall presiding at the piano.

After the presentation of the prizes by the president, J. W. Connor, the George T. Richardson Chapter, I.O.O.F., assisted by several young ladies of the cast, served cake and ice cream to the guests. To finish the programme Mr. Andrews and his "side kick" from the Mowat, presented a comedy sketch about the Jew and the Irishman. The Sweet Home waltz, danced by the little tots, concluded the entertainment, after which the fairies and boys left for their various homes, tired certainly, but very happy. The first prize for selling tickets went to Master C. Bailey, while Miss Dorothy Hughes, captured the second prize.

All the members expressed to J. P. Allan, who was present, their delight at the splendid entertainment staged by himself, under the auspices of the Great War Veterans. All joined in wishing him every success in future productions of "FI-FI".

After the younger members of the troupe had left for their homes, the remainder persuaded Mr. Elliott, who provided the music for "FI-FI", to play some real dance music. This he did in his usual able manner, even to introducing the various songs and choruses of the production. Needless to say song and dance reigned supreme till a late hour, the happy event was brought to a close with the singing of the National Anthem.

SOON TO OPEN.

"Prince's" Toronto's Palatial New Catering Establishment.

Prince's, Limited, a new restaurant, planned on the lines of one or two exclusive establishments in New York City, will shortly open its doors to the Toronto public.

The new venture will combine the functions of a restaurant of distinctive lines and a confectionery shop offering French and Danish pastry made by its own bakers.

The four-story building at 54 Yonge street, formerly occupied by a well-known fur and drygoods firm, has been leased, reconstructed throughout and redecorated. An interior decorative scheme in black and gold, incorporating Prince's crest (the three ostrich feathers of the Prince of Wales on a diamond-shaped field) has been worked out. A candy and pastry department, a de luxe soda fountain with a 45-foot bar, and a lunch and tea room on the ground floor; a main dining room to seat 500 for a la carte service on the second floor; a ball room, with 2,600 feet of dancing space on the third floor, and a modern cafeteria to accommodate 500 patrons on the basement floor—are included in the features which Prince's, Limited, announce. The entire fourth floor will be given over to the pastry and candy making department.

The principal movers behind Prince's, Limited, are Lawrence Solomon and R. R. Bonga, and associated with them on the directorate are Victor Cawthra, James Scott and Robert A. Lyon.

To Fix Civic Holiday.
 The City Council adjourned for the summer without fixing the date for the civic holiday, but this will be remedied at the special meeting of the council, which will be held in the course of a week or ten days. It has been the custom for many years to fix the last Monday in July as civic holiday, and it is understood that similar action will be taken by the city council this year.

PLEASING STATEMENT RE TRAIN SERVICE

It is Said That Kingston Will Have Morning Service to Toronto.

It has been definitely decided, it is said, to operate the Toronto-Montreal mail trains and the other locals between Brockville and Toronto over the C. N. R. line from Napanee to Brighton, giving down-town train service on the local trains and Deseronto and Trenton G. T. R. service.

It is also proposed that the trains at present being operated as locals between Belleville and Toronto will instead continue to Kingston and be operated from that city to Toronto daily except Sunday.

For this purpose a turn table is being installed in Brockville yard since its removal from the shops is being shipped to Kingston, where it will be installed. The turn table is too small to accommodate the heavier classes of locomotives but will be of service in turning smaller locomotives which will run on the Kingston-Toronto local trains.
