VICTORIA SCHOOL CLUB INCIDENTS OF THE DAY

PRESENTED WITH BASEBALL TROPHY FOR THIRD TIME.

Presentation Made By Chairman of Board of Education—Knox Williams Is Manager Of The Successful Club.

Victoria school baseball club, winners for the third time of the public school baseball series, were presented on Friday afternoon with the silver shield by Thomas Mills, chairman of the board of education. Samuel Lilly of the Y. M. C. A. and Stanley Trotter, gave short addresses to the children.

The boys and girls of the senior classes assembled in the hall of Victoria school where they listened to an excellent address by Mr. Trotter on "How to Play Baseball." Mr. Trotter emphasized the spirit of fairness in sport which is more essential than merely winning games. Mr. Mills, in a few appropriate words, presented the shield to the boys who have won it for the third time. This shield was donated to be competed for by the baseball teams of the public schools of the city. J. G. Ettinger, principal of Victoria school, received the shield in behalf of the school.

Knox Williams is the manager of this successful team and Frank Leggett, captain. The boys on the team are Frank Leggett, catcher; L. Purvis, pitcher; Teddy Jenkins, first base; Vincent Ginson, second base; D. Clark, third base; G. Macpherson, short stop; N. Davy, outfield; J. McKay, centre field, and M. Lennox, left field.

D. J. TAYLOR, U.F.O. Member of the Ontario Legislature for North Grey, who declares that he was offered a bribe of \$1,000 three weeks after his election.

ST. MARY'S CADETS MADE FINE SHOWING

Congratulated by Inspecting Officer—Their Band One of Ontario's Best.

The annual inspection of St. Mary's school was held in the armories on Friday afternoon. There were eighty cadets on parade who had been instructed by Mr. Carty, principal of the school and the performance of the various movements by the unit under the leadership of Cadet Frederick, reflected the greatest credit upon Mr. Carty's work. This unit was accompanied by its own bugle band, which is really one of the best in the province and the inspecting officer, Lt.-Col. G. H. Gillespie, complimented all concerned upon the showing of the whole unit. Cadet Frederick put the unit through company drill and the platoon commanders, W. J. Flynn and Jack Hiscok, showed that they understood their work.

Lt. Gillespie addressed the company at the conclusion of the inspection and gave an inspiring address in which he predicted great things for the land's defenders of Canada and the Empire. They have reason to be proud as members of the Cadet Corps because the cadets made a record for themselves in the late great war and were an honor to Canada.

Happenings in the City and Vicinity

—What the Merchants Offer to the Readers of the Whig.

W. Swains, piano tuner, orders at McAuley's, or phone 564w.

Lennox and Addington council granted \$1,000 to the Navy League. Miss Nesbitt and her pupils gave a concert at the Sydenham hospital last Monday evening.

I. O. F. anniversary service, Calvary church, Bagot and Charles street, tomorrow, 7 p.m.

Mr. and Mrs. F. L. McCrum, of Smith's Falls, have been visiting Mr. and Mrs. H. L. McCrum, Earl street.

The charge against a young man of having supplied another with liquor was dismissed in police court Saturday.

Now is the time to have your piano tuned. We carry two expert tuners and will assure entire satisfaction, C. W. Lindsay, Limited.

The collector of inland revenue at Kingston, has received word from Ottawa, that the revised dominion taxes were effective on June 17th, inclusive.

A. M. Snyder, Toronto, called on Saturday and subscribed for the Kingston Whig prior to going home. He says he would be at a loss without the Whig.

A special meeting of the city council has been called for next Wednesday evening, for the purpose of passing road construction bylaws for Montreal street.

George Stockbridge the gardener at the C.P.R. station, fell five weeks ago and is in the Hotel Dieu suffering from a broken leg, and will be out in a few days.

The Kingston police have been asked to help in the search for Mary Corcoran, aged sixteen, who has been missing from her home in Stratford, Ont., since May 31st.

Ganoque has engaged the Buffalo Prospects to play baseball for the town this season. If this team plays in the St. Lawrence Amateur league, the league will no longer be "amateur."

We will rent you a piano, and at end of six months if you feel like purchasing instrument we will allow the six months rental on purchase price, and arrange easy terms on balance, C. W. Lindsay, Limited.

Prof. James Cappon and Mrs. Cappon have returned from wintering in France, Italy and Spain. They came across the Atlantic on the most modern ship they ever travelled upon. Dr. Cappon found Italy and France rehabilitating themselves very rapidly. Spain has much wealth; but is far behind in up-to-date living.

WANT MORE ADEQUATE VOCATIONAL TRAINING

The G.W.V.A. Feels That Discharged Men are Not Sufficiently Trained.

The regular business meeting of the Kingston Branch, G.W.V.A. was held on Friday evening, Comrade Connors, presided. On the platform with the president were Comrades Ross, Sutherland, Gordon, Sargent and Mayor Nickle. Each was called on for a few remarks, and various topics of interest to the branch were discussed. Later in the evening they were appointed as an advisory and financial committee to assist and supervise the general business of the association.

Reports were received from the committees, all of which indicated that the work is well in hand in all departments.

In the course of his remarks Mayor Nickle indicated the plans of the city council in the matter of getting the names for the memorial bronze tablets to be placed in the City Hall. He was assured of hearty support and assistance.

Efforts are being made to provide longer and more adequate training for vocational students. It is felt that at the present time men are being discharged from courses who are far from ready to compete in the labor market. Men learning trades in a few weeks or months can hardly expect to successfully compete with mechanics who have devoted a life time to their trade. Strong representations will be made at once in order to insure to our comrades the required training.

TO DREDGE KINGSTON HARBOR AT ONCE

Sir Henry Drayton Wires That the Work is to Proceed.

J. M. Campbell, president of the Board of Trade, on Saturday morning received a telegram from Sir Henry Drayton, M.P., stating that the department of public works had decided to have 41,000 cubic yards of material dredged from Kingston harbor. Tenders for the work are to be called for at once. This year the lake and river level is very low. Kingston harbor water is two and a half feet lower than last year and will go still lower during the summer. In the interests of navigation it is essential that some dredging be done at once, particularly in the approaches to the wharves.

Prof. T. S. Scott Resigns His Post at Queen's

It is announced at Queen's University that Thomas Scott, professor in civil engineering, has resigned. His departure is much regretted for Prof. Scott has been at Queen's since 1915 with the exception of a year in Halifax with the Royal Canadian Engineers. He returned from Halifax last fall to take charge of the Highway Construction Course in the Science Faculty at Queen's. This course did not materialize, however, and Prof. Scott lectured in civil engineering. Prof. Scott goes to Brockville for the summer to direct road construction work.

"The Always Busy Store"

Everybody Will Wear Glasses Some Day

Present statistics show that there is a wonderful increase in the number of people who do depend on GLASSES for GOOD VISION! Take enlightened New York, "The Hub," for instance. There are more people wearing Specs there than in any other city its size. Where learning and progress are you will find the most people wearing GLASSES. Are you going to stay behind till you have to have them and then find you have waited too long till some small trouble has grown and Glasses won't remedy it?

Come to the "BUSY OPTICAL HOUSE" and have your eyes all fixed up.

SAMPSON-MULLIN NUPTIALS.

Ceremony Performed By Captain, the Rev. Father Nicholson.

On Wednesday, the 16th, Captain the Rev. Father Nicholson, M.G., united in marriage Hilda, eldest daughter of Mr. and Mrs. E. W. Mullin, Johnson street, and John E. B. Sampson, Welland. The bride looked very pretty in her travelling suit of navy blue with hat to match. After the luncheon the happy couple left on the east-bound train amid showers of confetti for Montreal and Quebec and a trip down the Saguenay as far as Tadoussac, and returning will spend a few days in Kingston before leaving for their home in Welland.

Prohibition? Bosh! Here's How to Beat It.

Want to become intoxicated? There's a perfectly respectable way; without liquor. Just listen to Manager Wilson, of the Strand theatre, tell it.

"Charlie Chaplin, in 'A Day's Pleasure' will start its run at the Strand commencing Monday. This picture begins with the funniest scene ever shown in a motion picture. And the following scenes are guaranteed to intoxicate any audience, with laughter."

"A Day's Pleasure," is Chaplin's fourth million dollar picture under his contract with First National Exhibitors' Circuit.—Adv.

A COURSE FOR N.C.O.'S.

To Open at Royal Military College

On the 24th, eight soldiers from the Princess Pats, arrived in the city and proceeded to Barrieffield barracks. They will attend the N.C.O.'s course that opens at the Royal Military College on the 24th inst. and which will continue for possibly two or three weeks. Representatives will be sent to take the course from all the other units of the permanent force, which include permanent machine gun brigade, Royal Canadian Regiment, R.C.H.A., R.C.G.A., and Royal Canadian Dragoons. The class will be a large one. The object of this course is to bring all N.C.O.'s up to instructional standard, and nearly all of those selected are returned men. The class will be quartered at Barrieffield barracks and go to the R.M.C. for instructions each day.

Miss Christine Hall, Ottawa, inspector of the Victorian Order of Nurses for Canada, spent Friday in Kingston inspecting the local branches, and expressed herself as highly gratified with the progress of the work here.

Sidney McCann has received the degree of Doctor of Philosophy from Yale University.
