NOT TO ABANDON HOSPITAL INCIDENTS OF THE DAY

D.S.C.R. TO RETAIN THE SYDENHAM INSTITUTION.

There Are 170 Patients Under Treatment There Now—Hospital to be Used for Some Time Yet.

A report in circulation to the effect that the D.S.C.R. was about to abandon the Sydenham hospital and use the old collegiate building on Clergy street is declared to be without foundation. There are 170 patients under treatment at the Sydenham hospital and while the number is greatly reduced from previous figures there is no other place that these patients could be cared for. There is no room for them in the old collegiate building, nor in the Calderwood hospital which has accommodation for only twenty men. Sydenham hospital can accommodate 400 patients.

The D.S.C.R. took over the Sydenham hospital for a period of six months on January 1st, and as the time would expire on July 1st, application was made to Ottawa for an extension of the time indefinitely, so that it is likely that the group of buildings with their magnificent equipment will be used until number of patients has been greatly reduced. Owing to the policy of the D.S.C.R. of never neglecting to consider every case brought to its attention and placing all applicants under proper observation and treatment, the population in the hospital fluctuates considerably, but there has been a marked reduction in the past six months and in another six months the numbers will be reduced by patients eager to resume a place of activity within their abilities.

WAS TAKEN 45 MILES THROUGH HEAVY SNOW

Sapper W. D. Smith, of Kingston, Writes From Russian Bolshevik Prison Camp.

Sapper William D. Smith, husband of the late Gladys Pollitt Smith, who recently died at the home of her mother on Charles street, writing from a prison camp in Russia, states that after being taken prisoner by the Russian revolutionary party, he was taken through heavy snow for a distance of about forty-five miles. Conditions in Russia were dreadful, he said.

The news that he was still alive was a great relief to the members of the family as they thought he had been killed or lost, as no word had been heard from him for months. A short time before his wife died, a letter was sent to him in Russia but it was returned, stating the man was unknown.

Sapper Smith enlisted with a unit at Barriefield in 1916 and later went overseas with the Canadian Siberian expeditionary force. After that force was withdrawn he transferred to the British railroad mission.

FIRE DISCOVERED IN NICK OF TIME

St. Andrew's Sunday School Had a Close Call on Wednesday Night.

St. Andrew's Sunday school hall had a close call from being destroyed by fire on Wednesday night. Matthew Patterson and Bruce Moncrieff were in the hall decorating for a special service to be held on Sunday, when they were alarmed on hearing a crackling noise in the wall a short distance off. They investigated, and found that a fire had started behind an electrical fixture in the wall.

The firemen were summoned, and the blaze was nipped in the bud, but it gave the firemen quite a job, as they had to chop some of the lathes and plaster, in order to get at the blaze and the root of the trouble. They also had to cut through a door. The damage is estimated at \$150, and is covered by insurance.

THE GRAND ARMY OF UNITED VETERANS

Has Added Fifty-seven Members—Securing a Hall for Headquarters.

The Grand Army of United Veterans held a successful meeting Wednesday night. President Comrade G. Frederick, First Vice-president Comrade G. A. Clarke and Secretary-treasurer Comrade J. J. Horan had charge of the meeting. The committee, under Comrades Curragh, Castleman, Mascard, Beadell, Hubby, Gilmore, and Brownhill brought in several favorable reports. The campaign to secure new members, which was started last week, was very successful, resulting in fifty-seven more members. A motion to secure a new hall was carried. The society has three favorable offers and it is hoped by next meeting to have everything arranged for a mass meeting of members in the new hall.

NEW BULLETIN BOARD

Whig Bulletins Can be Read From Across the Street. Thursday morning the Whig erected a new bulletin board which has been purchased recently from a Toronto firm. It is the first of its kind to be erected in the city and has been secured with a view to giving a better bulletin service to the many people who read the Whig bulletins during the day.

The new board is in sections, each one being about four feet long and two and a half feet wide. The letters are white printed capitals on a black field, giving the maximum amount of distinctness to each item. For those who stop their motor cars in front of the Whig to read the bulletin the new device is particularly handy, as it can be read with ease from a distance of almost fifty feet.

Stole Plants From Customs Lawn. A. Strachan, collector of customs, reports the loss of a beautiful peony plant and his finest rose bush, on Wednesday night. Some miscreant deliberately dug the plants up at the customs house lawn and carried them off.

WALTER CAMPION INJURED

HE HAD A SERIOUS FALL AT THE YACHT CLUB.

Topped Over the Balcony and Hit the Cement Wharf Fifteen Feet Below—Rendered Unconscious.

What might have been a serious accident occurred during the progress of the dance at the Kingston Yacht Club, on Wednesday night. Walter Campion, who went overseas with the 146th Battalion as a lieutenant, was sitting on the edge of the verandah railing, when he suffered a fainting spell and fell over, landing on the cement floor, fifteen feet below. He was picked up in an unconscious condition, and many willing hands helped in waiting upon him, but as it was not found possible to restore him, he was removed to the general hospital, where doctors made an examination and found that he was not injured, beyond a severe contusion on the head. Later he was removed to his home. He had a fairly good night, and on Thursday morning was reported to be much better, having regained consciousness.

ness. Mr. Campion is a son of Mrs. Alice Campion, 339 Princess street.

Death of a Nurse.

Harrowsmith, June 23.—The many friends of Miss Maria Watson learned with deep regret of her death which occurred at the home of her parents, Mr. and Mrs. Edward Whitty, Harrowsmith, at the age of twenty-eight years. Miss Watson was a nurse-in-training at the St. Catharines General Hospital and had almost completed her course of training when in the fall of 1918 the flu epidemic broke out in that city. She worked faithfully to help relieve the sick and suffering ones until finally she was stricken with the disease, the effects from which she never recovered. The long illness which followed was borne with great patience and without a murmur of complaint. Having suffered intensely during the last few weeks death came as a relief from her sufferings and she passed peacefully away in the early morning of June 23rd. The funeral was held on the following Thursday at one o'clock to the Methodist church where Rev. A. W. Stewart spoke very feelingly of the deceased. Interment was made in the family plot where the remains were borne by six friends of the deceased, namely Frank Sigsworth, Ross Trousdale, James Manson, Russell Boyce, Clyde Ellerbeck and Morley Ellerbeck, and were tenderly laid to rest surrounded by a great many friends and loved ones.

The late Miss Watson was the third daughter of Mrs. Whitty and is survived by her mother, two sisters and a brother, Mrs. Charles Whitty, St. Catharines; Mrs. George Trousdale, Hartington and Joseph H. Watson, Pleasant Valley.

Burglars Raid Store.

Belleville, Ont., June 24.—H. O. Stewart's gent's furnishings store on Front Street was entered and over \$50 in cash, some clothing and war tax stamps were stolen. Entrance was effected by breaking in a window at the rear of the premises.
