THE CLAYTON TEAM PLAYS TRIPLE LINKS HERE ON SATURDAY

Saturday afternoon, at 3.15, Clayton team is to demonstrate once more at the cricket field how baseball is played in Clayton. Triple Links will endeavor to show the Yankees how it is played in Kingston, and as one of the "best teams in Canada" ought to give the visitors a good run. On Wednesday, June 23rd, Clayton Park defeated the Ponies by one run after a hard fought game. The Ponies were considerably off color that day and would very likely win out in a return game.

Taken on the whole, the Links have rosy prospects for Saturday's game. "Bill" Evans at short has put another strong link into their chain. Baker will not likely hold down third on account of injuries received in the game with Watertown last Saturday. That old double battery stunt is going to worry a few opposing managers before the season is over.

CHALLENGER CHALLENGED BY WORLD'S CHAMPION

Jack Dempsey, world's heavyweight champion, is speeding to New York to force Georges Carpentier, French champion, to sign articles for a battle before the Frenchman leaves America with many thousands of easily-earned American gold in his trunk. Jack Kearns, warring from Colorado on his trip to the Atlantic coast, says Dempsey is a boxing champion. He wants to hook up with the best man Europe ever had, and will not stop hounding him until a match is made. Kearns will arrive here for a conference July 7.

Spectacle of a heavyweight champion actually challenging his challenger is a new one in this crazy old world. It is a sensible bid for popularity, and, after all, boxing fans forgive and forget when they see a champion who is willing to meet them all.

So confident is Dempsey that he can defeat Carpentier that he is considering a show tour, meeting all comers on the road. A big production company is eager to send Dempsey out on the circuit as soon as he is actually signed to meet Carpentier.

Made Six Base Hits in Six Times at Bat

Philadelphia, June 29.—The feat of making six base hits in six times at bat in one game, performed here yesterday by Shortstop David Bancroft of the New York Nationals, has been equalled in the major leagues only once since 1902.

In 1915, George Cutshaw, of the Brooklyn Nationals, succeeded in hitting the ball safely in six attempts. Three players equalled the mark in 1902 and nearly a score previous to that time.

The best batting record is seven hits in seven tries, made in 1892 by Wilbert Robinson, of the Baltimore Nationals, now manager of the Brooklyn Nationals.

Another French Wonder

Marcel Guillemot, the French champion distance runner, unofficially broke the French record for the 3,000-metre run (approximately 3,280 yards) Sunday, finishing in 8 minutes 45.1-5 seconds, with such ease that the sporting writers predicted that he would soon beat the world's record.

Guillemot's performance was the feature of a meet staged at Joinville training school, at which old Greek games were presented.
