YARKER BALL TEAM ENTERS A PROTEST

Over Game Played With Kingston on Saturday Last.

Kingston defeated Yarker in a game of baseball at Yarker Saturday last, by a score of 8 to 7. The game has been protested for various reasons, and a meeting of the committee will be held in Verona to consider the protest.

Queen's Team Wins From the Printers

At the cricket field on Thursday evening the Queen's university baseball team won from the printers in the Mercantile league, by a score of 10 to 3. The college men had the best of the game from start to finish. Shea, who pitched for the university team, held the printers at his mercy. McGillivray, for the printers, pitched real good ball, considering that it was his first appearance on the mound. Some errors were made by the printers which cost them runs. The teams were: Queen's—McCarney, Shea, Lindsay, Malcolm, Abernethy, McLeod, Ferguson, Gilbert Stewart and Budgeon. Printers—Wilson, McGillivray, Reynolds, Devlin, Holland, Shipton, Doyle, Holland and Hammond.

Recovered His Voice During Exciting Game

Niagara-on-the-Lake, Ont., July 9.—Under stress of excitement during a lawn bowling match he was playing in at the Ontario Lawn Bowling Association tournament here this afternoon, Trooper W. Hart, a member of the Davisville rink, who hasn't spoken in two years without a pronounced stammer, suddenly regained his speech, and is now able to speak fluently again. He served in the war with the 11th Hussars, an Imperial regiment, and was shell-shocked.

START GAMES PROMPTLY

This Is the Demand of the People Who Enjoy Sport.

Patience is a virtue no doubt and the baseball fans in Kingston seem liberally blessed with that virtue. There is, however, a limit to every thing and the people who follow that sport surely deserve promptness on the diamond. Nothing detracts so quickly from the enjoyment of a game as tardiness on the part of the players. Much comment has been expressed at recent games about the delay caused by needless ball tossing and by Kingston players who come late. Promptness is essential in business and much desired at any performance. Start the games at the stated time and the public will respond.

BASEBALL AT YARKER

Juniors Win Match Against Odessa By Score of 3 to 2. Odessa and Yarker junior ball teams played an exhibition game at Yarker on Saturday last before a large crowd. The game resulted in a win for the locals by the score of 3 to 2.

Manager John McGraw, of the Giants, insists that the new pitching rules are too drastic and should be modified.

French Boxing Game Is Dealt Hard Blow

The new French taxes now are likely to disrupt the boxing season in Paris, as boxers refuse to pay 50 per cent of the regular admission price, which the government demands from persons holding free tickets.

The climax was reached at the Nouveau cirque, where a select boxing club had arranged a programme. As usual, free seats were given to the boxers for their use when they were not in the ring, but a tax collector waited at the door to collect the government's share which was to be devoted to charity. The boxers refused to fight if their privileges were restricted, and the management was forced to return the gate money.

Colorado Will Stage Big Sports Carnival

Automobile races from the base of Pike's peak to the summit, airplane races from Denver to Colorado Springs, circling Pike's peak, and a polo tournament, with a dozen teams of national fame, are some of the features of the Colorado sports carnival to be held in the Pike's peak region at Colorado Springs and Broadmoor during the second week in September.

The Pike's peak automobile races for the \$5,000 silver and gold cup, presented by Spencer Penrose, will take place on Monday, September 6. The airplane and polo events will cover several days.

Captain of Boston Americans May Be Out of Game For Season.

Harry Hooper, captain of the Boston Americans, underwent an operation at a Boston hospital for a leg injury sustained recently in a game at Cleveland. He may be out of the game for the rest of the season.

Ball Fans Threw Umpire Into River at Lindsay

The G.T.R. baseball team of Belleville, O.B.A.A. champions, have protested the game played in Peterboro on July 1, when fans swarmed on the field and carried base umpire Thomas, of Belleville, down to the Otonabee River and threw him in, after he had made an adverse decision. An executive meeting of the Central League has been called at Cobourg to deal with the protest.

To Proud to Count.

The Pup (irritably)—Suffering dogs! What's the idea of the prolonged crowing this lovely morning? The Rooster—Just had an addition to my family, old top. The Pup—How many? The Rooster—Why, e-r-r, to tell the truth, Towser, I forgot to take the census!

No Wonder.

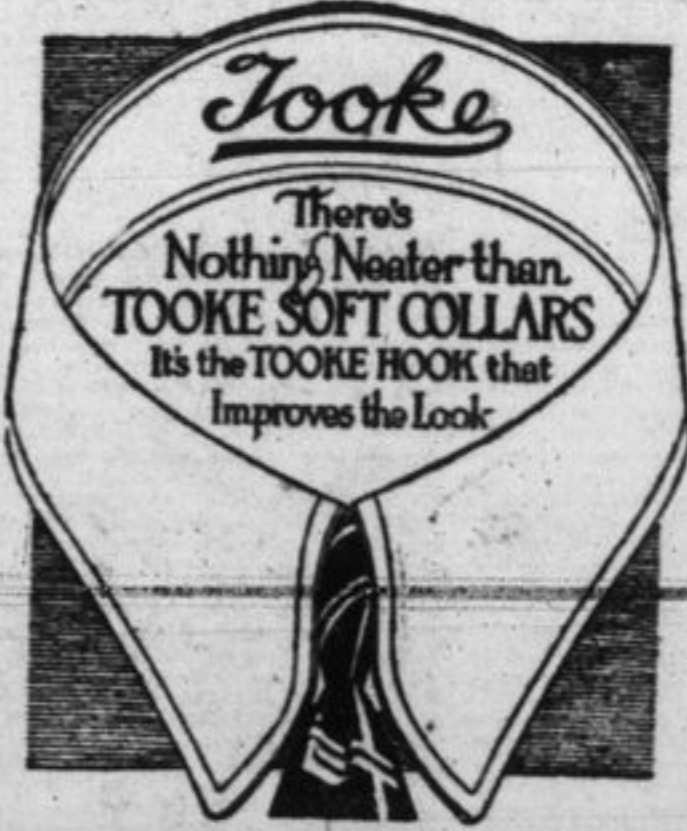

Havana Post. District Visitor—Well, one must do something for the suffering poor. Friend—But are you sure they do suffer? District Visitor—Oh, yes; I visit them.

As utility pastimer for the Cardinals, Hal Janvrin has found plenty to do this season both at infield and outfield positions.

With Frank Frisch in the lineup the Giants are a regular ball team, but without the former Fordham star they are something else, again.

CANADIAN GOLF CHAMPION AND THE RUNNER-UP. C. B. Grier, of Montreal, (left), who defeated Thos. Gillespie, of Calgary, (right), for the Canadian amateur golf honors at Beaconsfield, Quebec. The two players eliminated one of the largest and strongest fields that ever participated in a championship match.

Uncle Sam Selects Olympic Team Coach

Jack Moakley, track tutor of Cornell and the dean of American coaches, will have charge of the team Uncle Sam will send to the Olympic games.

His appointment and a board to serve with him, along with other routine business, was announced after a meeting of the American committee.

Serving with Moakley will be Lawson Robertson, of the University of Pennsylvania; Martin Beane, Chicago, Athletic Association; Mike Ryan, Colby College, and either J. W. Maloney, of Leland Stanford, or Coach Crowell, of the University of Southern California.

Spike Webb and J. W. Bateman, of the Naval Academy, will coach the boxers. S. W. Finney will have charge of the wrestling team and the fencers will be in charge of Paul Gelas and George Steerhitz, of Annapolis.

The team will number at least 350, and in addition to the track and field stars will consist of 14 cyclists, 16 boxers, 10 fencers, 21 male swimmers and 10 girl swimmers, 4 water polo and gymnastic teams, 2 weightlifters, 15 rowers, 10 wrestlers and 10 in Calisthenics.

Hildebrand Says Detroit's Are an Unlucky Club

George Hildebrand, the umpire, who was an uncommonly good pitcher in his playing days, says that the Detroit Tigers are just plain unlucky. It has been ten years since Hughie Jennings' team has captured a pennant in the American league, though in all that time it seldom has failed to look like sure contenders in the spring, only to weaken when the race settled down to a steady trot. "Plain hard luck. That's the only way I can account for the failure of Jennings' team to make a better showing," said Hildebrand the other day. "They talk about the Yankee jinx. Well, maybe the Yanks have been followed by a hoodoo. But what about the Tigers?" "Haven't they been a consistently good looking ball club every spring? And haven't they flunked just as consistently? They sure have. They're just naturally unlucky, that's all, and when a club is in a losing streak the breaks are bound to go against it."

Carpentier Plans to Sail Next Week

Georges Carpentier, the French champion, made his peace with Uncle Sam Wednesday at New York, when he visited the office of William H. Edwards, Collector of Internal Revenue, and deposited a cheque representing income tax on the money that he has made since he came to this country.

Carpentier, who plans to sail next week on the Loraine, was accompanied on his trip to the custom house by Francois Deschamps, his manager, and Jack Curley, who was in charge of Carpentier's affairs in this country.

Asked how much Carpentier paid, Collector Edwards said that he was not at liberty to give out the figures. Collector Edwards said that the fact that Carpentier is a non-resident alien made it necessary for him to pay an eight per cent tax on all money he made in his American tour before he could get a sailing permit.

Puts the gain on ALL the hog

All-round development is what the hog feeder wants, insuring higher grade pork as well as higher finish.

Purina Pig Chow is a scientific balance of concentrates for making bone, flesh, blood and fat. It develops and fattens pigs simultaneously, and brings hogs up to a maximum weight in record time. One feeder last year cancelled a car of Purina Pig Chow, because this feed finished out his herd a month earlier than he expected.

Purina Pig Chow contains Hominy Meal, Digestor Tankage, Blackstrap Molasses, Ground Barley, Corn Gluten Meal, Cracked Corn, Linseed Oil Meal, and Alfalfa Flour, with a trace of charcoal and salt.

Compared with corn, barley, shorts, hominy or similar ingredients by weight, Purina Pig Chow will produce 100 lbs. of live hog with one-third to one-half less feed. Fed individually or in combination with other feeds, Purina Pig Chow will produce 25 to 50% more weight.
