AN AUTOMOBILE ACCIDENT

TOOK PLACE IN NAPANEE ON
MONDAY LAST.

Three Ladies Were Knocked Down—
How the Accident Happened—The
Visitors Are Numerous.

(From our own correspondent)
Napanee, July 14.—The Orange
celebration took place in Napanee on
Monday afternoon. Although the
12th was ushered in with a heavy
rain, yet about thirty Orange lodges,
from all the surrounding districts,
were represented in the walk.

Miss May Steacy, nurse-in-training
in Wellesly Hospital, Toronto, is
spending her vacation with her par-
ents, Mr. and Mrs. W. A. Steacy.

On Tuesday afternoon, an auto-
mobile accident occurred at the cor-
ner of John and Dundas streets, when
Mrs. Wood and her two daughters,
Lena and Myrtle, were knocked down
and badly bruised, one wheel of the
car passing over Mrs. Wood. Charles
McKim was going west on Dundas
street, intending to make a turn east,
when another car, driven by Mrs. H.
W. Kelly, was proceeding east on
Dundas street. Mr. McKim was
slightly ahead of the other car and
in trying to avoid a collision, Mrs.
Kelly swerved quickly to the right,
knocking the three women down,
who were crossing the street. Mrs.
Wood was perhaps more seriously in-
jured, although no bones were broken,
but she suffered from severe
shock. Miss Myrtle Wood had her
leg badly bruised and scraped and al-
so suffered from shock; Miss Lena
Wood escaped with minor injuries.

Herman Menz, who has had sev-
eral slight hemorrhages of the lungs,
is but little improved. Mrs. W. J.
Foster went to Toronto, on Tuesday
to visit her daughter. Miss Vera
Shorey and sister, Mrs. Charles Mc-
Millan, Vancouver, arrived home on

and Mrs. Cantfield Shorey, Bridge

Wagar.

land, at Sharbot Lake.

THE LIMESTONE CITY NEEDS GOOD HOTEL

This is the Opinion of a
Former Resident of
Kingston.

In renewing his subscription to the
British Whig for another year, A. E.
Mansfield, Syracuse, N.Y., a former
resident of this city, writes as fol-
lows:

"I look for the Whig to keep me
posted on Canadian affairs, particu-
larly Kingston and the doings of the
G.W.V.A. I am a member of the
Kingston branch of the G.W.V.A.,
and have to get my news of their op-
erations in the columns of the Whig.
"I am particularly interested in
the hotel project at this time, and
wish the sponsors of the movement a
successful termination of their cam-
paign. The Limestone City sure needs
a good hotel and if it never pays a
dividend, it will be an asset to the
city.

"I am away from home a great
deal, but my Whigs are carefully
looked over each day, and articles
likely to interest me are forwarded.
When you were getting Santa Claus
weather in Kingston this past win-
ter, I was reading Whig clippings in
Florida."

A DOG WAS KILLED BY THE STREET CAR

The Animal Was Owned by
Eric Phillips, Living on
Union Street.

A dog was killed by a street car
at the corner of Union and Colling-
wood street late Tuesday afternoon.
Eric Phillips, who lives nearby, is
the owner of the dog, and he and his
wife were about to get on the car.
The dog was following them, and in
its excitement, ran under the car and
the wheels passed over its body, caus-
ing instant death.

Nearly Gored to Death,
Belleville, July 14.—Ormond Bail-
ey, aged fourteen years, son of Mr.
G. Bailey, of Rawdon township, was
severely injured when he was at-
tacked by a cow. The boy was lead-
ing with a rope a day-old calf when
the mother attacked him. Unfortu-
nately the animal was deborned or
he boy would probably have been
gored to death. He was terribly
injured about the body.

It sometimes happens that a man
hits an enemy a hard blow by ignor-
ing him.

If men could only live to hear their
own funeral sermons and read their
own epitaphs there would be no get-
ting along on earth with them.

Some men are poor because they
are honest and some men are honest
because they are rich and can afford
to be.
