### Theatrical

**At Griffin's.**  
Japanese in every detail, from the bamboo fence outside, to the cook stove and chopsticks in the kitchen, is the house of the image maker in the picturization of the "The Willow Tree," starring Viola Dana, which headlines the programme at Griffin's for today, Friday and Saturday. Miss Dana plays the daughter of the image maker in the dramatic fantasy which June Mathis has adapted for the screen from the Choan and Harriett stage play, which was the dramatic sensation of a season when shown on Broadway. "The Willow Tree" laid as it is in far-off Japan, it has all the luge of the Orient, all the charm of the tropics to delight the spectator. The legend of the image, carved from the heart of the willow tree, that love calls to life in the form of a beautiful maiden is a rare fantasy and it is exquisitely told. "Monkey Business" a Sunshine comedy will also be shown on the same bill, as well as the 13th episode of the great wild animal serial "The Lost City."—Adv't.

**At the Strand.**  
Robert Louis Stevenson's immortal story, "Treasure Island," has reached the screen. Maurice Tourneur produced it for Paramount Art-craft release and it will be shown tonight at the Strand Theatre. All the color and spirit of high adventure that is in the Stevenson classic has been retained, and the photoplay has been mounted with Mr. Tourneur's mastery of artistic production. The story, which is familiar to all, has been followed closely in the screen version. Jim Hawkins, Bill Bones, Long Silver, Ben Gunn—all the familiar characters appear in the life in the picture. The picture opens in "Benbow Tavern" where at Bill Bones' death young Jim comes into possession of the chart showing the location of Captain Flint's treasure. From there sails the old brigantine in which the Squire and his mutinous crew leave on the treasure hunt. Battles with the pirates, the kidnapping of Jim, the fight in the stockade, and the final success follow. Playing the role of Jim Hawkins is Shirley Mason. Lon Chaney, Al Filson, Charles Ogle, and Wilton Taylor are included in the cast.—Adv't.

### HOME BREW "SPUDS" DO FUNNY THINGS

#### The Potato Vines Are Usually Used For Leaves and Not on Tubers.

Watertown, Aug. 5.—Charles Vosler, of Three Mile Bay, boasts of a potato vine that has all the farm experts of this community of retired farmers awed and puzzled. Mr. Vosler's potato plant bears its "fruit" above ground. Instead of developing on the roots under ground, as self-respecting potatoes should do, the Vosler vine sprouts its tubers among the leaves. Last night he exhibited two vines in the village, one bearing three potatoes and the other one fully developed potato.

The disease is such that it will require several weeks to recover. The disease is an obstruction of the veins of the leg caused by infection, and often follows other diseases. It is not regarded as dangerous.

### Cox to Carry Offensive Fight

Dayton, Ohio, Aug. 5.—A fighting message to Democrats and Republicans was given by Governor Cox, the former's presidential nominee, in an address at a local Democratic picnic.

Speaking from a roped arena for boxing events on the picnic programme, Governor Cox, avoiding definite issues, declared he would carry the offensive in "a considerable fight" for which he predicted success. Incidentally he promised that his address next Saturday accepting the presidential standard could be understood "even by school children."

"Boys, I'm ready for the fight," he declared to the cheering plaudits of several hundred members of the Gem City Democratic Club, of this city.

"We need make no defense," the governor continued. "Ours will be offensive fight from the beginning to the end, and it will be a considerable fight. Make no mistake about that. I have the faith in me that there will be triumph of right principles this fall."

### MAY UPSET ELECTION.

#### Ineligibility of Two Manitoba Members is Discovered.

Winnipeg, Aug. 5.—Revelation today that two of the candidates elected to the legislature from Winnipeg city riding, on May 29th, are not eligible to office, has raised the question of the legality of the entire election. According to reports from the parliament buildings, John Stovel, elected as a Liberal, and W. J. Tupper, Conservative, were ineligible because they held remunerative government positions at the time of the election. Mr. Stovel is a member of the joint council of industry, and Mr. Tupper a member of the commission on law uniformity.
