"BOB" DIBBLE REFUSES TRIP TO ANTWERP

Dissatisfied With Short Notice and Inadequate Time to Train.

Canada's hope in the rowing events at the Olympic received a severe jolt when Bob Dibble, of the Dons, Dominion senior sculling champion, announced that he would not go to Antwerp. Dissatisfaction with the short notice of his departure—which would leave him only two days to train for his race on his arrival in Belgium—combined with more important business and family affairs, which necessitate his presence here, are said to be the causes for his decision. Whether 18-year-old Johnny Durman will be sent in his stead remains to be seen. Eddie Durman, his father, has offered to pay Johnny's expenses if the Canadian Olympic Committee will enter his candidature.

From Philadelphia comes the word that Jack Kelly, champion sculler of America, is also very much undecided as to whether he will represent the States at Antwerp. He read of his steerage accommodation provided for the other athletes belonging to Uncle Sam, and flatly refused to make the trip unless he is given first-cabin passage. His army experience taught him what steerage is like, and among those who suffered with him in a similar trip across the pond, he will find plenty of backing for his statement of the conditions under which he will agree to go to the Olympic.

"Runs responsible for" recently compiled for National league pitchers do not indicate any less effectiveness on the part of pitchers who really know how to pitch.

GREATEST TRIAL IS DONE BY MAN-O'-WAR

Fast Horse May Be Matched With Sir Barton at Saratoga.

The great work trial by a horse in this country known to the oldest horsemen was accomplished Tuesday morning, when S. D. Riddle's wonderful Man o' War turned one and one-eighth miles in 1:49 4-5. It was performed in such a fashion as to cause speculation as to the further limit of his capabilities, for seemingly the horse had speed in reserve, though he was being urged slightly during the last three-eighths of the trip. Those who were ready, after Sir Barton's wonderful feat Monday in the Saratoga Handicap, to proclaim him champion of all time, are now doubtful as to his right to the title, and concede that the three-year-old has an equal claim to foremost honors.

Efforts by the Saratoga Racing Association are under way to bring the pair of cracks together in a special race. They are both named in the Saratoga Cup on the closing day, and should they make the contest in this fixture, what wonderful attendance will be on hand to witness the performance.

FRANCIS NELSON IS THE CHAIRMAN

First Meeting of New Boxing Commission—Bouts of Ten Rounds.

The first meeting of the recently appointed Athletic Commission, established under legislation adopted at the last session of the Ontario Legislature, was held at the Royal Connaught Hotel in Hamilton and the Commission was organized under the chairmanship of Francis Nelson, of Toronto. The other members in attendance were Don Cameron, of Hamilton; J. F. McGarry and P. J. Mulqueen, of Toronto; E. B. Archibald, of Ottawa, the other member, was unable to attend on account of the shortage of notice.

The preliminary steps to put the organization in working order were undertaken, and the chairman will act as secretary also, until affairs have progressed to the appointment of a permanent secretary. The regulations under which the commission will operate, and the scope of its work will be determined as soon as possible, when the local authorities throughout the Province will be advised of the requirements under which professional boxing and wrestling contests must be held. One point determined in the policy of the commission was there shall be no boxing contests of longer than ten rounds' duration.

JOHN BOA FAILS IN OLYMPIC EVENTS

Well-Known Shot Out of Form For the Trials.

Canadians shooting in the Olympic events failed to gain any points for the Dominion in the 1920 Olympiad, in which the United States won the majority of the large events. Out of eight events, including rifle, pistol and revolver contests, the United States contestants won seven first places and were second in the other.

In the seven individual events, the United States won four firsts, two seconds and four thirds.

The only points gained by the British Empire as the result of the shooting were two, which were won by South Africa.

The final standing of the points is as follows:

United States 43, Sweden 11, Norway 9, Denmark 7, Switzerland 5 1/2, Brazil 5, France 4, Greece 2, South Africa 2, and Finland 1 1/2. One third place was divided between Switzerland and Finland, after three shoot-offs failed to break the tie.

Canada was represented by G. M. Lehtin and J. Boa, whose performances did not reach the expectations of European target experts.

Conqueror of Fulton Always Top Notcher

The brilliant rise to fame of Harry Wills, colored heavyweight, occasioned by his victory over Fred Fulton, has forced flaccid fans to become interested in the career of the man, who seems to be the logical opponent of Jack Dempsey for championship honors.

Wills has always been considered a top notcher, and might have been champion long ago but for the fact that the various holders of the crown have refused to meet him. Wills started boxing in 1911, and since then has met most of the top notchers.

New York, 100 years ago, had only two billiard rooms.

BRANCHES IN THE LEADING CITIES

General Sport

larity it has earned in Kingston this year, there should be some fine teams in this city in the future. Everyone is playing ball and the kids of to-day are as good as the seniors of a few years ago.

"Dick" Spoor is just breaking into his stride. He has been putting up a good game all year, but not anything like his possibilities, which have only been shown up in the last few games.

What has happened to Kingston's old-time water sports? There have been no canoe races, swimming contests, dinghy races, motor boat races, nor anything much to speak of in that line for a long time.

St. Andrew's, Toronto, are booked for Kingston for Friday and Saturday, Aug. 27th and 28th. They are a fast and snappy bunch of ball players and will meet both the senior teams of Kingston, which ought to give the fans an opportunity of sizing up the relative merits of the Ponties and Triple Links.

SHAWKEY SAYS COBB IS GREATEST HITTER

Has "Babe" Ruth Beaten For Clever Stunts at Plate.

The hardest man in the American League to pitch to? You're wrong. It isn't "Babe" Ruth at all.

Here's what "Bob" Shawkey, for years a star on the hurling staffs of the Athletics and Kilties, has to say:

"Ruth is the hardest hitter in the game, the most dangerous in the pinches, because you never can tell where he will slam the pill. Let me mention one fact to you, though. In my experience, I'll say I'd rather face the 'Babe' in a pinch than 'Ty' Cobb.

"Cobb is the greatest batter of them all. He is constantly crowding the plate, making you work your head off; shrewd, rarely outguessed, and can hit anything in the world a pitcher ever had.

"When the 'Babe' steps up you have a gambling chance, if your stomach is good. He'll either slam it out of the orchard, strike out, or hit one to the infield. Ruth rarely hits long flies. When he does they clear the park.

"I think there are a lot of pitchers who will back me up in this statement. A man swinging as viciously as Ruth does is bound to miss many times, while 'Ty' Cobb's timing system has all the boys guessing in the tight spots.

DEMPSEY AND MISKE FIGHT ON LABOR DAY

The fight between Jack Dempsey the heavyweight champion, and Billy Miske, of St. Paul, on Labor Day, is assured, according to an announcement by Phil Campbell, business manager for the Benton Harbor, Michigan, Boxing Club.

Campbell said he had received word from Promoter Floyd Fitzsimmons, in New York, to the effect that a conference with Jack Kearns, Dempsey's manager, had resulted in Dempsey's signature for the articles of agreement.
