We wish to advise that we are in a position to fill your orders promptly. If you have been accustomed to place your orders through Toronto or Montre al houses, we can serve you just as well. If you wish your order to go to the Brokerage House with whom you have been dealing, we will be glad to comply. Orders for securities placed through us means that some of the commission stays in Kingston, and is spent here instead of helping to build up Toronto or Montreal.
