CARVELL WANTS **JOINT RATES**

Conform With Those In United States.

Give People's Counsel Chance to Analyze Figures.

Ottawa, Aug. 13.-The hearing of ratiway's application for increased rates has been adjourned till Wednesday next to give counsel for the public a chance to analyze the figures put in by the railways. However, many counsel for public bodies will appear before the board to-day to oppose a further application from the railways that this increased U.S. rate be allowed over Canadian lines

or through freight from United States points. The railways claim that unless this is granted American lines may discontinue the shipment into Canada of coal. By the other side it is regarded as a move to insert the thin edge of the increased rates wedge. They ask if the American Railways' Association is going to be allowed to dictate what rates shall on the Canadian portion of freight be charged on railway lines in Can-

Chief Commissioner Carvell brought up the matter of joint tariffs between the United States and Canada. He stated that an application had been filed by the American Railway Association setting forth the Interstate Commerce Commission judgment as to the through rate betwen the United States and Canada, the commission having granted the roads an advance of forty per cent. The new rate, Mr. Carvell added, went into effect on August 25th and he had brought the matter up at the earliest possible moment in order that the public might be made fully aware of the mater. He favored fixing joint rates.

Premier Venizelos Shot by Two Greeks, But In No Danger

PREMIER VENIZELOS

(Canadian Press Despatch) Paris, Aug. 18.—Premier Venizelos, of Greece, who was wounded here yesterday when fired upon by two young Greeks, spent a good night in the hospital to which he was taken, and is in no danger, it was announced by physicians to-day. The bullet, which lodged in his left shoulder, will be extracted this morning.

Premier Venizelos, of Greece, was attacked as he was leaving the Lyon railroad station for Nice. As the premier stepped onto a train two men fired revolvers at him. He was wounded slightly. His assailants were arrested.

Eight shots were fired at the Grek premier: The shooting occurred at 9.45 p.m. The premier was wounded in the right side and the left arm.

His assailants, following their exrest, were rescued by police culty, the mob shouting "Lynch them." Both of the men were severely manhandled.

They were identified by the police as Georges Thyriakis, 23, a former lieutenant of engineers in the Greek army, and Apostolos Iserppis, a former lieutenant in the Greek navy and correspondent of the Journal de La Bourse of Athens. He is 31 years old.

The men are said by the police to have admitted that they planned the attack. They said they acted with the object of freeing Greece from its oppres-

After the shooting M. Venizelos was placed in his automobile and conveyed to a private hospital in the Rue Bizet.

If the New Railway Freight Rates Come Into Force.

Of \$1.85 a Ton is Going to be Made in City of Montreal.

Montreal, Aug. 13 .-- If the proposed forty per cent. increase in freight rates goes through, local dealers stated yesterday, Montrealers buying coal about September 1st will be obliged to pay \$18.75 a ton for their winter's fuel supply, and the limit of prices is not yet in sight. On August 26th, all coal merchants will raise their charges \$1.85 a ton, to cover the freight increase of \$1.60 and the exchange, which has to be paid in addition by Canadian consumers.

The first of September comes another raise, the monthly increase of ten per cent., and this will bring the former Editor of The London Daily advance to almost \$2. Not only is anthracite coal affected, but soft coal will also cost more. The present price is eleven and twelve dollars at the mne, it was stated, and it will now be supplied in Montreal for about istic of English papers is the sup-\$18 per ton, with delivery charges pression of the other side of the movie scenario there was on the
