BRAKEMAN HIT BY TRAIN DURING FOG

Robert Arthurs Was Fatally Injured at Smith's Falls.

Robert Arthurs, aged twenty-four years, was fatally injured at Smith's Falls on Thursday morning. He was employed as a brakeman for the C. P. R. and stepped in front of train No. 34, Toronto-Montreal, at 5 a.m. Word was received here that his condition was very low and that he was not likely to recover. Mr. Arthurs was on an engine to be attached to a freight train and stepped into a telephone shanty to learn which track the engine should take. Stepping out in a fog which prevailed, he was run down by the passenger train and suffered terrible injuries. He was removed to the public hospital at Smith's Falls. Mr. Arthurs is a relative of the late Alexander Arthurs of this city.

GANANOQUE

(From our own correspondent) Aug. 3.—The Young People's orchestra of Grace church furnished an excellent musical programme for an entertainment at Olivet church on Wednesday evening.

The Citizens Band rendered another of their series of weekly open air concerts at the town park last evening, and as usual drew out a large attendance.

On account of damage to the wires caused by blasting on the road between Gananoque and Kingston, the electric light and power transmitted to the local factories from Kingston Mills was out of commission on Wednesday forenoon. A gang of men was rushed to the scene of the mishap and repaired the damage during the afternoon.

The factories dependent on water power were compelled to close down yesterday on account of short supply. If the repairs to the dam at Marble Rock are completed this week, the water will be shut off here entirely for the next two weeks to permit repairs to dams and canals in town.

Thomas McQueen, King street, has been laid up from work during the past few days on account of blood poisoning in his arm.

An interesting wedding was solemnized on Tuesday of this week at St. John's church. The bride was Miss Maxine Bishop, eldest daughter of Mrs. Maxine Bishop, First street, was united in marriage to Ernest Wemp, son of Mr. and Mrs. John Wemp, Stella, Amherst Island. The nuptial mass was sung by Rev. Father Kehoe, rector of St. John's church. The bride was attended by her sister, Miss Hazel Bishop, and the groom by his cousin, Allan Instant. After the ceremony the bridal party repaired to the home of the bride's mother, where a dainty luncheon was served and enjoyed by some fifty friends and relatives of the contracting parties. After a short honeymoon trip west Mr. and Mrs. Wemp will take up residence near Stella, where the groom is a prosperous young farmer.

M. F. Tighe, president of the National Lodge of the Amalgamated Association of Iron, Steel and Tin Workers of North America, of Pittsburgh, Pa., and Ernest Curtis, Sydney, N.S., are expected here this (Friday) evening to cope with the eight-hour day question for the workmen of this town.

Miss Mary Bovey, Hamilton, has arrived in town for a visit with her brother, Thomas Bovey, Sr., King street, west.

Mrs. George A. Robinson, Calgary, Alta, arrived during the past few days for a visit with her parents, Mr. and Mrs. Alexander Ramsay, Stone street.

Mrs. Edward Root, Toronto, is spending a short time in town with relatives.

One of the streets in Canton is occupied wholly by druggists and dentists. The name of this thoroughfare is quite appropriate—Physis street. Paris supplies, free of cost, sulphurous baths to all persons engaged in the handling of lead.
