They Say in Newfoundland
That a Seal Grows From the Time it is Born to Full Size in Forty-Eight Hours.
People will not believe this, but the fishermen say that you can stand on the ice and see them grow. Do you want to see yourself grow strong and healthy? Do you want to feel the vigor of youth tingling through your veins? Do you want to feel disease moving out, and your nerves being fortified and made strong? Do you want to feel young in body, mind and looks, despite your years? Do you want to feel as you did at twenty? Are you depressed easily? Are you low spirited at times? Are you nervous? Do you want to feel ambitious and be able to carry out your ambitions? You cannot do this unless you are strong and healthy. Your nerves must be strong, you must have a strong will power. You must have the strength. Do you know what will make you strong, your nerves and will power so strong that you will be able to get at it as you did in your younger days? It has been proven that PHOSPHONOL contains just the elements to make one strong and robust. It increases grey matter. Go to your drug store and get a box to try. Do not get a cheap imitation. Get strong. Price \$3.00 per box or two for \$5.00, or we will mail it to you, on receipt of price. Phosphonol has twenty years reputation. Thousands in America have taken Phosphonol and been benefited. The Scobell Drug Co., 81 Youville Square, Montreal, Canada.
