## PONIES VICTORS ONCE MORE

DEFEAT THE BROWNVILLE, N. Y. TEAM BY 7-4.

The Game on Saturday Was Not Up To the Usual Standard—There Was Ragged Play in Spots.

Ponies emerged from Saturday's game with Brownville, N.Y., another victory tagging at their heels. At least they won the game, but it could not be called a very great victory. The visitors were nothing to tell the neighbors about, and not even much of an improvement on the Ogdensburg team who played her Wednesday evening last. The only marked difference was that Brownville did not carry a regiment of would-be pitchers, contenting themselves with Cooper, a south-paw, for the full nine innings.

Gallagher was back in the box for Ponies but did not cover himself with mud and glory, either in the box or at the bat. He was taken out after the seventh and replaced by Cherry. The visitors were nothing to tell the neighbors about, and not even much of an improvement on the Brownville bunch who were hitting him but he could not find the plate, and runs might as well be brought in by hits as walked in. It makes the game more interesting for the spectators anyway.

Cherry lived up to his reputation when he came in from centre field for the last two innings. He allowed runs nor hits and threw steadily all the time, just as Walsh told him to.

There should be better games next week, in fact there are sure to be. Alexandria Bay are here next Wednesday and have managed to satisfy the fans so far. Friday and Saturday St. Andrew's of Toronto are scheduled. It is hard to say what they will turn out to be, but they sound rather good.

A look over the layers who have appeared with the various outside teams visiting Kingston this season makes one think that there must be quite a freemasonry of baseball clubs in existence. Two Weldons and a Halbur were here with the Brownville team and both names have appeared frequently with other teams playing here. Probably St. Andrew's will introduce some new material.

The line-up Saturday: Brownville—Craig 2b; Deloche ss; Halbur 3b; N. Weldon cf; B. Weldon c; Cooper p; Beatty 1b; Becker lf; Sutton rf. Ponies—Spoor 3b; Twigg 2b; Daly 1b; Cherry cf and p; Saunders ss; Coyne rf; Stewart lf; Walsh c; Gallaher p and cf.

The score by innings: R. H. Brownville . . . . . 0 1 0 1 3 0 4 5 Ponies . . . . . 2 1 0 0 0 1 0 7 Empire—George Sullivan. Time of Game—90 minutes.

## REGIOPOLIS JUNIORS WIN

Defeat the Young Irishmen By 13 Runs to 10.

The Junior League game between Young Irishmen and Regiopolis had a higher score than the senior game on Saturday, but it was perhaps a better exhibition of baseball. It was certainly more interesting. One of these days some of these youngsters of the baseball circle are going to turn out and trill some of the senior teams, and that without much trouble, if the big fellows are any good.

lows do not soon get a move on them.

There are heavy hitting and good fielding on both sides, and heavy scoring throughout the game. These smaller calibre teams are like the old-timers. They do not depend entirely on the pitcher, and the fielders have quite a lot of exercise as a result, which does them not one bit of harm.

The Irishmen worked hard and pulled out four runs in the last inning but their opponents had been working all the way with scores now and then, to say nothing of five runs in the eighth, and their lead could not be taken down.

The line-up: Irishmen—Fitzgerald c; McEay 1b; Devlin 2b; Johnson ss; Fowler 3b; McCulla lf; Meredith rf; Ada cf; Bennett p.

Regiopolis—Larushe cf; Halpin rf; McCabe lf; James 3b; Quinn c; Thompson ss; Kehoe 2b; James p; Lawless 1b.

The score by innings: Irishmen . . . . . 1 0 1 2 0 1 1 0 4 10 13 Regiopolis . . . . . 2 1 0 1 1 1 1 5 13 13 Empire—Thos. O'Neill.

## CLAUDE DIXON BACK WITH POP WATKINS' CLAN.

Claude Dixon, star catcher and batter of the Havana Red Sox in 1914, has rejoined Pop Watkins' outfit at Ogdensburg, according to word received from the dusky pilot today. Before Dixon, he has also regained Thompson, another member of the combination several years ago which was considered the fastest club he ever managed in his 20 years as a baseball leader.

Pop declares that he is after the championship of Northern New York and he has strengthened his team this year in an effort to cop the title. Both Dixon and Thompson are certain to prove valuable additions to his aggregation of tossers.

Concerning the club Pop writes: "I don't know my team has been a mediocre club but I believe that I can compete with any team at the present time for the championship of Northern New York barring none."

## The Speed of Yachts.

Most people do not read yachting news in the ordinary way. As a consequence, when they concentrate upon a big event like the race for the America Cup they are frankly astonished that the entrants do not, when given a stiff breeze, get up a bigger speed. The truth is that the finest racing yacht cannot touch a big sailing ship in the matter of speed. The log book of the clipper James Baines at 8.30 p.m. on June 18th, 1866, showed that she was doing 21 knots. On that date she sailed 418 knots in 23 hours and 23 minutes. This is probably a record for speed under sail. In racing trim, famous yachts like the Vigilant, Defender, Columbia and the Shamrocks have claimed to do as much as 14 knots in short spurts.

## Hagerman of Woodstock Leaves for Buffalo.

Woodstock loses one of its best-known athletes next week, when Ernie Hagerman, for two years prominent in sports, leaves for Buffalo, where he has accepted a position. Hagerman played on the local O.H.A. intermediates for two years, and has been one of the shining lights in the Woodstock city baseball league. Before going to Woodstock he was in Belleville and Kingston, and for two years was a member of the Kingston intermediates when they fought out the finals for the O.H.A. championships.

Frank Brower, leading batsman of the International League, which has been sold by the Reading club to the Washington Senators, has had two trials in the big yard. Four or five years ago, when fresh from college, Brower was tried out by the St. Louis Cardinals. Later he was with the Phillies, but was again turned back. He has not shown very brilliantly in the field, but he's certainly a "bear cat" with the stick.

St. Joseph, champion of the Western League last season and with good prospects of repeating this year, has been drawing less attendance at home than any of the other eight clubs of the circuit.

Joe Cosgrove is certainly the class of the Waterbury Eastern League team. In addition to managing the outfit, he is leading his team in batting, base running and fielding.

## THE FRENCH CHAMPION GIVEN THE PREFERENCE

The International Sporting Club has announced the signing of a contract for a 15-round decision bout between Georges Carpentier, European champion, and Battling Levinsky, world's light heavyweight champion, to be held at Ebbets Field, Brooklyn, October 12.

The agreement which was concluded secretly several days ago, was signed by Jack Curley, the boxing promoter, acting for Francois Deschamps, manager for the French champion, and Dan Morgan, acting for Levinsky. The amount of the prize to be offered and whether the bout will take place in the afternoon or at night will be announced later.

Officials of the International Sporting Club said that they were offering the Carpentier-Levinsky bout in preference to a proposed meeting between world's champion Jack Dempsey and "Knockout" Bill Brennan, who recently signed to box at some undetermined date. A questionnaire sent to the club members showed returns favoring the appearance of Carpentier by a majority of approximately 5 to 1.

Ebbets Field, where the contest is to take place, has a normal seating capacity of 28,000, but the promoters declared that arrangements were being made to seat 30,000 for the exhibition.

## RAIL FAN DROPS DEAD WHEN RUTH HITS HOMER.

Babe Ruth stepped to the plate in Thursday's game at the Polo Grounds. There was a hush of expectancy, one man leaned forward in his seat in the box, tense with excitement.

A bat met ball with a crack and the spheroid sailed out toward the farthest bleachers for a homer. The crowd yelled—all but the man in the box. "He slumped forward, dead of heart failure."

Papers in his pocket identified him as Theodore Sturm, Belrose, Long Island. Physicians said his heart was weak.

## A Young East Indian Runner.

All-Khan, the youngster wearing the colors of the Athletic Society of Cannes (France), who finished 4th in the Olympic 100 metre race Tuesday, was discovered two years ago by American doughboys convalescing along the Riviera. He is predicted to be one of the world's famous sprinters within the next few years.

All-Khan, well-known by those who spent time at Nice and Cannes, is the son of an Indian prince, being born June 6, 1902, at Ville-Franche-sur-Mer, two miles east of Nice.

The prediction is made that the increase in railroad fares will bring about a shortening of circuits in a number of the smaller leagues next season. The trans-Austrian railway provides free of charge shower baths for through passengers.

## ON THE ROAD, NOT ON PAPER

Many a dealer honestly thinks that he sells wonderful cars and says so, glowingly. But after all, that's only what he thinks, and his idea may not be yours.

A car is valuable to you, not for what a dealer says about it, but because of what it will do for you on the road. That's where your car will make you happy or unhappy.

We have never been able to do justice to the Reo Six on paper. Words and pictures fall short. But on the road, where the only thing that counts is the merit of the car itself—there is where you certainly know, first hand and for yourself, that this amazing Reo Six is a car after your own heart.
