To Play at Picton.
The Royal Canadian Horse Artillery band, one of the best military bands in the dominion, has been engaged for the four days of the Prince Edward Old Boys' memorial fair. The Picton Gazette says: The R. C. H. A. band is a classy band and will delight the people of Prince Edward with their music.

P.M.G. brigade on charges of "conduct to the prejudice of good order and military discipline, and striking his superior officer, being in the execution of his duty," has been confirmed by the convening authority, and is now promulgated. The sentence is 120 days detention.

Re-Opening of Schools.
The public schools will open on Wednesday, Sept. 1st. Pupils will return to their former classes for directions. New pupils should apply at the nearest school not later than Sept. 15th. The Collegiate Institute will re-open on Tuesday, Sept. 7th.

Boys Must Behave.
Boys who go in swimming must be on their good behavior. On Friday afternoon a complaint was made about boys in swimming at the foot of Simcoe street, using bad language. Constable Nicholas Timmerman went to the scene and informed the youngsters that they must be on their good behavior, and they promised to be good.

Had To Call Constable.
The people of Barriefield are very much alarmed by boys from the city who bring rifles and shoot very carelessly as though there were no one within miles of them. One of the residents was obliged to call on the constable of the village on Thursday evening to stop them as they were shooting wildly in front of her house.

The Tallest Ever.
What is probably the tallest sunflower reported in Ontario this season is growing in the garden of James A. Holland, 429 Johnson street, this city. It measures 12ft. 7ins. in height and has attracted a great deal of attention. Such a growth is seldom attained and Mr. Holland's success is highly commendable. He will enter the plant in the horticultural exhibition.

Married at Detroit.
Mr. and Mrs. Eugene Rorabeck, Crofton, announce the marriage of their daughter, Addie Blanche, to Harland O. Barrow, Greenville, Missouri, on August 7th, at Detroit.

J. H. Russel Dead.
James Herbert Russell, Ameliasburg, died very suddenly of a five-day evening of angina pectoris at his home. He was a well-known farmer of Prince Edward county, and was fifty-two years of age.

Purchased a Home.
W. H. Hooper has purchased the Murphy homestead, opposite the Mississippi hotel, Carleton Place, and will get possession about the 1st of October. Mrs. S. J. Allen and family, who at present occupy the home, have secured the apartments over the Bank of Nova Scotia.

Cost of Waterworks.
Andrew F. Macaulay, C.E., Ottawa, a well-known hydraulic engineer, visited Almonte and looked over the town to give the citizens an idea of what waterworks at present-day prices would cost, if the supply were taken from the Mississippi river. He estimated that a complete system, including a pumping station and filtration plant would cost at today's prices \$263,635. If considered advisable to install waterworks by sections the cost of each street could be deducted.

Fortunate Canada.
All in all, the beautiful harvest now being garnered will enable the dominion to look forward to the coming winter with the assurance that while there may be areas of depression here and there, no general collapse of business prosperity need be feared. In the money-scurvy world of to-day few nations have a better outlook than Canada, the well-being of which is based firmly upon the fertility of her boundless fields.

Celebrate Golden Wedding.
Mr. and Mrs. George Walbridge, Belleville, on Tuesday celebrated their golden wedding in the presence of their children and grandchildren. George Walbridge and Miss Phyllis M. Clark were married in St. Thomas church, Belleville, by the Rev. John Greer, Aug. 24th, 1870. They have five sons and two daughters: J. N. Walbridge, K.C. Edmonton; J. N. Walbridge, manager of Merchants' Bank at Woodland, Man.; Dr. F. G. Walbridge, Arthur R. Walbridge, C. Frederick Walbridge, Miss Amy C. Miss Helen Walbridge, Belleville. Three of the five sons served in the war.

The following are dates and denominations of a few old coins Ralph Adset, of this city, has collected: Two penny tokens, province Du Bas, Canada, 1837; one half penny token, province Du Bas, Canada, 1837; one half penny token, 1812; one penny token, Guilelmus IV, 1831; one penny token Bank of Upper Canada, 1854; one penny New Brunswick, 1843; one victoria penny, 1862; one victoria penny, 1874; one victoria half penny, 1901 one large U. Had a Fine Picnic.
The members of St. George's cathedral junior branch of the W. A. went down to "The Maples" in a van on Thursday and spent the afternoon in the beautiful grounds, swimming in the clear water running races for which the winners received pretty prizes, and at last sitting down to a well-supplied table on the grass, one of the features being a birthday cake bearing seven red candles in honor of one of the party. An evening drew on the van arrived with cheers for Miss Goring, the superintendent, and Miss Frances Cartwright, her assistant, the merry party returned cityward, one small girl saying, "I wish it was just beginning." This yearly treat is made possible by the kindness of Miss Macaulay, the president of the diocese, and other friends of the junior auxiliary.

Was a Splendid Success.
Napanea is very proud of its Chautauqua event. Thanks to the energetic work of Mayor Robertson and in both the aggregate receipts and the attendance at any one meeting it was a record breaker for the province of Ontario. Last year the Chautauqua was an experiment in Napanea, but so well satisfied were all who attended the series of entertainments that no difficulty was experienced in securing enough subscribers to guarantee the company against a financial loss for the following season. This year the Chautauqua has passed the experimental stage and was an unbounded success far exceeding the expectations of its most sanguine supporters.
