Rowan Stars Unable to Come. This morning Stan Trotter received a telegram from the manager of the Rowan Stars, Oswego, N.Y. stating that it will be impossible for them to come to Kingston for the games booked Friday and Saturday.

Needless to say this is a great disappointment to both the players and the fans. However, as usual, Stanwas on the job right away and has secured the Alexandria Bay team to appear against the Triple Links on Saturday afternoon. This game ought to be of exceptional interest as each team has won one game in previous contests and the game on Saturday will be the "rubber."
