The Formal Presentation of The New Fall Modes

Millinery, Suits, Coats, Dresses, Waists and Yardage Goods

Occupies the centre of attraction for all smart women. The showings this year are if anything more attractive than any opening display ever offered heretofore—in quantity, quality and most noticeably in a marked lowering of cost—our prices averaging at least 20% less than for the same period last year, while the assortments are much broader.

WE TAKE THIS OPPORTUNITY OF INVITING YOUR INSPECTION FOR TO-MORROW.

the second day of our formal presentation of the newest Fall modes.

A Paris Chemist Has Discovered How to Grow Hair.

In Paris the ladies have entirely abandoned wearing rates, which is due entirely to this new discovery. It has been proven that certain herbs contain ingredients that will positively grow hair. That they contain this long-sought-for article is proven every day.

The French are now placing on the market a preparation containing the extract from herbs and leaves, which is having a phenomenal sale. This preparation is called "DELMAY'S FRENCH HAIR TONIC" and is being sold with a guarantee to remove dandruff and to grow hair in abundance. Being daintily perfumed, DELMAY'S FRENCH HAIR TONIC makes a most pleasant dressing, and is sold by your druggist. Price \$1.00 a bottle. Sold at Sargent's Drug Store.
