"THE PLACE TO GET THAT RECORD"

### 100,000 HOMELESS.

Rome, Sept. 13.—The number of victims of Tuesday's earthquake was still uncertain to-day, but officials said that tents and barracks were needed for 100,000 homeless. The latest reports from relief workers indicated that possibly 1,500 persons were killed and 10,000 injured.

Commodore A. C. Ross is in Toronto in connection with his plan to have Canada challenge for the America's Cup.

Mrs. Ruth Roudy, Trux, was instantly killed when an automobile overturned near Wilcox. The Duchess of Marlborough is being urged to stand for parliament as a Labor candidate.

## CHANGES MADE IN RULES

### By the Rules Committee of the Intercollegiate Rugby Union.

Finding openings in the recently revised off-side interference rule of the Intercollegiate Rugby Football Union, the Rules Commission at a meeting in Montreal, placed an interpretation on the rule which in their opinion will eliminate the encouragement of off-side interference. The off-side interference rule as revised permits interference for a distance of four yards from the line of scrimmage. Since the rule was adopted, it was discovered by some of the members of the Rules Commission that plays could be developed by which the permitted off-side interference rule would be detrimental to rugby football in place of having the desired effect of opening up the play. The following interpretation was placed on the rule: "That a hole in the line of scrimmage cannot be made by charging at right angles to the line of scrimmage, the man preventing of a hole being made must be taken sideways."

## Increases Your Weight, Restores Lost Strength, Prevents Illness

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal. Ferrozone is a marvel. It contains just what thin blood lacks—lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day. Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary. That tired feeling is replaced by the buoyant, joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a great tonic of great merit is at work. No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutriment than you can get in any other way. 50c per box or six for \$2.50 at all dealers.

## Even this will permit of advantages being taken of the rule which perhaps would have been better had it been left as a year ago.

It was also decided that no scrimmage can be held within one yard of an opponent's goal line. With a view to keeping down expenses it was decided to use local officials as much as possible. With the fact in mind the officials from the various scheduled games were appointed. The senior series will, as a year ago, consist of McGill University of Montreal, and Queen's, R.M.C., being unable to place a senior team on the gridiron this autumn. A touchdown from a fumble will only count three points with a try at goal, and whether the try is converted or not the ball will be kicked off at the forty yards line. The following officials were appointed:

- McGill at Queen's—Referee, G. C. MacKenzie, R.M.C.; umpire, G. C. Walker, R.M.C.
- Toronto at Queen's—Referee, Lieut.-Col. Constantine, R.M.C.; umpire, L. C. Montgomery, McGill.
- McGill at Toronto—Referee, Hugh Gall, Toronto, umpire, L. C. Montgomery, McGill.
- Queen's at McGill—Referee, Major Macaulay, Queen's; umpire, Dr. Park.
- Toronto at McGill—Referee, Major Macaulay, Queen's, umpire, L. C. Montgomery, McGill.
- Queen's at Toronto—Referee, A. C. Dunbar, R.M.C.; umpire, Billy Foulds, Toronto.

## COLLEGE RUGBY UNION HAS TAKEN THE LEAD

Rugby football, writes W. A. Hewitt in the Toronto Star, should prove unusually popular this autumn, not only because of the variety of the competition but because of an honest effort on the part of those concerned to make the playing rules uniform and intelligible to players and public alike. The Inter-Collegiate Union has taken the lead in this connection and it is expected that the hard work of the Rules Commission during the past summer will bear fruit during the coming season. This commission consists of Lieut.-Col. Constantine, Royal Military College (chairman), E. O. Sitter, Kingston; Dr. W. B. Hendry, Toronto; Dr. MacAuley, R.M.C.; Dr. A. B. Wright, Toronto; Dr. L. C. Montgomery, Montreal; Prof. W. L. Malcolm, Kingston, and Dr. A. F. Argue, Montreal (secretary). The commission went carefully over the rules and endeavored to make them as explicit and understandable as possible. One thing the commission did that will appeal to the public was to make provision for grid-ironing the playing field by making it compulsory to have white lines drawn across the field every five yards on either side of centre and parallel to that line. This will enable the public to follow the play closely and will also be a great help to the officials in charge of the games. Furthermore it will be a great saving in time and will prevent any dispute or dissatisfaction in regard to "yards". This change has been advocated for some time and the public will realize the benefit of this innovation when they attend their first game this season. It will be the first thing that will appeal to patrons of the game. So far as the Intercollegiate is concerned, there will be no dicker over officials for the senior championship matches, this year at least. The Rules Commission will make the appointments for these games, and also for the final intermediate and junior matches. The Interprovincial will also have a board of referees, with the appointments in the hands of the president. Harvard will not figure on the Dartmouth football schedule this season, but the Green will not lack formidable opponents, having scheduled games with Syracuse, Cornell, Pennsylvania and Brown.
