### MAJOR-GEN. JOHN SEELY

Distinguished British Soldier and Statesman Views Military College Sports.

Major-General the Right Honorable John Seely, C.B., C.M.G., who is the guest of Major-General Sir A. C. Macdonell, K.C.B., C.M.G., D.S.O., commandant of the Royal Military College, is a most enthusiastic Canadian sportsman. When interviewed by a representative of the Whig at the college on Wednesday, he was enjoying the performances of the gentlemen cadets in their aquatic sports, and expressed his admiration of all he saw. In addition to being a distinguished soldier, Major-General Seely is one of the empire's statesmen, having served as under-secretary for the colonies, under-secretary of war, and

MAJ.-GEN. JOHN SEELY

from 1912 to the outbreak of the war secretary of war in Mr. Asquith's cabinet. In the South African war he served with distinction in the Imperial Yeomanry. Upon the appointment of Lord Kitchener as minister of war early in 1915, he was appointed to command the Canadian cavalry brigade, a most popular appointment, and his three and a half years leadership was marked by great distinction. As in South Africa, his faculty for forming warm attachments found him a great many friends in the Canadian corps. While he and the late General Botha were opponents in battle, and on one occasion were directly opposed, and narrowly es-

aped personal encounter, they later became close friends. In his tour of Canada Major-General Seely is renewing the acquaintance of his former comrades in arms. On Wednesday he met the officers of the R. C. H. A. At Toronto he will visit the Royal Canadian Dragoons; at Winnipeg, the Fort Barry Horse, and at Calgary the Lord Strathcona Horse. These were the four main units of the brigade. He has received numerous invitations from Canadian clubs, and he would like to postpone his stay to the latter part of the month. His parliamentary duties may, however, interrupt his itinerary.

"If a really serious situation arises in England," said Gen. Seely, "it will be necessary to cut my visit short, and from the latest news I no longer feel justified in making any but provisional arrangements."

When asked what impressed him most since landing in Canada he said it was the extreme kindness of the people everywhere. Major-General Seely impresses one as being typical of the British politicians and statesmen who have knit together the component parts of the British Empire by the spirit of confidence and good-will that dominates the relations of the mother country and the overseas dominions.

### Theatrical

"Grumpy." The management of the Grand Opera House takes very much pleasure in announcing the coming engagement of Mr. Cyril Maud's celebrated London and New York success entitled "Grumpy," with genuine English players—a strictly London company, on Saturday, Sept. 18th, matinee and night.

Those who follow theatricals will recall that "Grumpy" was one of the biggest successes ever presented not only in London, but in New York, where it played for over a year at "Wallack's Theatre." In the company presenting the play here several of the original cast will be seen. The title role is that of an old criminal lawyer nicknamed "Grumpy" by his adoring grand-daughter because of his octogenarian querulousness. He is retired from practise and when under his roof a valuable diamond has been stolen the old man takes a flare at Sherlockholming and does not rest until he has discovered the thief.

Edward Lewers for thirteen years director and leading man with Robert B. Mantell's company, will play the part of "Grumpy," supported by a cast of nine other prominent English stars.—Adv.

### "Mademoiselle of Bully Grenay."

"The P.B.I. or Mademoiselle of Bully Grenay," is Canada's epic of the Great War. Written and played by the men who took part in the war. This play is not an exaggeration of the war, but the real life of Johnny Cannuck in France. He has his good days and his bad days and through it all he comes up smiling and triumphant. For those who were so unfortunate as to miss seeing France in war-time the chance is now given, while those who were there may have the pleasure of living over again the bright moments. "The P.B.I." will be at the Grand Opera House Monday, 20th Sept.—Adv.

### THE LENNOX COUNTY FAIR

Between Eight and Ten Thousand People in Attendance on Second Day.

The immense attendance at the Napanee fair on Wednesday totally eclipsed that of the previous day and it is estimated that between eight and ten thousand people were there to enjoy the numerous and most interesting attractions provided for their delectation. There was something worth while doing every minute and delightful sunny weather to do it in.

The exhibition hall was as usual the centre of attraction and large crowds were present enjoying the beautiful exhibits and the fine music rendered on piano, player piano, or phonograph. The other exhibits in different parts of the grounds attracted a steady stream of sight-seers.

The horse races also attracted a large concourse of people and were particularly interesting.

### Speeding Events.

2.15 class: Hazel H. E. Jones, Peterboro, 2-1-1-1; Bub, Chas. Moore Port Hope, 1-2-2-3; Herman Ringer, 3-3-3-2.

2.19 1/4, 2.14 1/4, 2.14 1/4, 2.16.

### 2.18 Class.

Dolly Patch, 1-2-2-1-1, Billy, 2-1-1-1-dr, Swift Line, 3-3-3-3-2; Miss Charlotte M., 4-4-dr; 2.18 1/4, 2.24 1/4, 2.29, 2.32.

A regrettable accident occurred in the spectacular automobile act in front of grand stand in the afternoon. The model A Overland was to make a daring leap over an eighteen foot gap and a five foot hurdle. The jump was made alright but on landing on the other platform the car smashed through it and was badly damaged. The driver jumped clear of the wreck and was unhurt.

The high school and collegiate cadet drill competition was an interesting event, and was watched carefully by a large number of people and many admiring glances were cast on the neat, soldier-like, and well set up appearance of the young fellows. The officer in charge was Col. G. H. Gillespie, Kingston. The competing corps were from Kingston, Picton, Belleville and Napanee. The result of the contest was that Napanee won the handsome cup, and as they have won it two years in succession they become absolute owners.

The baseball match between Verona players and the Havana Red Sox was enthusiastically observed by a good crowd. It is conservatively estimated that the human ring surrounding the ball ground would contain three thousand persons. The Verona men put up a good game but were defeated. The score at the close of the game was 8 to 6 in favor of Red Sox.

A most successful day was brought to a fitting close by a grand concert at the exhibition arena, with an assemblage of about twenty-five hundred people. The artists were

### DANDRUFF IS DANGEROUS

Dandruff is so common that many people disregard its warning and rely on shampoos to keep their scalp clean. This is not sufficient. The dandruff soon returns and shows the presence of the dandruff "germ" which cannot be washed away. The dandruff germ is dangerous because it destroys the life and vitality of the hair root and relaxes the muscular tissues which hold and protect the hair sac. Then the hair gets thin, brittle and dead looking, falls out badly and in time baldness results. To save your hair, the dandruff germ must be destroyed. Here is a simple prescription which you can easily make at home. It is perfectly harmless and will not stain the scalp.

Get from any druggist 6 oz. Bay Rum, 2 oz. Lavona (de composee) and one-half drachm Menthol Crystals. Mix together and allow to stand over night before using. It is not enough to merely put this on the hair. It should be rubbed right into the scalp with the finger tips or a stiff brush. It doesn't take over ten minutes a day and I know of nothing so effective and certain in its results. E. W.

### What Women in Their "Forties" Need

By a Specialist.

Many women approach the critical changing period of their lives that comes between the ages of forty and fifty, unmindful of its tremendous importance to their future health and happiness.

Life, its very self, may be in the balance—but not understanding the functional changes taking place in their bodies, and feeling that they must keep going, they often work beyond their strength, until they break down and become nervous wrecks, their bodies suffering with fatigue and their weakened nerves trembling at every step.

It is quite evident, at a time like this, that a woman needs something to help relieve the pressure on the over-worked nerve centres and to give her the vitality to stand up under the grueling strain. Wonderfully effective results may often be obtained from the prompt and regular use of FERRO-PEPTINE—a harmless and especially prepared combination of Iron and Phosphate that we believe are particularly adapted for conditions of this kind.

FERRO-PEPTINE tablets contain no dangerous habit forming drugs of any kind, and therefore can be taken with perfect safety, even in the worst cases with the assurance of prompt and pleasing results, or they cost you nothing. There are thousands of women who would, no doubt, be glad to tell you how FERRO-PEPTINE strengthened their faded nerves, revived their tired brain, and gave them the strength and courage to stand up under the unusual strain of the changing period.

But please remember, its what FERRO-PEPTINE will do for you, that counts, and you are to be the judge—FERRO-PEPTINE must be entirely satisfactory—must bring pleasing results to you, or it costs you nothing as leading druggists everywhere are authorized to sell it on a positive money back guarantee if not satisfied.
