Died Very Suddenly.

Results Have Little Significance Says here for treatment. Toronto Globe. Montreal Gazette-The victory of the government in the first bye-elections since Rt. Hon. Mr. Meighen became Premier may not be significant of the general feeling towards his government, but it surely is encouraging to those who believe in the principles and policy for which that government stands. It has been made a reproach of the Meighen ministry that it did not represent the people and upon this point there has been incessant play of words, The Meighen ministry has now been judged by the electors of two Maritime constituencies, and the answer is emphatic. Mr. Meighen has the support of New Brunswick and has the support of Nova Scotia, and from the support registered yesterday, the Premier may take hope and courage that the policy accords with the opinion of the people. . . The result of yesterday's election is a tribute to Hon. Mr. Meighen. He has mounted the first hurdle, has the courage and cause to mount others, and from this primary success may take shope to

kenzie King his answer in no misprovinces are a prudent and farseematerialize. They are satisfied that

Toronto Globe:- "These ministerial bye-elections created little interest throughout the country. In two specially selected constituencies newly appointed ministers were asked to hold seats won by a majority of 8, 000 and by acclamation, respectively. Under all the circumstances Mr. Meighen can scarcely take much consolation from the returns. Mr. Meighen, however, will shortly have a much more satisfactory opportunity of test-ing the position of his government with the electorate of the Dominion. The old Conservative constituency of East Elgin will furnish a better estimate of the sentiments of the general public than the two hand picked regions which the ministers held by decreased majorities yesterday."

York customs house yesterday was under the heaviest guard in its history, because of the warning received that the Wall street explosion last Thursday would be followed yesterday afternoon with blowing up of the great government structure, but the day passed without an untoward incident although thousands of people showed their anxiety until after the hour set in the warning.

Freight Wreck on U. T. R. When part of a freight train broke loose on the C.P.R one mile west of Haley's station Tuesday morning, a flat car buckled and broke in two, three other freight cars being Y., the marriage to take place some derailed. The Chalk River wrecking crew, which was called, succeeded in re-opening the line for traffic.
