Sept. 27 .- The High School Literary Society held an enjoyable open session in the assembly hall of the school on Friday evening . A number of friends and relatives of the pupils were in attendance and enjoyed the musical treat as well as the illustrated lecture on "After the Last West What? The committee of conservation, Ottawa, furnished the slides which showed scenes of western life and resources of our great country. Among those contributing to the musical part of the programme were: the Misses Seal and Stunchen, a piano duett; Bruce Mabee, a man-dolin solo; Donald LaFrance, a violin solo. Mr. Rutherford, organizer of technical night schools, was in attendance and gave a short address. Rev. C. E. Kidd gave the lecture on the above mentioned topic. Gerald Keyes, president of the G. H. S. literary society, acted as chairman.

The steamer Belleville was in port on Saturday hight with a considerphia amount of freight for the local

There was quite a large offering of live hogs on the market here on Saturday which was all purchased by local buyers for shipment.

On Saturday night, Mr. Day, while returning from Kingston, with D. J. Lloyd's car, had a bad mishap a short distance west of Willowbank cemetery, where the car failed to respond to her steering apparatus, ran into the ditch, bowled over several fence posts and finished by turning turtle. Fortunately the only real damage was to the car.

The work of repairing the spire of Christ church which was struck lightning recently, has been start- CAPE VINCENT GUIDES ed. The repairs will cost about \$900. F. Wright is in charge of a gang of workmen who are engaged in the work of covering the spire of St. Andrew's church with slate shingles.

Frank Earl, Lansdowne, has purchased from the owner, J. Bennett, the fine brick residence on Brock street, for some time past occupied by T. I. Ellis.

Daniel Smith, Brock street, has disposed of his commodious frame Seeley's Bay.
