Bishop Welcomed Home. A cordial welcome home was tendered Bishop Farthing at the quarterly meeting of the executive committee of the Anglican diocese of Montreal, at which there was a very representative attendance. "Sh" on the Rural Telephone. A school teacher in rural Ontario was teaching the primary class the sounds of the letters, and was having some difficulty in explaining "Sh." By way of illustration she says "Why, you have all heard your mother say 'sh,' especially when you have been making too much noise." Noticing that one little girl wanted to say something, she said, "Well, Helen, have you heard her say 'sh'?" Helen replied, "Yes, she says 'sh' when she is listening on the telephone."

May Form Board of Education. Decision to secure the opinion of the ratepayers of Brockville on the question of substitution of a Board of Education for the boards of trustees which at present supervise the

Should the measure carry, it was pointed out that it would not become effective until a year later, which is the earliest date at which members of the Board of Education can be elected.

Show in Trenton's New Arena. The first exhibition of the Trenton Horticultural Society was held on Tuesday in the new arena building, and proved to be a great success, the exhibits of flowers, fruits and vegetables in particular, exceeded the expectations of the management committee, and many applicants for space were turned away for lack of room. The society and citizens are so encouraged by their success holding an annual agricultural and horticultural exhibition. The manufacturers, merchants and other dealers in town contributed largely also to the exhibits.

Genuine Dramatic Treat. A charming play, spectacularly done, describes briefly the great success scored at Montreal on Tuesday, by William Faversham with Mark Twain's "The Prince and the Pauper." One of the most brilliant audiences ever assembled in His Majesty's theatre cheered the star and shared his triumphs at the premiere. Mr. Faversham and "The Prince and the Pauper" are shortly to visit Kingston, one of the very few favored for presentation of the spectacle prior to opening in New York. A genuine dramatic treat is impending.

Playgrounds Exhibit. The exhibit at the fair of the supervised play grounds is attracting much attention. In connection with this exhibit, it is pointed out that it represents the work of little tots between five and twelve years who attended the playgrounds during the summer holidays. The work is remarkable, as showing the results of applications on the part of the child, and means much in physical and mental development. Only two and a quarter hours a week were devoted to such work, as play rather than work is the subject of those supervising the classes.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

For Colds, Pain, Headache, Neuralgia, Toothache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all. Accept only "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nineteen years. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages. There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Mono-acetic acid ester of Salicylic acid.
