

Not Closed Yet

No, the bicycle season is not ended yet—there will be lots more riding until the snow flies deep enough to stop them.

And when winter does come, you'll have the satisfaction of knowing that your bicycle will be ready waiting to ride when the spring comes again.

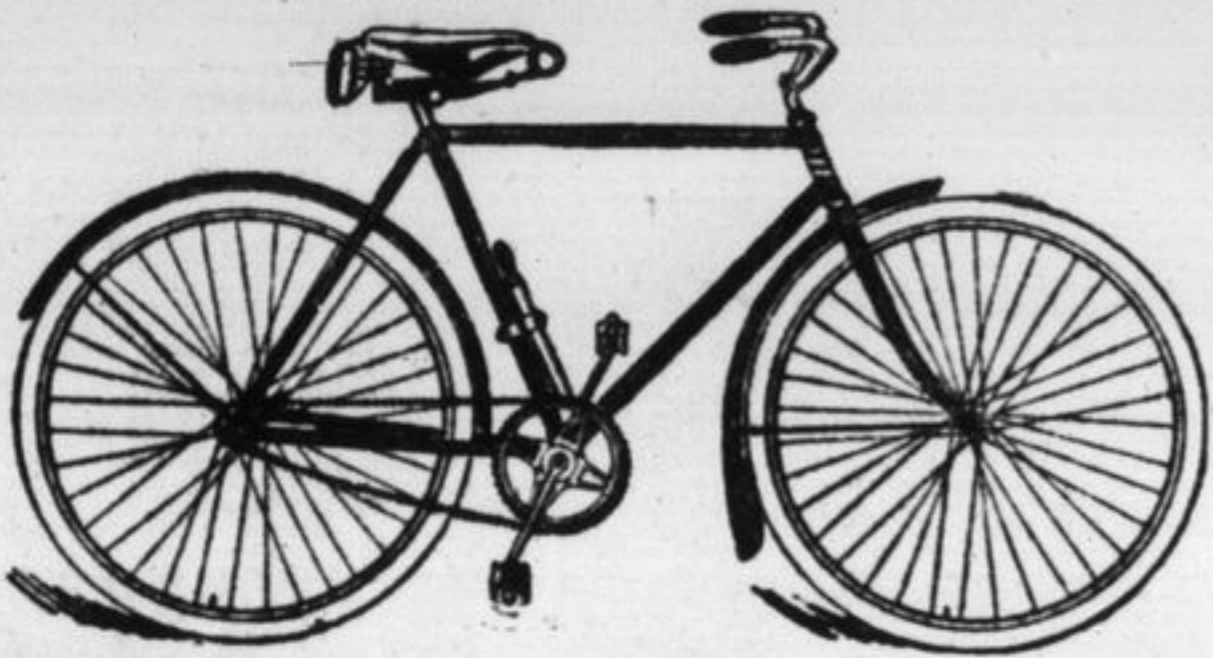

We sold a number of Bicycles during exhibition week to people who know bargains when they see them.

Now, here's your opportunity to get one on easy terms if you like—and ride it until the winter sets in. Next Spring it will be just as good as when you put it away.

We could keep them and get more for them in the Spring, but we need the room.

Bicycles are lower in price here. Come around and look them over—guaranteed the best.

If you appreciate what big buying will do, you'll get one of these Bicycles.

"THE PLACE TO GET THAT RECORD"

In the World of Sport

QUEEN'S BACK DIVISION

Consists of Ryan, Carson, Edwards, Graham, Bowman and Nickle.

For about one and a half hours before the regular practice on Wednesday afternoon, Queen's first team back division had a good workout on the lower campus under the supervision of Lindsay Malcolm. They first took some pointers on long distance punting with all varieties of wind.

The wind coming across the campus was admirable for such a workout, as the players could turn to given directions and learn the peculiarities of all kinds of angles of the breeze. Later some of the line men turned up and some time was spent in practising drop kicking.

Some fine material showed up in this line and Queen's will be confident to their opponents in this respect, once past the half way line. When the main body of the rugby squad came on the field the senior men fired to the western end and began instruction and practice in converting. Here again the wind may have them work hard, but they have the convert down pretty fine in spite of it.

Ryan, Carson, Edwards, Graham, Bowman, Nickle are the principal members of the back division who were on the job. When Edwards, Carson and Bowman get lined up, with Ryan hovering around, they form a quartette which gives a fellow a small feeling. Bowman is as hard to drag off his feet as ever, and one might as well take a flying tackle at an oak tree.

FORMER SHORTSTOP IS NOT FORGOTTEN

Cleveland Players Vote Full Share of Receipts to Mrs. Chapman.

The division of the receipts for the first world series game are as follows:—Ten per cent. of gross to National Commission, \$7,904.90, leaving a balance of \$711,441.10. Sixty per cent. of this balance for players' funds, \$42,686.46. Forty per cent. to club owners, \$28,457.64.

The players' fund is divided 75 per cent. to the members of the two teams participating in the world series and 25 per cent. to go into a pool to be divided among the players of the teams which finished second and third in the National and American Leagues.

The Cleveland players have voted a full share of the portion of the receipts to be divided among them to the widow of Ray Chapman, the shortstop who was killed by a pitched ball in a game between Cleveland and New York in this city.

Motion Picture Rights. Motion picture rights in connection with the matched race between Samuel D. Riddell's "Man of War" and Commander J. K. L. Ross' "Sir Barton" at Kenilworth race track next Tuesday were disposed of by Toronto interests which arranged the race, to D. W. Griffith's American film play producer, for \$10,000. This is said to be the first time motion picture rights for a horse race have been sold.

INFLAMMATORY RHEUMATISM PERMANENTLY CURED

NEW BRUNSWICK LADY GIVES FULL PARTICULARS OF HER RECOVERY

There are many types of rheumatism, but none worse than inflammatory.

It was this kind that almost killed Mrs. Edw. Warman, of Kent, Jct., N. B.

Every known remedy gave their advice, but the disease increased.

Weak and despairing, she was at her wits' end when the remarkable cure of Thos. Cullen was published.

This gentleman was cured of rheumatism by "Ferrozone." Consequently Mrs. Warman used the same remedy.

Here is her statement: "For five years I have been rheumatic. I tried various forms of relief without success. The disease increased, settled in my joints and muscles; these swelled, caused excruciating pain and kept me from sleeping. My limbs and arms stiffened, my shoulders were sore and prevented me from working. Week by week I was losing strength and despaired of finding a cure. It was a happy day I heard of Ferrozone.

Every day I took Ferrozone I felt better. It eased the painful joints, gave me energy and a feeling of new life. Ferrozone cured my rheumatism, cured it so that not an ache has ever returned. Even damp weather no longer affects me."

Ferrozone has power to destroy Uric Acid, neutralize and enrich the blood, and therefore does cure the worst cases. Mrs. Warman's statement proves this.

By removing the cause of the disease and building up a reserve of energy, Ferrozone is certain to cure. Sufferer, isn't it about time to stop experimenting? Ferrozone is a CURE, order to-day, 50c per box, or six for \$2.50, sold by all dealers.

For the first time in its baseball history Chicago will not receive its annual set of betting odds on the world's series.

Jim O'Leary, veteran Chicago gambler, who has always quoted the odds in the past, said he will have no book this year.

"I'm off gambling on baseball," he said. "It's too crooked."

There is just the possibility that the Grand Jury investigation now in progress may have actuated the layers of odds in their decision not to do any betting on the series this season. Betting on baseball will be "unhealthy" business henceforth.

Ottawas Expect to Win. Fresh from their inaugural win, the Ottawas are anxious for Saturday to roll round, so they can take another turn out of the Tigers.

While Joe Smith will not be able to play in Hamilton, he expects to be back in the line-up for the game against Montreal the following week. He was the only injury suffered by Ottawa.

Silver Quilty is well satisfied with the showing of Ottawa, and declared that they will go a long way in the standing. "If we beat Tigers at home, then we are going to win the title," is his optimistic outlook.

A Promising Athlete. The feature of Guelph Collegiate Institute field day, was the phenomenal performance of Ed. Morton, who entered in eight events, winning them all, and smashing six school records.

He won the senior championship with ease. Morton won all the jumps, two sprints, the half-mile and the shot put. The intermediate championship was won by V. Lafontaine, and the junior championship went to E. Brill.

Intercollegiate Harrier Run. The inter-collegiate harrier run will take place at Toronto about the end of October and the course will be over five or six miles of country.

Never judge a man's heart by the size of his feet.

BUSINESS:
Election of officers.

Samson Tractors, Trucks and Plows, Etc.

Here is the very best proposition that any farmer ever heard of in real "made for the farmer" trucks and tractors. Similar to the many products of General Motors Corporation, the Samon Trucks and Tractors give you the very best value for your money and are not by any means, an inferior product. We have a model "M" Samson Tractor on hand and we invite your inspection. One glance and you will know that we have a real proposition. Get in line for a demonstration.
