Following the example set by the medical sophomores, the arts second year men on Monday, issued their freshmen with cotton caps, advertising one of the local clothing houses. These caps are to be worn until university day when it is likely some "taking-off" exercises will be beld. The science freshmen have been told to wear streamers of green ribbon from their caps and also to wear old clothes. It is understood that this class of freshmen have decided not to obey their seniors and are ready to suffer the consequences.

and brutal attack was made by two

prisoners in the Elgin county jail on

Governor Luton and Turnkey Grant.

The prisoners, Stanley Chappelle and

Roy Roberts, who made the attack,

are two Aylmer men awaiting trial

at the assizes on the charge of auto

stealing. The men made a rush at |

the jail officers as they entered the

corridor. Roberts struck the turn-

key over the head with a heavy iron

bar which he had turn from one of

the windows. The blow struck him

on the side of the face, knocking

out several teeth. Chapelle rushed

at Governor Luton, kicking him in

the stomach and striking him on the

head with a heavy pie plate. The

key is suffering from a serious

wound on his head. The prisoners were arraigned yesterday before Magistrate Maxwell on the charge of

murderous assault and attempt to

The Classic Event Between Man o' War and Sir

Barton.

Windsor, Oct. 12.-"Old King Sol" came out in all his beneficence this afternoon for the classic event of the turf history between Samuel Riddle's "Man o' War" and J. K. L. Ross, "Sir Barton." At one o'clock the stands were fairly well crowded, while the spacious area in front was a seething throng. Kenworth track to-day is the mecca of all racing enthusiasts on the American continent. Every train brings new arrivals, and according to predictions at noon thirty thousand people will be inside the park to witness the big sporting

Now That the Weather is Becoming Cold

Motorists have numerous matters of importance to look after. If you will permit us to attend to the following lines (for which our garage is particularly well adapted) we will make cold weather motoring a pleasure and a convenience rather than a worry or nuisance.

STORAGE-for your car in a stall which will make it very easy to run out or in at

WASHING will be done with warm water, which takes off the icy mud without destroying the finish of the car.

CAR DELIVERED to your home when required, etc., battery tested regularly and any other convenience required by owners.

ANTI-FREEZING solution for your radia tor. It does not pay to allow your Radiator to freeze when a very small outlay is positive protection.

You may have quotations on any of the above recommendations by the week, month or season If you do not intend to use your car during the cold weather, let us store it properly in a

warm and clean room, covered up and protected in every way. Blue Garages, Limited

Phone 567.

H. M. FAIR, Manager,

The LINDSAY PLAYER PIANO will make you a great piano player -a master of the piano, able to play classical and popular music, accompanying other instruments or singing. In a word it gives you, in 10 minutes, the ability that a musician takes 15 years to acquire.

Come in for free demonstration. If you have a silent piano, we will accept it as part payment on the purchase of a Player. See us about it.
