IN THE PUBLIC EYE
By J. Stewart
IS YOUR WORK HARD ON YOUR EYES?
If your work is hard on your eyes corrective glasses are needed. The lenses that will be prescribed by our skilled optometrist will furnish the exact assistance needed—they will not be too weak or too strong. Eye examinations rarely show the condition of the two eyes to be the same. Don't let your eyes adjust themselves to glasses. We will make the proper lenses.

RHEUMATIC PEOPLE

Can Only Find Relief by Enriching the Blood.

Rheumatism is a disorder of the blood. It attacks people when the blood is overcharged with acid and impurities, thus setting up inflammation in the muscles and joints. Wet weather or cold weather may start the tortures of rheumatism, but is not the cause. The cause is in the blood and the blood only. Victims of this malady have every reason to fear the first dull ache in the limbs and joints, followed by sharp pains through the flesh and muscles; these are the symptoms of poison in the blood which will shortly leave the victim racked and helpless. There is only one way to cure rheumatism, and that is through the blood. Liniments, hot applications, and rubbing may give temporary ease, but cannot possibly root the trouble out of the system. That can only be done by the rich, red blood which Dr. Williams' Pink Pills make. This new blood drives out the poisons and impurities, and the rheumatism disappears. If you are a sufferer from this painful malady begin the use of Dr. Williams' Pink Pills and see how soon the pains and stiffness of the joints fade away, leaving behind new energy and new health. You can get Dr. Williams' Pink Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.
