THE SUDDEN PASSING OF BELLEVILLE MAN

License Inspector Richard Arnott Drops Dead of Heart Disease.

Belleville, Oct. 19.—Richard Arnott, license inspector for the southern part of Hastings county and Prince Edward county, dropped dead on the market square on Sunday, while taking two men to the police station who were intoxicated. Heart disease, of which Mr. Arnott had been a victim for some time, was the cause of his death. He was about fifty-eight years of age and was born in Belleville. He had been inspector for a number of years and was a faithful officer. He was a member of the Methodist church and identified with the Masonic society. A wife and family survive.

A Young Boy May Lose His Eyesight

Norwood, Oct. 19.—Harold Davis, the six-year old son of Alexander Davis, of this village, met with an unfortunate accident when he was hit in the eye with a stone thrown by another lad. It is feared he may lose the sight of his eye. He was taken to Peterboro by Mr. Bruce Livingstone by automobile the night of the accident and Dr. Buchanan, eye specialist, placed him in the hospital, where an operation was made on the optic. This is the second occurrence in this village of a child losing his eyesight through being hit in the eye with a stone. Parents should impress upon their children the danger of throwing stones.

Belleville Boy Injured When Struck by Auto

Belleville, Oct. 19.—Jack Willis, a lad twelve years of age, whose home is in this city, was severely injured when he was riding a bicycle on the Trent road and was run into by an auto. The lad suffered a compound fracture of the right ankle and was severely bruised all over the body. Fortunately the car did not run over him. The wheel was wrecked.

Who Will Win.

Rochester, N.Y., Oct. 19.—Senator Harding will carry New York state by a decisive majority, Senator Wadsworth will be re-elected by many thousands of votes less, and, at this writing, there is serious doubt whether Al Smith, the pride of Tammany's heart, will be re-elected governor.

Miss Jean Daly, Napanee, left Toronto Sunday night for Winnipeg, where she will be physical instructor at The Robertson Memorial House.

Miss Marion Spencer, Watertown, N.Y., has been visiting her aunt, Mrs. William Ponnell, Napanee, and her cousin, Miss Lottie VanAlstyne.

"You're right! In the busy season when a trip to town is necessary, you need a car that is ready to go. And the best car is no good without proper lubrication and good gasoline. Imperial Polarine and Imperial Premier Gasoline have kept my car running 'lick as a whistle' every minute all season."

Steady Dependable Service

IMPERIAL Polarine assures a motorist steady, dependable service from his car. It gives correct lubrication to every type of motor and every moving part. It keeps your motor running smoothly and quietly.

Imperial Polarine maintains, under all operating conditions, exactly the right body to seal in compression and reduce wear—it burns clean. Imperial Polarine establishes and maintains a power tight seal between piston and cylinder walls. Its body is proof against high heats and the grueling friction of engaging parts.

Look for the Imperial Polarine Chart of Recommendations when you buy oil. It shows which of the three grades described below is best suited to your car.

Six sizes—gallon and four-gallon sealed cans, steel kegs, half-barrels and barrels. Buy by the barrel or half-barrel and save money. Sold by good dealers everywhere in Canada.

IMPERIAL POLARINE (Light medium body)
 IMPERIAL POLARINE HEAVY (Medium heavy body)
 IMPERIAL POLARINE A (Extra heavy body)
