

SUNDAY SCHOOL LEAGUE

Basket Ball to Start on Nov. 9th—May Form Girls' Series.

At a very enthusiastic meeting of the executive of the Sunday School Amateur Athletic Association held in the Y.M.C.A. parlors, on Wednesday evening, final arrangements for the opening of the basketball series were made. Representatives of nearly every Sunday school in the city, which will be included in the basketball league, were present to make their entries. The league will open at the Y.M.C.A. gymnasium Tuesday evening next.

It was the feeling of the members of the executive that in view of the fact that two of the teams, which were not represented at this meeting, might enter the league, it would probably be wise to leave the time of entry open until Friday evening next. A committee was appointed to receive the entries on that evening and draw up a schedule. It is quite likely that the senior series will be composed of St. James, Young Hebrews, Bethel, Cooke's, Sydenham, and Baptist, and there is a possibility that Queen Street Methodist will have a senior team. The junior teams will likely be from Sydenham Street Methodist, Queen Street Methodist, Cooke's, St. James, and probably Union Church, Portmouth. The junior league schedule will likely open on Saturday afternoon, November 13th.

The by-laws state that any person competing in the games must be a regular attendant of the Sunday school for which he plays, and attend two Sundays previous to the opening games, or two Sundays previous to the first game in which he competes.

Captain Skinner, a representative of Queen Street Methodist, brought before the executive the matter of organizing a girls' basketball league in connection with the association. His suggestion was favorably received, and the matter will be considered at the next meeting.

Captain Finlay, representing First Baptist church, was appointed to act as treasurer until the annual election of officers takes place the latter part of November.

STREETS ARE NAMED FOR PAVING IN 1921

Clergy and Barrie Streets at Last to Receive Attention.

At a meeting of the Board of Works on Wednesday afternoon, the acting engineer, Howard Dick, recommended that the following streets be paved with sheet asphalt next year: King from William to West; Ontario from Brock to Place D'Armes; Princess from King to Ontario; Union from Wellington to King; Clergy from Barrie to Ordinance; Division from Princess to Pine. The committee adopted the recommendation and will ask the utilities commission to have the underground work in those streets completed early in the spring.

The acting engineer was asked to suggest some means whereby the asphalt paving plant at the fair grounds could be operated without causing a nuisance to residents nearby. The residents certainly have a grievance. In attendance at the meeting were Ald. Angrove (chairman), Phillips, Sargent, Clow and Mayor Nickle.

ST. ANDREW'S RECEPTION. To Queen's Students and Royal Military College Cadets. St. Andrew's church hall was transformed into a charming setting for the Halloween party on Wednesday evening, when the annual reception to the young people of the church, Queen's students and the cadets from the Royal Military College was given under the auspices of the Strangers Committee, of which Miss Gertrude Strange is the secretary. Even before the appointed time the crowds of guests began to arrive and were received by Rev. J. W. and Mrs. Stephens, Mrs. Ramsey Duff and Miss Mowat. Two wondrous witches gave out the topic cards to the girls and their partners, and on the platform, with its fire-place, beside which were two more witches with a cauldron from which fortunes were drawn, were Jack of lanterns with grinning faces, black cats and the gold and black decorations which mark the season. Mrs. E. F. Torrance played for a sing song and during the evening Miss MacFarlane sang twice. Miss Goldie Bartels played delightfully on her violin and Billy Wilgar recited. The refreshments were looked after by the Young People's Missionary society, of which Miss Katherine Fairlie is president, and the long tea table was a thing of beauty with its candles in silver candle sticks, centre of white tulle over orange, upon which rested a huge jar of lanterns with two smaller ones at each end. Here Mrs. W. P. Nickle, Mrs. J. B. McLeod and Mrs. Swaine, poured the coffee, with Mrs. Ramsey Duff, Mrs. William Gill, Mrs. James Third, Miss Fowle, Miss Newland and other members of the committee assisting them. Lieut.-Col. Alexander Gordon acted as chairman and did much to make the evening the success it was.

A very pretty wedding took place on Wednesday morning at eleven o'clock, when Jane Shields Beswick (Beattie), eldest daughter of Mrs. Janet Beswick, 48 O'Kill street, was united in marriage to Dawson McClellan, son of Mrs. Margaret McClellan, 451 Barrie street. The ceremony was performed at St. Andrew's manse, by the Rev. J. W. Stephens, and the happy couple drove immediately after to the home of the bride, where the wedding luncheon was served. The bride looked sweet in a dress of blue tricotine, with blouse of orchid, and wore a corsage bouquet of pink tea roses. She was assisted by her sister, Miss Mary Beswick, who wore a suit of blue gabardine, with corsage bouquet of pink roses. The groom was assisted by William Milne. The groom's gift to the bride was a gold wrist watch, to the bridesmaid a gold bar pin set with pearls and turquoise, while the groomsmen received a gold tie pin, set with pearls.
