WITH THE FUNNY MEN

Strange.
"There's one thing I can't understand about these spirit communications," remarked Mr. Brown as he finished reading the account of a highly successful seance.
"What's that, John, dear?" asked his wife.
"Why, you never hear of a departed soul having gone any other place except straight to heaven."

Only One Obstacle.
Her Suitor—You surprise me! I did not think you would interpose any objection to my marriage to your daughter. Why, I thought you liked me!
Her Father—I do, my boy. But there is one thing insuperable in the way.
"What in the world—"
"My daughter doesn't like you."
Stray Stories.

He Has Our Sympathy.
"So Helen Strongmind is to be married to Mr. Warm?"
"Not exactly. Helen says he is to be married to her."
"Oh, yes, of course. She's asked you to be her bridesmaid, hasn't she?"
"No, she asked me to be her 'best woman.'"

Aburdities in Attire.
"I must say," remarked the derisive person, "that a man looks ludicrous in the clothes his wife goes out and buys for him."
"Maybe," replied Mr. Growcher, "but not any more ludicrous in my opinion, than his wife does in the clothes she goes out and buys for herself."

That's Different.
Redd—Thought you told me that was a ten-horsepower automobile of yours?
Greene—So I did.
"Well, I can't believe it."
"Why not?"
"Because, I noticed it took only one horse to pull it back home today!"

Misunderstanding.
"Poor old Smyth got into trouble with his wife by a memorandum she found in his pocket from the mechanic who repaired his machine at the office."
"How could she resent that?"
"The memorandum was for supplying his typewriter with a new dog."

NO OLD SHOES.
"Did you throw any old shoes at the bride?"
"No. Didn't have a pair that I felt I could afford to throw away nowadays."

Something Lacking.
"I've pencils, pens and paper white, brasses and a quart of ink. What a great poem I now might write could I but contrive to think."

Improved by Travel.
"There is a great deal of improvement to be derived from travel."
"There is," replied Farmer Carrotassel. "When I was to town and took lunch at a restaurant, I was surprised to see how a little bit of travel had improved the price of a head of lettuce."

The Brain and the Stomach.
"Wouldn't that woman give you your dinner for sawin' up a pile of wood?" asked Meandering Mike.
"Yes," answered Plodding Pete.
"But I called the deal off. As soon as I looked at the woodpile I lost my appetite."

Heroic Measures.
"Wife—I'd tea times sooner stay at home than go on a visit to the Borems."
"Hub—Then why are you going?"
"Wife—It's the only way. If I don't they will visit us."

His Only Protection.
"I told Brown your cure for snoring, but he refused to try it."
"Why?"
"He says if he were to cure himself his wife would make him go to church with her."

Its Class.
"He was about to fold her to his manly breast when her father came in."
"That is what you might call a folding slip."

That's So.
"Freddy—Pa, this paper writes about directors 'watering stock.' What does it mean?"
"Pa—The directors water the stock to soak the investors, sonny.—Blighy, London."

Fellowship Dinners.
"Mabel was a new woman. She said to Myrtle one afternoon.
"We'll make a night of it. Come to the Rat with me and we'll have a fellowship dinner."
"A fellowship dinner? What's that?" said Myrtle.
"Why," said Mabel, "you pay for mine and I pay for yours."

IN THE FOOTBALL CLASS
She: "How did the lion get his title of king of beasts?"
He: "Doubtless by might and mane."

PROVED
"Great Musician, Jones!"
"News to me."
"Well, he plays on everybody's confidence, harps on a subject till you get mad, and toots his own horn on every occasion."

SOOTHING HER FRIGHT
Mother: How will you get out of that tree alive? Climbing will be the death of you!
Johnny: Oh, pahaw! I'll let you see me fall out and land on my hands for a nickel, ma!

That's Different.
Patience—You know that fellow Chiro?
Patrice—You mean the mind reader?
Yes.
They say he's wonderful.
So I've heard.
They tell me you can hide any object in any out of the way place and he'll find it.
Yes, but I understand he was out on the links yesterday and he lost an even half dozen golf balls.
Reasonable Deduction.
The doctor was giving an informal talk on physiology.
"Also," he remarked, "it has recently been found that the human body contains sulphur."
"Sulphur!" exclaimed the girl in the blue and white blazer. "And how much sulphur is there, then, in a girl's body?"
"Oh, the amount varies," said the doctor, smiling, "according to the girl."
"Oh!" remarked the girl, "that's why some of us make better matches than others."

You and I cannot be blamed if we sometimes suspect the man who is eternally talking about his fairness. I hold to the belief that it is far better to know your own business than that of your neighbor.

AUTOMOBILES

Now is the time to purchase that car for next year, for many good reasons, which we can not only explain, but are in a position to guarantee.

For example; we guarantee the price of every new car that is delivered or even ordered, against any decrease in price as far as July, 1921, and in the event of a decrease we further guarantee to refund the difference between the present and new price.

Further, we have the best value in the used car line that has ever been offered in this city. Cars were never so reasonable as they are at the present moment. And you will find that the prices have become settled already, and that the purchaser of a real good reliable car this fall will be ahead in the Spring of the year even if he takes into consideration the fact that the car must be wintered. Let us have a talk with you on the matter and think it over. We have the value and it is the best in the city.
