The Friendly Smoke

THERE is something mighty comforting and satisfying about "OLD CHUM" Tobacco; a sort of soothing restfulness that pipe smokers have come to associate with this friendly smoke.

"OLD CHUM" is an old, old chum with all pipe smokers. It has the perfect tobacco taste—the mellow richness—and men know that they can be chummy with "OLD CHUM" all day long and that the "good night pipeful" will be as sweet and cool as the one enjoyed just after breakfast.

For years and years "OLD CHUM" has been Canada's favourite pipe tobacco and today is more popular than ever.

AUTOMOBILES

Now is the time to purchase that car for next year, for many good reasons, which we can not only explain, but are in a position to guarantee.

For example: we guarantee the price of every new car that is delivered or even ordered, against any decrease in price as far as July, 1921, and in the event of a decrease we further guarantee to refund the difference between the present and new price.

Further, we have the best value in the used car line that has ever been offered in this city. Cars were never so reasonable as they are at the present moment. And you will find that the prices have become settled already, and that the purchaser of a real good reliable car this fall will be ahead in the Spring of the year even if he takes into consideration the fact that the car must be wintered. Let us have a talk with you on the matter and think it over. We have the value and it is the best in the city.
