## "DUMBELLS" AT THE GRAND

A Crowded House Witnessed "Biff, Bing, Bang," Thursday Evening.

The third division concert party "Dumbells" in the second edition of "Biff, Bing, Bang" opened a three-day engagement on Thursday evening at the Grand Opera House, before a large assembly. Those who had the pleasure of seeing this party of trained soldier artists last year pronounce this second edition to be far better than the first. On Thursday evening, on account of the illness of two of the players, the condensed version of "H.M.S. Pinafore" was not played, but three additional numbers, which delighted the audience were offered.

The scenery, the lighting effects, and the curtains used make up one of the prettiest of stage settings. The company has recently purchased a lighting service which cost approximately four thousand dollars. Ross Hamilton, as "Marjorie" was certainly the belle of the female impersonators, but the others were excellent also. The first act opened with a biff, bang and a bang, which reminded many of the soldiers present of the never-to-be-forgotten days in France, and the aviator who announced that the armistice had been signed, Jack McLaren and his party of bathing girls delighted the audience with the song and chorus, "All the Girls are Lovely by the Sea." Albert Plunkett was loudly applauded when he sang "Where do the Flies go?" Red Newman sang the old favorites "Apple Dumplings" and "Oh! Oh! Oh! It's a Lovely War," by request, and received the hearty applause of the audience. Alan Murray, one of the "ladies" and Albert Plunkett were heartily applauded at the close of their song and dance number. A number of the company played their parts to perfection.

For those who saw service in France and Belgium, this play recalls many of the pleasant incidents. Thousands of Canadians have walked miles to see the same company put on a show in France. Many went feeling rather gloomy, but were cheered by these men who were set aside by the army for the purpose of entertaining the troops. In those days it was nothing to walk five miles and then stand for two hours waiting for the doors of the Y.M.C.A. hut to open, where the show was put on. After the armistice, the Dumbell concert party filled in many lonesome moments of the soldiers' lives. Those who were privileged to be in Mons will never forget the keen interest which the civilian and soldier population took in this concert party. The party was later moved to the city of Brussels, where it played before the Belgian royalty, and each member of the concert party was presented with a gold medal in appreciation of his services.

Captain Plunkett, who heads the company, was looked upon as being one of the best managers of concert parties in the British Expeditionary Forces. On Thursday, when he arrived in the city, many of the officers of the Canadian Expeditionary Force, who had made his acquaintance overseas, called on him at the Randolph hotel. Among the visitors were Lieut.-Col. Brown, headquarters staff, Major William Hart, formerly of the Second Division Artillery, and Captain Robert Robinson, formerly of the Third Division.

## TORPID LIVER

FOR OVER 4 MONTHS.

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons. When the liver becomes lazy, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.

Milburn's Laxa-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.

Mrs. Alice Mehill, Napanee, Ont., writes:—"I was very badly run down, and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials, and I am a different person to-day. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble." Milburn's Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

make you pay ter what you break an' then you'll be broke, see? Heigh ho, that's settled."

Silence fell upon the room, but the weary Runt was not destined to get more sleep yet. Tee Tee nudged her softly and whispered just above her breath.

"Runt, do you love young Dan?"

"Sure, I do!"

"Oh, Runt, no, you don't."

The Runt sat up straight. "Say, Miss McCrackin, what do you mean?"

"Lis down, Runt, an' listen to me. You love young Dan, but you love him as a brother. There isn't much difference, yit there's a big difference. You two was brought up together, you just as well might as bin a Loosee. You got to love-him as a sister loves a brother. He put on you, didn't he? An' was rough with you frequent and sassed you, didn't he? Jes' like a brother. Did he git jealous if another feller come around?"

"Yes, a mind reader, when he went away you longed fur him, but it was not a sweetheart's longing, but the yearning of a sister who loved her scapegrace brother and would fight fur him till the death, not because he was her lover, but because he was a Loosee, a son of Ois Dan and Mom."

The Runt snuggled up closer to her chin.

"What you tryin' to do, Sis?" she breathed. "Why, blame my cats, you're in love with young Dan yourself."

"A mind reader come to judgment, yes, a mind reader," yawned Tee Tee, "and now, honey girl, let's have a sleep."

And they slept till noon!

## Fair Complexion Conceals Age

Rid the Face of Pimples and Such Blemishes by Using Stuart's Calcium Wafers—Surprising How Youthful One Looks.

Pimples, blackheads and other such facial blemishes may be traced

to an excess of impurities being eliminated through the skin and this condition calls for calcium to enable the process of elimination to be carried on more completely.

It is the Calcium in Stuart's Calcium Wafers that has given this complexion beautifier such a wonderful reputation.

The results are soon noted in a much finer texture, the gradual disappearance of the blemishes and a really beautiful complexion. This is considered the correct way to a handsome, lily-like skin. Get a 50 cent box of these wafers at any drug store and observe how nicely the skin soon clears.

Don't Stay Gray! It Darkens So Naturally That Nobody Can Tell.

## SAGE TEA BEAUTIFIES AND DARKENS HAIR

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of these ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.
