Kingston and Vicinity

A Real Bargain. Boys' black serge suits, straight pants, size 32-33, regular value \$13.00 for \$6.50. Prevost Clothing House, Brook street.

Name of New Park. The new park of Pembroke is to be called "The Pembroke Riverside Park." The property has been purchased from T. D. Giroux.

At Work in Picton. Mr. and Mrs. Gilbert Thompson, Arden, are spending a couple of weeks at the home of their son, Herbert Thompson, Picton. Mr. Thompson is a carpenter and he is remodeling his son's house.

Boy's Eye Injured. Master Stuart St. Michael, the five-year-old son of Hector St. Michael, Renfrew, had a pair of scissors run into his eye last week. Dr. McKinnon was at once called and is doing everything possible to save the sight of Stuart's eye.

Given Two German Guns. The school board of Perth has been allotted two German machine guns, Nos. 4739 and 7417, by the director of war trophies. It is altogether likely one will be placed in the collegiate and one in the public school.

To Make a Survey. The engineering bureau of the war department with headquarters at Buffalo, N. Y., has started a survey of Kingston, N. Y., harbor for the purpose of ascertaining what improvements are deemed necessary and advisable.

Engagement Announced. Mr. and Mrs. Urian Nelson, Demorestville, Ont., announce the engagement of their daughter, Edna Rowena, to William F. Addison, Toronto. The marriage is to take place in the Howard Park Methodist church, Toronto, the first part of December.

Passed Away. After four long years of suffering, Mrs. Fred Lambert passed away at her home on Park avenue, Carleton Place, on Nov. 11th. Deceased, whose maiden name was Mary Ann Moore, was born in Marlboro township in 1874, a daughter of the late Mr. and Mrs. Isaac Moore.

Rev. H. W. Reede Accepts. Rev. H. W. Reede, a former pastor of Pittsburg Presbyterian Church, who has been located in Newark, N. J., for several years, has accepted a call to the Presbyterian church at Blytheswood in the presbytery of Chatham, and will be inducted shortly.

A Gift From Workers. George Crawford, who recently retired from active duty in the C.P.R. shops at Carleton Place, entered the employ of the Brockville and Ottawa railroad in 1872, and has been employed since continuously as a blacksmith. He was presented with a purse of gold by his fellow workmen on his retirement.

To Grant Permission. The good roads committee of the county of Renfrew at a special session unanimously decided to recommend to the county council that the O'Brien Company Ltd. (the Calabogie Light and Power Company) be permitted to erect poles on the provincial highways where desired to carry their transmission line from Renfrew to Arnprior.

To Roll the Streets. Col. Mackie, M.P., has offered the town of Pembroke the use of the big road roller at Petawawa camp and it is intended to bring it down and experiment with it in the rolling of the business section of Pembroke street following snow storms. It is believed that the street can be kept in much better condition at very small expense by the use of the roller.

Death of a Farmer. Adam Easton, a well known farmer, of the third concession of Thurlow, died of heart failure after an illness of some duration. He was a member of the Methodist church. Mourning his loss are his son, R. F., at home and one daughter, Mrs. (Rev.) R. J. Merriman, Manila. Mr. Easton was in his sixty-third year.

Former Resident Dies in Vancouver. It was with sorrow that many Athenian friends of Walter Leander, Vancouver, B.C., heard of his death. He was the only child of the late Dr. and Mrs. Leander, of Frankville. His parents died when he was a mere child and he came to Athens to live with his grandmother, Mrs. S. Stone, with whom he resided until he went out into the world for himself.

Rebuild and Enlarge Theatre. The Palace Theatre, Belleville, destroyed by fire, will be immediately rebuilt, and will be enlarged in regard to the seating capacity by the erection of a balcony which will seat 250 persons. This will give the new theatre seating capacity of nearly 800. Mayor Riggs owns the buildings, and the new theatre will be conducted by the Griffin Amusement Company.

Hauling and Marketing Eggs. The egg producers of Renfrew county have lately been getting organized for the co-operative handling and marketing of eggs. The final organization meeting of shareholders to elect a board of directors is to be held in Renfrew early next month. Already there are ninety-five shareholders and it is hoped to bring the number up to 100; the shares being valued at \$50 each. It is intended to establish fifteen collecting stations from which eggs will be drawn to the central plant in Renfrew by motor truck.

Fined For Furious Driving. As a sequel to an accident of several days ago whereby Mrs. A. M. Forsythe was thrown from her buggy near Kemptville, while driving home, and was severely injured, James Dool and Walter Hool, two young men from Oxford Station, appeared before Justice of the Peace Waterston at

Kemptville charged with furious driving. They pleaded guilty and were fined \$1 and costs. They also the Prince Edward Old Boys' Memorial made a private settlement with Mr. Forsythe, paying him \$150 to cover honor to be permitted to do so.

Donates Silver Cup. Frank J. Halliday, Winnipeg, brother of Mrs. A. W. Easton, Renfrew, and one of the most successful graduates of the many of that class turned out by the Renfrew Collegiate Institute, has offered for competition by the students a beautiful silver cup, the style of contest to be left to the discretion of Principal Bryan. The latter says that the trophy is one of the handsomest that he has ever seen and that it certainly calls for a more than ordinary competition. It may be offered as a prize in the gymnasium department.

Mr. Giroux Resigns. At the council meeting, Pembroke, T. D. Giroux tendered his resignation as one of the representatives of the west ward, this action being rendered necessary by the fact that Mr. Giroux is selling to the town the large block of land in Girouxville for park purposes. The council, while regretting that such a step was necessary, accepted the resignation. The vacancy will not be filled. Councillor Giroux was a useful member, taking his duties seriously and giving close attention to municipal business generally and his own department (property, fire and light) in particular. He served the ratepayers well, and, doubtless in the future will aspire again to municipal honors.

An Honor to Subscribe. There is one Prince Edward Old Boy that the town and county feel proud of, says the Picton Times, and that is Prof. Iva Martin, an old Athol boy, who is one of the finest mathematicians in Canada and occupies the important position of professor of mathematics and director of studies at the Royal Military College, Kingston. Prof. Martin has most generously forwarded his cheque for \$25 to the secretary of the memorial

Gananogue's Assessment. The total assessment of Gananogue for 1920 is \$1,588,215, compared with \$1,532,017, an increase of \$56,198. Of this amount \$30,278 is an actual increase on the assessment, both on general and school purposes, while the balance \$25,920, will be an increase on the general tax only. The exemption of \$25,920 granted to the Ontario Wheel Co., for a term of years has now expired. During the period of exemption they were liable for school rates only and paid no general tax, so that in 1921 the town will now receive the general tax on this sum in addition to the school tax. It must not be supposed that there will be any reduction in the tax rate, in consequence of the increased assessment, as it is evident there must be an increase. The estimate for the county rate was \$7,000, but instead of that the town has to pay \$13,595, \$6,595 in excess of the estimate.

A Splendid Citizen. Thos. A. Low, Renfrew, was the first to develop the waterpower on the Bonnechere and for twenty years he has been the moving spirit and guiding hand of many of Renfrew's largest and most thriving manufacturing plants in Pembroke. Mr. Low started his business career with brains, courage and ambition as his biggest assets, and today he is numbered among Ontario's most successful manufacturers. To him Renfrew is very largely indebted for the development which the town has experienced in the past two decades, and while he has given employment to hundreds of the citizens he has made the town known all over this continent and beyond by the products of his factories. Big and broad and generous, Mr. Low has from a civic standpoint been a most valuable citizen, supporting liberally all progressive movements and every good cause, and among the outstanding men of these progressive towns he occupies a foremost place.

Cinnaform Pastilles. The National Drug and Chemical Company of Canada, Ltd., announces that they call CINNAFORM PASTILLES, which have proved very efficacious in disorders of the Mouth and Throat, such as Quinsy, Sore Throat, Tonsillitis and in the early stages of Diphtheria and Influenza. Sweetened and pleasant to take. 50c. a bottle—smaller size, 25c.
